OFFICE ORDER

Hon'ble Vice-Chancellor is pleased to approve following FDPs to be conducted at the affiliated engineering colleges under sub-head 1.2.2.4 of TEQIP-III RTU (ATU) Action plan as per the mentioned schedule.

S. No.	Name of The Institute	Title of The Proposed FLP	Name of RTU Coordinator	Number of Days
1	Anand International College Of Engineering, Jaipur 9694097808	Advancement In Structural Engineering & Concrete Technology	Prof Praveen Kumar	05 Days
2	Arya College Of Engineering & Information Technology, Jaipur	Big Data Analytics	Dr. Harish Sharma	05 Days
3	Arya College Of Engineering & Research Centre	Cyber Security & Cyber Forensics	Dr. Harish Sharma	05 Days
4	Aryabhata College Of Engineering And Research Centre Ajmer 9461393961	Solar Design & Drafting	Dr. S. K. Sharma 9460013249	05 Days
5	Arya Institute Of Engineering & Technology 9982621591	Robotics And Artificial Intelligence	Dr. Deepak Bhatia, Mahendra Lalwani	05 Days
6	Arya Institute Of Engineering Technology And Management Jaipur 84321100111	Trends In Mechatronics And Manufacturing For Industrial Automation	Dr. Shivlal 9636855553 and Dr. S. K. Sharma	05 Days
7	B K Birla Institute Of Engineering & Technology, Pilani	Matlab For Engineering & Scientific Computations	S.S.Godara & Dr. Girish Parmar	05 Days
8	Global Institute Of Technology Jaipur	Recent Trend In Renewable Energy Resources	Dr. S. K. Sharma 9460013249 and Dr. M.Lalwani	05 Days
9	Geetanjali Institute Of Technical Studies, Udaipur	Power Electronics Applications In Smart Grids And Their Control	Dr.S.K.Sharma	05 Days
10	Jaipur Engineering College And Research Center 9891406784	Research Trends In Communication And Circuits (RTCC)	Dr. Mithilesh Kumar and Dr. M.L.Meena	05 Days
11	Jaipur Engineering College, Kukas 8058799002	Sustainable Environment & Management	Dr K B Rana & Dr. Parkaj Sharma	05 Days
12	Jodhpur Institute Of Engineering And Technology	Advanced Material Processing Technologies Based On Industry 4.0	Mr.Naveen Verma 9887068838	05 Days
13	Kautilya Institute Of Technology & Engineering 9929611148	Application Of Embedded Control System In Industries	Dr. S. D. Parohit and Dr. J.B. Sharma	05 Days
14	Poornima College Of Engineering Jaipur	Computational Modelling In Mathematics	Dr. S. D. Parohit, Dr. J.B. Sharma, Mahendra Lalwani	05 Days

FDP Curriculum

Duration: 5 Days (19/02/2020 to 23/02/2021)

No. of students attended: 256 More than 60% from out of Rajasthan.

About TEQIP-III

The Project, Third phase of Technical Education Quality Improvement Programme (referred to as TEQIP-III) is fully integrated with the Twelveth Five-year Plan objectives for Technical Education as a key component for improving the quality of Engineering Education in existing institutions with a special consideration for Low Income States and Special Category States (SCS) and support to strengthen few affiliated technical universities to improve their policy, academic and management practices.

About RTU

Rajasthan Technical University is established by the Government of Rajasthan in the year 2006 to enhance technical education in Rajasthan. The University aims to provide quality technical education which may help Rajasthan in its technical development and will boost technical environment in the country.

About JECRC

A journey of Two decades for JECRC, having more than 4000 students on campus under 7 UG programs, has earned laurels to their students, faculty members and for the institute in many ways. More than 10000 alumni's spread over the globe has climbed the ladder to leadership positions and providing mentorship to their juniors by way of skill development, incubation, startup, research and angel funding. Faith by government agencies for providing grant of more than 2 cores for setting up centre of excellence, state of art facilities for startup & incubation and providing platform to the students to develop their technical and managerial skills that is helping students to get placement in a reputed organization. Contribution towards International publications, technical activities, co-curricular activities by faculty members, students and delivery of Outcome based education is recognized by National Board of Accreditation and AICTE.

Socially rich atmosphere at the campus enabling fourfold grooming of students that is recognized at National and International level and enabling students to work as interns with personalities recognized in their field of expertise. JECRC has become synonymous

to placements and JECRCians have made their presence felt at every reputed company / government organization. To improve the quality of teaching learning, the institute on regular basis is getting the appreciations from Government and Non Government Organizations viz., NITTTR Chandigarh, National Board of Accreditation, Rajasthan Technical University, AICTE, ASSOCHAM, Computer Society of India, The Week, Outlook, India Today etc. and two programs Mechanical Engineering and Electronics & Communication Engineering are accredited by the National Board of Accreditation for providing outcome based education.

About Electronics and Communication Department

The Departments of Electronics & Communication Engineering is the major department involving number of laboratories with a diversified variety of equipment being the core branch and with laboratories focusing on fundamental aspects of Electronics & Communication Engineering. In order to cope up with the requirement of industries, the department also has laboratories with latest technologies.

Objective of FDP

The main objective of this five-day faculty development program is to acquaint the participants with the recent technological advancements occurring in areas Circuits and communications. FDP will be helpful for the faculties and researchers working in the areas of wireless technologies, including Communications, Wireless protocols, Antennas, Microwave/ Millimeter-wave circuits, and Sources, Microelectronics, low power circuits.

Contents of FDP

- Gigabit Optical Communication Link: Design Issues and Future Trends
- Role of IOT in Traffic Management
- Role of IOT in Communication System
- Frequency Selective Services for Wireless Communication System
- Recent and Future Trends in Wireless Communication
- Role of IOT in Traffic Management
- Secure and energy efficient circuit Design
- A.I Based Control in Circuit
- Optical Signal Processing for Photonic Computer Design.
- Photonic Switching: Fundamentals, Applications & Limitations
- Communication Technologies for IOT.
- Ultra Low power Semicoundtor Devices and Circuits
- Role of A.I in IOT(AIOT).
- Energy Harvesting circuits for Renewable Energy.
- Satcom & Satnav Applications: Technologies & Trends.
- Recent and Future Trends in Circuits.

