Dear All,
Greetings from JECRC Incubation Centre!!!

I would like to extend our warm invitation for the **3rd Session of JIC SHE Talks on 29th July 2020 at 04:00 P.M.** The session will be enlightened by the presence of **Ms. Lathika Pai, Country Head, Microsoft for Startups, India/ SAARC Microsoft and Founder of SounderConnect – Powering Female Founders** as our Notable Speaker

JIC She Talks is organized to empower the young female entrepreneurs, wherein female leaders share their experiences of their journey with the aspiring Female Leaders and motivate them to strengthen the Ecosystem.

We request you to join the session and encourage the female students to attend this session. I request you to kindly share the creative and the **Registration Link**, <https://forms.gle/teahGSqTuWZvBEdB6> with the students. This initiative is exclusively for female students and female faculty members.

For any further queries, I am available on +91 72298 56783 and Gaurav Sharma at +91 83028 54791

1.0 About JECRC

Jaipur Engineering College & Research Centre (JECRC) University, through their constant endeavour to deliver industry driven education have been successful in establishing a name for themselves in the education sector of the country. Engineering education provided in Jaipur engineering college & Research Centre (JECRC) is both theoretical and practical, preparing the students to match the expectations and requirements of the industry.

2.0 Gender Audit

As the Institute constantly strives to improve and excel in gender mainstreaming a need was felt to carry out a gender audit to assess the level of integration of gender equity in all the programs and initiatives of JECRC.

Following were they key areas of enquiry:

1. Gender sensitisation conducted for staff as well as students
2. Equal access to teaching and learning facilities by male, female and other students
3. College conducts awareness programs such as awareness on sexual harassment
4. College has adequate number of separate toilets for females both in teaching facility as well as in residential/ hostel campus.
5. Disposal bins are provided in female toilets
6. Adequate lighting is provided inside campus at all places (corridors, classrooms, common areas) during night
7. Adequate security arrangements with a special focus on the needs of female staff and students
8. Grievance redressal mechanism is established.
9. Provision of equitable platforms (sports, cultural, literary) for all students to exhibit their talents
10. Promotion of communication that represents gender equity
11. Balanced gender quota in hiring
12. Female/ Male ratio
13. Percentage of females in leadership positions
14. Availability of health facilities for girl students

3.0 Student's Gender Equality audit feedback Analysis:

1) Tables of Gender Balance 2019-2020 to 2020-2021:

Gender Equity Audit of Faculties

Year	Male Faculty	Female Faculty	Total Strength	Sanctional Strength
2020-21	135	80	215	214
2019-20	143	85	228	256

The table shows year wise gender comparison of male and female Faculty members in the college.

Gender Equity Audit of Students

Batch	Male Students	Female Students	Total Strength
2020-21	785	227	1012
2019-20	724	177	901

The table shows year wise gender comparison of male and female percentage of students and total admissions in the college.

This gender audit is a part of our commitment to promote and mainstream gender equity in curricular as well as co-curricular activities of JECRC. In our professional judgement, sufficient and appropriate audit procedures were completed and evidence gathered to support the accuracy of the conclusions reached and contained in this report.

As we took surveys and interviews from Female faculty members and girl students from our college, the following analysis has been drawn, a total of 294 Responses have been recorded:

Q.No.\ level	1	2	3	4	5
1	4	11	41	105	133
2	4	10	25	112	143
3	7	11	29	111	136

5.0 Recommendations

Following the audit, no major recommendations were observed and made to the management.

6.0 Objectives and Scope

The purpose of this audit was to ensure gender equity in the campus, across all departments, administrative bodies and students.

7.0 Methodology

The audit looked at the key priorities identified in the action plan developed for gender sensitisation along with some additional parameters based on global best practices. A multipronged approach was adopted, and this audit combined physical inspection with a review of relevant documentation and interviews with Staff and students.

8.0 Declaration

I agree with all the recommendation and observation mentioned in this report.