OFFICE ORDER

Hon'ble Vice-Chancellor is pleased to approve the following Faculty Development Programmes (FDPs) to be conducted in the online mode at the affiliated colleges under subhead 1.2.2.4 of RTU (ATU) TEQIP-III Action plan as per the mentioned schedule.

Sr. No.	Name of the Institute	Title of the workshop	Dates	RTU Coordinator
1	Global Institute of Technology, Jaipur	Recent Advancement in Power Electronics Drive and Renewable Energy	11-09/2020-15-09/2020	Dr. Scenta Agrawal and Dr. Harish Sharma
2	Jaipur Engineering College and Research Center, Jaipur	Throughput Management and Leadership Skills	28-09/2020-30-09/2020	Dr. O.S. Prajapati
3	Jaipur Engineering College and Research Center, Jaipur	Entrepreneurial Mentoring Skills	21-09/2020-26-09/2020	Dr. O.S. Prajapati
4	Vedant Institute of Technology, Bundi	Renewable Integration Challenges and Opportunities	1-09/2020-5-09/2020	Dr. D.K. Sanbharaya

The respective RTU Event Coordinator has to conduct the mentioned workshop as per the TEQIP-III norms. The RTU event coordinator will invite the experts and collect the Honorarium bills from the experts in the scanned copy as well as in original hard-copy.

Registration data analysis

Graphs pictorial

The 3-days Faculty Development Program on 'Thought Management and Leadership' fascinated lots of teachers, doctors and professors and brought 579 registrations from all over the country.

There were participants from more than 350 different institutions and organizations from 104 cities. Some registrations also came from countries like Kuwait , Pakistan, Nigeria and China. There were participants with their designations as principal, vice principal , research scholar , research associate , professor , assistant professor and many others which created a varietyful experienced audience. The event came out to be very beneficial for all.

Thanks letter

Dear BK Sister Shivani,

On behalf of JECRC Foundation, please allow me to take this opportunity to thank you for delivering sessions as a part of our International Faculty Development Program on THOUGHT MANAGEMENT AND LEADERSHIP where the exceptionally ethical, intellectual and spiritual leaders help educators in equipping them with proven strategies of attaining whole person education. With such criterion, your sessions helped faculties develop a care of culture conducive to spiritual, ethical and moral development.

Everyone in the session and I were in complete awe of your exceptional grasp and clarity of thoughts on various topics that you discussed. Your ability to simplify complex terms for our better understanding was widely appreciated by everyone in the audience. I am grateful for your time and am certain that everyone in attendance in your session had a lot to take away from it, I certainly did.

Ma'am as soon as you started, you caught all of our attention and you soon fascinated us with your representation of thoughts. Ma'am, we appreciate you for making time for us from your busy schedule to make us realise Spirituality is no more an option rather a compulsion. Ma'am, your way of mentioning the importance to be an atma nirbhar individual so as to establish an atma nirbhar Bharat was awe-astounding. You have perfectly established in the minds of the faculties the importance of leadership.

Ma'am, I would also like to thank you for your unfeigned appreciation of the JECRC Foundation. Over the last two decades, we are trying to contribute in our limited capacity towards creating better citizens. We have also incorporated spiritual knowledge and mediation practice into the mainstream academic growth of our students through the establishment of Rajyoga Thought Laboratory in the college premises. This lab offers a unique opportunity to empower the mental & emotional quotient of an individual. The association of experience Rajyogi like yourself gives us the strength to move forward in this direction.

Once the world returns to normalcy and this era of COVID is behind us, I would be eager to invite you personally at our campus in Jaipur to visit Rajyoga Thought Laboratory and share your invaluable submissions. Kindly accept the token of fondness enclosed with this epistle as a vestige of your contribution in making THOUGHT MANAGEMENT AND LEADERSHIP event a catalyst for transformation of educators.

With Profound Regards,

Arpit Agrawal

OFFICE ORDER

In continuation to order No. RTU/TEQIP-III F(56)/2019-20/5480-86 dated 30/11/2020, following are the revised/updated dates of the FDP to be conducted at the affiliated engineering colleges under subhead 1.2.2.4 of RTU (ATU) TEQIP-III Action plan as per the mentioned schedule.

S. No.	Name of The Institute	Title of The Proposed FDP	RTU Coordinator	Scheduled Dates
1	Anand International College Of Engineering, Jaipur	Mathematical And Computational Modelling	Dr Deepak Bhatia/Dr. Mahendra Lalwani	18-22 December 2020
2	Arya College Of Engineering & Research Centre	Internet Of Things & Its Application	Dr. Harish Sharma and Dr. Seema Agrawal	17-21 Dec. 2020 (Revised)
3	ARYA INSTITUTE OF ENGINEERING & TECHNOLOGY	MACHINE LEARNING AND DATA SCIENCE	Prof. C. F. Gupta	Dec. 14-18, 2020
4	B K Birla Institute Of Engineering & Technology, Pilani	Research Applications In Machine Learning And Deep Learning	Dr. Girish Parneja & Dr. M. L. Meena	Dec.18-20,2020
5	Gautamji Institute Of Technical Studies, Udaipur	Next Generation Semiconductor Devices	Mrs. Smita Thakur	Dec. 14-15, 2020
6	Jaipur Engineering College And Research Center	Smart And Agile Management	Dr. R.D. Gidwani	Dec. 15- 19, 2020 (Revised)
7	Jaipur Engineering College, Kukra	Smart City Development & Green Energy	Dr. Manoj Vaintra and Sunita Chatur	23-24 Jan 2021
8	Kanhaiya Institute Of Technology & Engineering	Solar And Smart Grid Technology	Dr. Lata Gidwani and Dr. A.S. Sharma	4 Jan-8 Jan 2021 (Revised)
9	Modi Institute of Technology, Kota	Research applications in Artificial Intelligence and Machine Learning	Dr. Niravita Sharma (Revised)	19-20 Dec. 2020
10	Nandjwara Institute Of Engineering & Technology	Emerging Trends In Civil Engineering	Prof. A. K. Dwivedi, Mr. Piyush Kumar Jain and Mr. Vishnu Gupta	05-01-2020 to 09-01-2020
11	Poomina College Of Engineering Jaipur	Renewable Energy	Dr. K B Rana, Dr. Parul Sharma	14-18 December 2020
12	Poomina Institute Of Engineering & Technology	Design & Analysis Of Building Structure By Using Extended Three-Dimensional Analysis Of Building System (ETABS)	Dr. K B Rana, Dr. Rahul Jain	23-25 December 2020
13	Regional College For Education Research And Technology, Jaipur	Application Of Machine Learning And Data Science In Engineering Technology	Dr Rajeev Gupta	15-19 December 2020
14	Sawai Madhopur College Of Engineering And Technology SawaiMadhopur	Recent Trend In Agriculture Technology	Mr. Manoj Vaintra and Sunita Chatur	23-24 December 2020
15	Sri Balaji College of Engineering and Technology, Jaipur	Machine Learning and Android	Dr. R. K. Bhatia and Dr. Harish Sharma	21-12-2020 to 25-12-2020
16	Shriamity Institute Of Technology & Engineering	Arduino And PLC Based Automation In Thermal, Production And Automobile Fields	Dr Deepak Bhatia	19-23 Jan. 2021
17	University Departments, Rajasthan Technical University Kota	Health Monitoring For Engineering Structures	Mr. S. S. Choudhary, Dr. H. Tripathi	17.02.2021 to 21.02.2021

Abstract

A five days online Faculty Development Program (FDP) on “Stress and Anger Management” sponsored by RTU TEQIP-III was organised by Jaipur Engineering College and Research Centre (JECRC), Jaipur during 15th-19th December”2020. The event was a complete toolbox to improve and manage one’s life. It was conducted as an initiative to help the faculties to eradicate from their minds the terms like stress and anger. The event started with the inaugural ceremony and then throughout focused on some explicit topics:

1. How to become positive personality
2. Mind management
3. Power of subconscious mind
4. Self- awareness for stress free life
5. Science of happiness
6. Meditation for increasing inner stability
7. Enjoy the journey
8. Overcoming academic stress
9. Techniques of concentration
10. Emotional quotient
11. Stress and anger
12. Powers for adapting to new ecosystem
13. Digital wellness

There were a total of 15 diverse sessions assembled and managed by eminent and globally renowned speakers including Mr.Suresh Oberoi, BK EV Gireesh, Devi Chitrlekha Ji , Sister Usha, Dr. EV Swaminathan,etc who mesmerized the audience on above points. The speakers encapsulated the audience through their deep applied knowledge and made their minds focus and perform on good and positive criterions making the event a super hit. More than 2700 participants registered for the event from about 40 different countries worldwide including Australia, Myanmar, Pakistan, Nepal, U.S.A.,etc. This response shows the need for such events.

Speakers' Profile

1. Dr. Avdesh Sharma

Dr Avdesh Sharma, D.P.M., M.D. (Psychiatry, Gold Medalist), from National Institute of Mental Health and Neuro Sciences (NIMHANS), Bangalore, is a Consultant Well-Being Psychiatrist with over 35 years of clinical practice in Delhi. He has been the International Lead on Public Education for the World Psychiatric Association (WPA) and has received several awards for his contributions in the field of mental health especially in public education and awareness building.

2. Sister Usha

Sister Usha is a Senior Raja Yoga Meditation teacher and a Management Trainer of the Brahma Kumaris Ishwariya Vishwa Vidyalaya. With her innate qualities, she is blending Spiritual Dimension with Modern Management philosophy. She is a practical example of Applied Spirituality. She was awarded the "Hall of Fame" by the Public Relations Council of India in 2012. In September 2019 she was awarded with the prestigious G.O.D award in Los Angeles, USA. She has been invited to impart systematic Self Managing Leadership courses for high ranking executives and management staff by various industrial groups including General Electric (Hong Kong), Thai Rayon Company (Thailand), Pan Edible Oils (Malaysia), DRDO, Bharat Heavy Electrical Ltd., Tata Iron and Steel etc.

Research Centre
Tonk Road, Jaipur-302022

3. BK Suraj

Rajyogi Bramha Kumar Suraj is a senior yoga meditation teacher who has given countless national & international sessions on stress-free lifestyle, life management, mind management and use of meditation in daily life. His own life is a practical example of what he teaches. His specialty is to give classes in many important and deep subjects relating to spirituality in a very simple, sweet and easy way. He has deep knowledge about

the Power of Subconscious Mind. Brother Suraj appeared on the television series 'Samadhan'. The series is based on solutions given to problems faced in daily life. He has guided many students to achieve good grades and success in life through spirituality and a positive state of mind.

4. Dr. Mohit Dayal Gupta

Dr Mohit D. Gupta currently works as Professor of Cardiology in GB Pant Hospital. Dr Gupta has a distinct achievement of getting more than 18 gold medals and 5 silver medals in his medical career. He is awarded young scientist of the year by association of physicians of India and recently awarded with Prestigious "Agra-Ratna " award for distinguished medical and social services to the society. Besides that he is Strong advocate of spirituality, Dr Gupta has been associated with Brahma Kumaris World Spiritual University from his childhood and practices rajayoga meditation daily. He has given more than 500 lectures and conducted symposiums all over the world.

PRINCIPAL
Jaipur Engineering College &
Research Centre
Tonk Road, Jaipur-302022

5. Devi Chitralekha

Devi Chitralekha is a popular Indian spiritual Saint, Bhagwat preacher, and motivational speaker. She is one of the youngest spiritual saints in India and honoured by "World Book of Records" for being the youthful Bhagwat preacher. So far Deviji has disseminated the "Name of God" in many areas of India through her Sankirtan Yatra are like Bihar, Haryana, Delhi, Utrakhand, Madhya Pradesh, Uttar Pradesh, Rajasthan, Nagaland, Punjab and mostly in entire Gujarat and apart from that Deviji has delivered discourse in foreign countries like U.K. , Africa and the USA (Florida, Texas, Washington D.C., Maryland, New Jersey, New York, Indiana, Boston).

6. Dr. EV Swaminathan

Dr. EV Swaminathan is a trainer, counsellor and consultant with a clear focus on creating a value based society. He is an engineering and management faculty and gives training on emotional engineering, empathetic communication, concentration and memory enhancing and work efficiencies. He has also appeared on several television talk shows which are being aired on Awakening and Peace of Mind channels.

7. BK EV Gireesh

BK EV Girish is a Dynamic Trainer and Counsellor with passion for excellence and creativity. With an experience of more than 14 years he is well-known for his unique style and ability to inspire people. He has taken training programs at various institutes including ISRO - Indian Space Research Organization, NPCIL - Nuclear Power Corporation of India Ltd, IITs, NID (National Institute of Design), Indian Army,

L&T, ICAI, ICSI, Tata Motors, TCS, Accenture, Infosys, Cipla, Zydus Research Laboratories, Tata Power etc.

8. Balakishore

Bala Kishore is an engineer and Professional Certified Coach. He has been associated with the IT industry since 1994. He has been a meditation practitioner for the last 23 years. He holds many awards and recognitions to his name including British Chevening Scholarship in 2001. Currently, He is the Vice President of Transformation, SEARCE Technologies. For the last fifteen years he has been sharing deep knowledge through lectures on various topics related to mind, medicine, motivation and spirituality. He has taken sessions at Facebook Mumbai, Infosys, TCS, BOSCH, DST etc.

9. Sister Chandrakala

Brahma Kumari Chandrakala is a director of Rajyoga Retreat Center at Vaishali Nagar, Jaipur. She coordinates more than 40 Rajyoga Meditation Centers in and around jaipur. She is gifted with higher levels of consciousness and has attained deeper stages of yoga. She was honoured with "PR Hall of Fame by the public relations council of India", in 2019. She had extensively travelled in India & abroad (Europe, Asia & South Africa) for conducting and facilitating various seminars on spirituality for people to practice in their daily lifestyle.

Jaipur Engineering College &
Research Centre
Tarak Road, Jaipur-302012

10. Mr. Suresh Oberoi

Suresh Oberoi is an Indian character actor and politician. He is a recipient of the National Film Award for Best Supporting Actor. He started his career in radio shows, modelling and later moving to Bollywood, making him a popular character actor in the 1980s and much of the 1990s. Oberoi Ji was active in sports. He was a Tennis and swimming champion, later winning the President's Award as a Boy Scout. He has made over 135 films.

Oberoi ji has acted in the television shows Dhadkan and Kashmir and hosted Jeena Isi Ka Naam Hai. But the role that fits him best is as presenter of the TV show, Awakening with the Brahma Kumaris. As he quizzes and questions Sis. Shivani, the young and wise representative of the Brahma Kumaris, his own interest and knowledge of spirituality seems impressive. It certainly highlights that Sir, a former actor, is both a sincere and seasoned student of spirituality. And it has influenced his dealings with others.

11. Dr. Suresh Gupta

Dr. Suresh Gupta, who is a senior professor (Psychiatry), Psychiatry Centre & SMS Medical College , Jaipur. He offers some advanced treatments for diseases like Depression, Phobias, Anxiety Disorders, Bipolar Disorders, Schizophrenia, Mental disorders, Alcoholism, Obsessive Compulsive Disorders (OCD), etc. He is one of the most trusted doctors in Jaipur. He has numerous successful treatment cases registered in his name.

The inaugural ceremony commenced in the presence of a group of dignified persons - Honored Guest Shri Sandesh Nayak ,IAS, Professor R.A. Gupta, Honorable Vice Chancellor Rajasthan Technical University, Kota, Professor V.K. Chandna, Principal JECRC, Mr. Mukesh Agarwal,CEO RTBI-JECRC, Dr. B. D. Gidwani FDP Coordinator-RTU, Ms. Chitra Khandelwal FDP Coordinator- JECRC and the session host Dr. Vinita Mathur.

Dr. Vinita Mathur started the session by giving a warm welcome to all dignitaries and the participants.

- Prof. V.K. Chandana delivered a welcome address to all the dignitaries and the participants and gave insight about the five days FDP programme. He also told the audience that JECRC is continuously making efforts in mental, emotional and spiritual development of students and teachers through its Spiritual Research Cell which is a unique thought lab of its own kind. He invited everyone to visit the thought lab at JECRC and requested everyone to utilize their valuable time by attending all the sessions during the FDP.
- Professor R.A. Gupta expressed that:
 1. Person needs to be free from stress and anger, not manage it.
 2. He gave some important keys for successful life -
 - Discipline
 - Hygiene
 - Concentration
 - Politeness
 3. He said that this program is very useful for the participants because in this pandemic time covid -19, stress & anger due to digital platforms, less social interaction between friends, colleagues, teachers etc.
 4. The way to free ourselves from stress & anger, we need to cut the root cause of stress & anger.

PRINCIPAL
Jaipur Engineering College &
Research Centre
Tonk Road, Jaipur-302022

Summary of all the sessions

How to become positive personality (15th December)

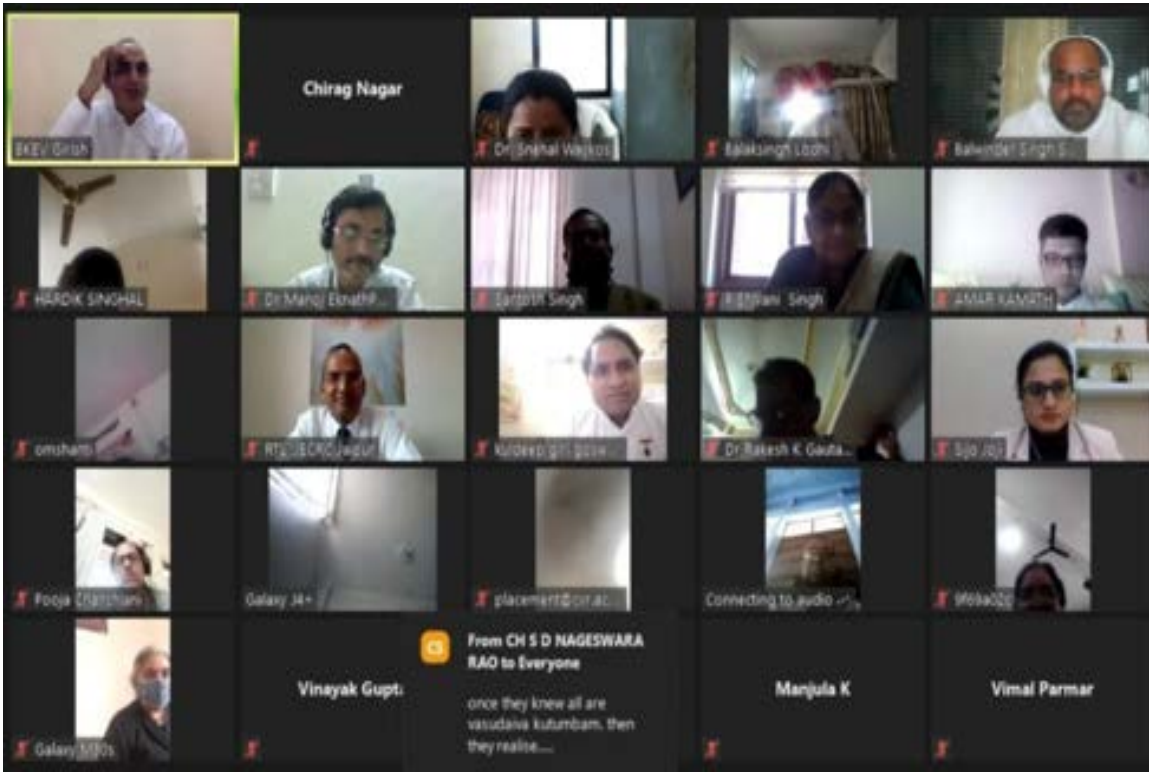

Regulation of stress and anger is a need of the present scenario. There is a need of stress and anger free life. The second session of the FDP on December 15, 2020 revolved around the above stated need of the current time. The session was presented by BK EV Gireesh on the topic 'How to become a positive

personality' in which he shared relevant ways to increase positivity in our lives.

- We should be polite when someone gets angry with us.
- We should create good thoughts inside us when nothing outside is going according to our will.
- We should never use negative words like don't, never, nor in our lives otherwise as they make us negative.
- Leading by influence is important and this influence should be in a positive direction which should be casted by positive values like love, respect and a beautiful relation between the leader and the team, teachers and the students. This type of influence accepts and respects the qualities and abilities of others. Let them use their power to discern what is right and what is wrong and make them feel more connected, which brings the best and every one allowing them to improve and grow simultaneously.
- We need to bring patience in our life .There are most cases in our life where we can avert the wrong situation only by keeping patience.
- Be ready for challenges because a smooth sea never made a skillful sailor.
- We should try to add peace, help, punctuality, discipline, integrity, love, Forgiveness and coordination in our life

PRINCIPAL
Jalpur Engineering College &
Research Centre
Tonk Road, Jalpur-501002

Besides that he gave us a formula by which we can think positive or convert negativity into positivity.

Formula of positivity = I + good word +situation

This formula not only converts the situations but also makes our mind positive. At the end, according to this formula he gave 0 marks for facts,-1 marks for negative words and +1or +2 marks for positive words to the question that was given by him.

Mind Management (15th December, 2020)

The third session of the First day of FDP on 'Stress Anger and Management' was addressed by Dr. Avdesh Sharma on the topic 'Mind Management'

He started the session by explaining about the Mind. Mind: - Minimal information naturally developed & maximum information naturally declined. He then gave the right definition of

experience. Experience is not what happens to you it is what you do with what happens to you.

Four signs of stress are:

- Physical: - breathlessness, dry mouth, sweating, tense muscles, dizziness, palpitations.
- Mental:-Irritability, poor concentration, confusion, Indecisiveness, forgetfulness, irrational.
- Emotional: - touchy, anxious, suspicious, hopeless, guilty, insecure.
- Behavioral: - withdrawal, overeating, restlessness, nail biting, sleeplessness.

Mind management: It does not mean control or suppression but natural flow of mental characteristics towards optimum utilization under guidance of consciousness. He advised to practice meditation regularly for 20-45 minutes (once/twice per day), all meditation produces is relaxation.

Dharmic stress management:

- Unconditional love
- Forgiveness & compassion
- Soul consciousness & egoless functioning
- Empathy & universal respect
- Awareness of karmic patterns and world drama
- Selfless service

The process of change starts with an individual like a drop in the ocean which when reaches a critical mass, creates a social movement towards stress free, self-actualized individuals in a stress free, self-sustaining society. We are spirit materialized, engaged in spiritualizing matter.

Research Centre
Tonk Road, Jaipur-502002

Power of Subconscious Mind (16th December, 2020)

The First session of the Second day of FDP on 'Stress Anger and Management' was addressed by Rajyogi BK Surya on the topic 'Power Of Subconscious Mind'.

1. First of all he said problems like stress & anger come in weak minds and the best solution for

this, we use our power of mind.

2. We have 90% of our power of mind, residing in the subconscious mind.
3. He then added lot of things about the subconscious mind -
 - The subconscious mind is the powerful secondary system that runs everything in our life.
 - The subconscious mind is a data bank for everything, which is not in our conscious mind.
 - It stores our beliefs, previous experience, memories, skills, habits.
 - Everything that we have seen, done or thought is also there.
 - Our subconscious minds have more healing power at night.
 - Our subconscious mind is active 10 minutes before going to sleep & after 10 minutes of wake up.

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302022

4. The last thought of the day is the first thought of the next day so, we need to take attention to this thought.
5. Faith is a state of mind, which may be induced or created, by affirmation or repeated instructions to the subconscious mind.

Self-Awareness for Stress Free Life (16th December, 2020)

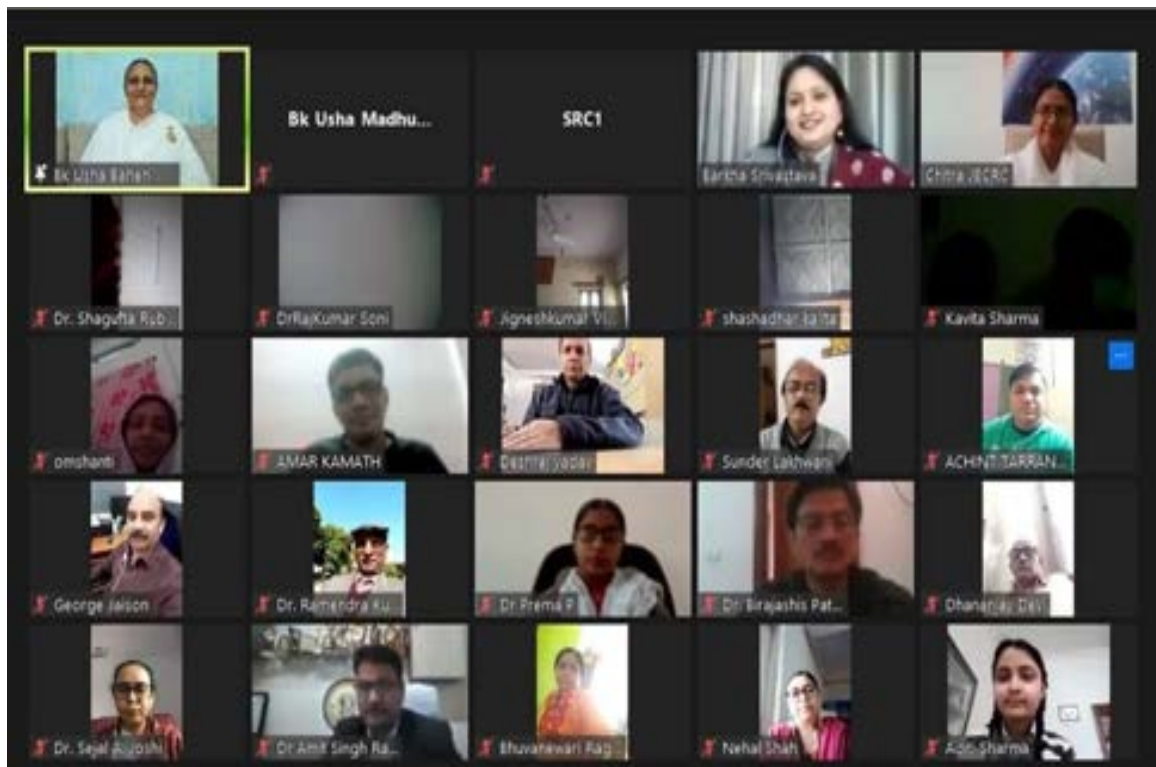

The second session of the second day of FDP on 'Stress and Anger Management' was addressed by Sister Usha on the topic 'Self-awareness for Stress Free Life'. The event started at 12 o'clock

- First of all she told 3 ways to improve emotional immunity and to cut the root cause of stress & anger -
 - (1) Nourishment: - Attention what we watch, listen and read.
 - (2) Meditation for rest.
 - (3) Practice positive thinking.
- Stress = pressure / internal strength

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302022

- Rajyoga helps us to avoid stress & anger. We can get the following benefits by Rajyoga
 - (1) Maximize the work efficiency
 - (2) Balance in physical & spiritual life
 - (3) Learn science of self-discipline & patience
- She discussed the seven qualities of the soul which are very important for internal strength : Purity, Spiritual knowledge, Peace, Unconditional love, Happiness, Bliss Power
- Benefits of charging the soul battery are :-
 - (1) We are able to change the situations.
 - (2) We are able to change the mentality of other people.
 - (3) We are able to change the environment.
- Spirituality neither teaches us to shut up nor quarrel.
- You will become what you think.

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Torik Road, Jaipur-302002

Sixth Session (16th December, 2020)

The Third session of the second day of FDP on 'Stress and Anger Management' was addressed by BK EV Gireesh on the topic 'Science of Happiness'. The event started at 2 o'clock.

He started his session by asking a question - 'How to be happy?' and started giving the answer step by step. First of all he cleared the difference between pleasure and happiness and gave some definitions of positive psychology, mental health and mental wellness. He stated that we should not wait for happiness but it should be cultivated. It's totally up to us whether we remain always happy or something else. Then he gave three equations to become happy:

Equation 1:- whatever can happen around me, can be determined by somebody else but whatever happens within me, only one person should decide (myself)

Equation 2:- I who thought that I have complete control of my life, realized that I can control only three things...

- Thinking
- Feeling
- Doing

Equation 3:-

- Be happy
- Doing the things with happiness
- Get the peace (happiness)

After it he stated that Meditation helps us in creating this positive and powerful thought process. This is a beautiful and peaceful journey of understanding the true knowledge of the self that we are a peaceful, living, perceiving, knowing BEING who is in a body and we are the master who chooses what to think and what not to think, what to do and what not to do.

At the end of the session, he guided the participants to experience the true self through meditation and feel the peace and power within.

PRINCIPAL
Jaipur Engineering College &
Research Centre
Tonk Road, Jaipur-302022

Then after the Q&A round Ms Anima Sharma gave a thanking note to the speaker.

Seventh Session (17th December, 2020)

The first session of the third day of FDP on 'Stress and Anger Management' was addressed by Sister Usha on the topic 'Meditation for increasing inner stability'. The event started at sharp 10 am. Event Curator Dr. Barkha Shrivastava welcomed the speaker and all the participants and handed over the board to the spokesman

Sister Usha. In that session Sister Usha gave an introduction about meditation (Yog) and about god. She stated that meditation (Yog) means to develop a relationship between soul and supreme soul. It is only possible when we connect ourselves with God. Meditation means to heal ourselves from within. It provides inner stability. She said that it is necessary to believe in one god but...

Who is GOD?

What is the real truth?

Then she explained that whoever has these five qualities is GOD.

These five qualities are:-

PRINCIPAL
Jaipur Engineering College &
Research Centre
Tonk Road, Jaipur-302022

- Who is universally accepted by all religions as GOD
- Supreme authority
- Omniscient
- Infinite in all values and powers

After seeing every religion we concluded that in every religion, GOD is described as a supreme light. The Supreme (GOD) is the father of all the souls. In Islam Prophet Muhammad also said that GOD (Allah) is one. In Christianity, Jesus Christ said that GOD is light, I'm son of GOD. Guru Nanak ji, Buddha, Mahaveer ji all described GOD in the form of light. Then she said prayer means saying to GOD but meditation means listening to GOD. With the help of meditation we can charge our soul. At the end of the session he guided the participants to experience themselves through meditation and feel the peace and power within. After the Q&A round, Dr. Bharka Shrivastava gave a thanking note to the speaker.

Eighth Session (17th December, 2020)

The second session of the second day of FDP on 'Stress and Anger Management' was addressed by Devi Chitralekha ji on the topic 'Enjoy the journey'. The event started at sharp 12 o'clock. Moderator Mr. Mukesh Agarwal welcomed the speaker and all the participants and handed over

the board to the spokesman Devi Chitralekha. She started her session very politely by remembering God. Some of the beautiful points of her session are given below -

- We should not collect waste in our mind.
- It's totally up to us whether we accept anger or not.
- Parents must first change themselves to teach the same to their children.
- To destroy unwanted pride, we should see people bigger than us.
- We must meditate to protect ourselves from negativity and to make a connection with supreme (God).
- Be happy and make others happy in every situation of life.

Then she gave some tips to be free from stress and anger -

1. Eat and sleep at the proper time.
2. Clean negative data (negative thoughts) from your mind before going to sleep.
3. Make good people as friends so that a good environment is built around you.
4. We should not expect anything from anyone.

These points touched everyone's heart. At the end, Mr. Mukesh Agarwal invited her to visit Rajyoga Thought Laboratory at JECRC, Jaipur.

Ninth Session (17th December, 2020)

The third session of the third day of FDP on 'Stress Anger and Management' was addressed by Dr. BK EV Swaminathan on the topic 'Overcoming Academic Stress'. The event started at 2:00 o'clock on Zoom platform.

Moderator Mrs. Anima Sharma welcomed the speaker and all the participants and handed over the board to the spokesman BK Swaminathan. He addressed the audience which consisted of teachers, professors and doctors from various cities of the country and shared his views upon the topic.

He said that a teacher should know how to teach and when to teach because the content is not that much important as the flow of energy is. He also shared the importance of happiness that if we are happy we will definitely become successful. So, to live a healthy and happy life we must include good things in our lifestyle such as:

- Physical exercise
- Meditation
- Balance diet

Some other points that he shared are:

- Whenever we feel sad or things are not going according to us, we should take a pause and take a break to introspect and analyse whether we are on the right track or not.

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302022

We should connect ourselves with nature, happy people and feel blessed about what we have.

- Stress= Outer Pressure / Inner Coping Abilities.

We cannot control what is happening around and with us i.e., Outer pressure but we can surely control what happens within us i.e., Inner Coping Abilities.

- To increase our inner coping abilities add good things like meditation, physical exercise, etc in our lifestyle to make it a healthy one and create big changes after some period of time through simple, small and sustainable changes.
- Mind your MIND because MIND matters.
- We should increase our reaction time and emotional intelligence.
- Strong and powerful mind creates powerful thoughts, emotions and attitudes. For it, the quantity of thoughts must be low and quality of thoughts must be high.

After it he stated that he had never seen such a lab which works upon thoughts in any college as Rajayoga Thought Lab. He was really impressed with its idea. Then he ended the session with a story of Arjun and bird's eye and left a question for the audience to answer in the next session: What does it signify when Arjun said he saw only the bird's eye?

Tenth Session (18th December, 2020)

The First session of the Fourth day of FDP on 'Stress Anger and Management' was addressed by Dr. BK EV Swaminathan on the topic 'Techniques of concentration'. Mrs. Anima Sharma welcomed everyone to continue the whole journey and handed over the board to Dr. BK EV Swaminathan.

- He started the session by explaining the importance of EQ (Emotional Intelligence).
- He then added further that we must 'Forget Learning, Learn Forgetting' to manage our thoughts.
- Sleep is the best gift of nature. When we sleep our brain's state reaches a delta level in which the quantity reduces and the quality can be improved by doing meditation.

So, proper sleep along with meditation is good for our mind which becomes strong and powerful.

- Then he told the secret of making one's mind his best friend. He said that our mind communicates by images. So, we should add some alternative positive words every time in our thoughts to make them elevated which heals us by infusing positivity in the language of our mind.
- At last he disclosed the solution of Arjun and bird's eye story's question asked by him in the previous session. He explained that it signifies the beautiful, powerful thought management by Arjun whose thoughts were actually focused upon the target only. And that is what the true concentration is.

Then everyone meditated for a few minutes under his guidance and experienced the power of high quality thoughts.

Eleventh Session (18th December, 2020)

The second session of the Fourth day of FDP on 'Stress Anger and Management' was addressed by Dr. Mohit Gupta on the topic ' Emotional Quotient". Dr. Mohit Gupta's Session was divided into three parts:-

1. Preventive measures of stress and anger
2. Digital detoxification
3. What is use of meditation
1. Preventive measures of Stress and Anger:-

In this part he added following points -

- People, situations, memories, and the future should not affect our life.
- Only 10% of our life is what happens to us and 90% is How we react to it.
- Life is all about balance -what to hold on and what to let go.
- We should have the ability to convert challenges to opportunities.
- We can reduce stress and anger by changing our perspective towards situations and adding calmness in our life.

PRINCIPAL
Jaipur Engineering College &
Research Centre
Tonk Road, Jaipur-302022

- How do I check the stability of my emotions?

By asking some questions to ourselves, we can check it:-

1. Do I get stressed easily?
2. Do Anxiety and overthinking dominate?
3. Do I Hold grudges: don't let go?
4. Do I Blame others?
5. Do I get offended easily?
6. Do I make assumptions quickly?
7. Do I often feel misunderstood?

If the answers to most of these questions is YES, then it shows lower inner stability.

Twelfth Session (18th December, 2020)

The third session of the Fourth day of FDP on 'Stress Anger and Management' was addressed by Dr. Suresh Gupta on the topic ' Stress and Anger '. What is stress? What is the root cause of stress? What is the impact of stress? Who is, who are stressors? The session started with

these questions and then he explained all the answers very well. He stated that stress is not a disease but a problem that can be cured easily.

Types of stress are:

- Moderate
- Severe
- Mild

Some of the stressors in our life are:

- Daily life
- Life events
- Psychological
- Environmental

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302022

- Physical

Impacts of stress are:

- Physical
- Emotional
- Behavioral (drug, impulsive actions)
- Cognition (memory less, hopelessness, suicide)

Then he gave three advices for management of stress

- Acceptance
- Modify According to the situations

It contains many things like:

- Sleep (6 to 8)
- Balanced diet
- Exercise (40-45 min)
- Meditation, yoga
- Relaxation exercises (hobbies)
- Increase communication with your family
- Avoid addictions (mobile, drugs, alcohol etc.).
- Believe any religion or any positive power in the universe.
- Add humor in your life.

Then he came to Anger, he said that Anger has two major reasons:

1. Misbehavior by people/ abusive.
2. When things are not going according to our will.

Then what should we do?

- Think positive
- Understand the situation comprehensively
- Patience
- Control your reaction

After the Q&A round, Mrs. Richa Sharma gave thanking note to the speaker

 Research Centre
 Tonk Road, Jaipur-302002

Thirteenth Session (19th December, 2020)

The First Session of the Fifth day of FDP on 'Stress Anger and Management' was addressed by Sister Chandrakala on the topic ' Powers for Adapting to a New Ecosystem '.

1. Leaders need to know “where they are heading & what they stand for.”

2. What lies behind us and what lies

before us are small things, when compared to what lies within us.

3. She explained the various powers which are the best solutions for stress & anger.

(1) Power of focus and concentration :-

Focus on things on which you have direct control rather than to blame circumstances.

(2) Power of determination :-

Nothing great will ever be achieved without great men and men are great only when they are determined to be so.

(3) Power to remember and forget :-

(a) “Often in life we forget the things we should remember and remember the things we should forget.”

(b) Power to forgive is the key to forget negativity.

(4) Power to manage:-

Management = manage men

Manage men = manage me

“Manage me” is the first key for management.

(5) Power of balancing

(6) Power of communication

(7) Power to protect happiness and enthusiasm:- Happiness is not the absence of problems but it's the ability to deal with them.

(8) Power of good wishes:- True benefactor is one who shelters others by the power of his good wishes irrespective of the person next

PRINCIPAL
Jaipur Engineering College &
Research Centre
Tonk Road, Jaipur-302022

(9) Power of silence:-

- (a) Speech is silver & silence is golden.
- (b) Silence is one of the great arts of conversation.

Fourteenth Session (19th December, 2020)

The second session of the Fifth day of FDP on 'Stress Anger and Management' was addressed by Mr. Suresh Oberoi. This session was a question and answer session. Mr. Mukesh Agarwal, Head, Rajyoga Thought Laboratory, JECRC moderated this session. Shri Amit Agarwal, Chairman,

JECRC University shared the welcome address.

We received around 500 questions from the participants to be asked, but due to the short span of time following questions were selected:

Q1. Why did you choose spirituality over Bollywood's glamorous life?

Ans. He said that I traveled all over the world but I didn't get peace anywhere else .I got only stress, anger, tension etc. but when I chose spirituality I got peace. Actually peace is the real form of every soul. By choosing spirituality I didn't abandon Bollywood I only met my real form.

Q 2.Many time we walk in spiritual path but people don't change so where do we change?

Ans. When we change one day everything changes automatically. We should connect with God .You should focus on yourself rather than people.

Q.3 In this world everyone is running towards money, fame, name, etc when we will run?

Ans. Everyone is running, they think that happiness and peace hide in these materialistic things. No matter how much they run but they will not get happiness and peace. They will get peace and happiness only when they make connection with the Supreme Father.

Q.4 Is perfection increasing stress?

Ans. Perfection is death. It depends on our point of view. We make our false portrait.

In universe God is only perfect.

Q.5 What is the impact of food on our life?

PRINCIPAL
Jaipur Engineering College &
Research Centre
Tonk Road, Jaipur-302022

Ans. Impact of food in our life is very high because whatever kind of food you eat creates your mindset .If you eat food full of negativity, fear, pain etc. then it will make your mindset negative .

Q.6 How do we end up being influenced by others?

Ans. We are influenced only when we like to be influenced by others. We should do meditation and should get influenced by God only.

Q.7 Why do we not recall the knowledge of what we listen to?

Ans.7 Because we do not repeat it. When we repeat something it goes into our subconscious mind and automatically those things come to our mind at the right time.

Q.8 How to control our emotions when we feel ill.

Ans. We should forget our past and think of ourselves as souls. We should only connect with God; Meditation helps us in this.

The session went flawlessly and participants enjoyed it very much. Mr. Oberoi Ji appreciated the efforts of JECRC for organizing this kind of event. At the end, Dr. V.K. Chandna, Principal

JECRC gave thanks to him and also invited him to the JECRC campus.

Fifteenth Session (19th December, 2020)

In this digital age, healthy use of technology is very much important. The fifteenth session of the FDP on 19 December, 2020 revolved around the above stated need of the current time. The session was presented by Mr. BalaKishore on the topic 'Digital Wellness' in which he shared relevant

and useful information about the preventive measures and the ways to achieve digital wellness.

- He stated Brain is the excellent filter and attention is its gate.
- Attention is the key for creating neural circuits and this property of the brain to create neural circuits is called Neuroplasticity.
- He showed that the neural circuits formed due to internet addictions, social media addictions, etc cause mental and physical problems.
- Continuous sitting, improper food habits also affect our wellness.
- He provided some preventive measures like-
 1. Switching off unwanted notifications.
 2. Sitting less, moving more.
 3. Doing physical exercise.
 4. Eat right, eat less and live long.
 5. Sleep is not waste. Sleeping more is required in this Digital age.

He also shared the key to digital wellness - Meditation. After it some questions of participants regarding digital wellness were answered and then the session ended by a 2 minutes meditation session.

Title of this session is wonderful. Before joining the session most of the time I used to be stressed, short temper after joining that I came to know how to control our anger and stress. I will definitely do meditation. Really these sessions were very helpful and inspiring. Thank you so much.

Anand shedge , Mumbai

Thank you so much to all the team members, very good topic. I enjoyed all the 5 days FDP sessions, all the speakers were very fantastic. Thank you RTU Kota and Rajyoga thought lab.

Amar Singh

I first of all like to thank the organizers of this program and I would like to share my experience had to quit my job because of my own problem of stress and anger and because of this I had filled with negative thoughts. Somehow this session came to me and I attended all sessions. Now I really feel happy and enlightened and now I try to keep my emotions in my control so thank you so much and good wishes for your future programs.

Suresh Padmanaban , Chennai

The program was wonderful, it is totally different, the topic is different. Wonderful experience earned from this program. The only one problem is language because I lived in the South so it was hard to understand Hindi. Overall sessions were very good and useful.

Anju Pramod Dubey

Last time I couldn't completely attend your previous sessions because of some reasons. That's why this time I decided that I'm definitely going to take out time and I attended. I feel very fortunate and happy that I had been a part of this and every session was so enlightening. Thank you so much to your managing team.

Swot Analysis

STRENGTHS

- We were able to generate a path between inexplicable speakers and a diverse audience.
- People worldwide were connected online.
- A vibrant wave of awareness was created by the speakers imparted into the audience.
- Feedback comments from participants

WEAKNESS

- The promotion could have been started before involving more registrations.
- The audience was comfortable with different languages that might have been a little discomfort.

OPPORTUNITIES

- We are planning to conduct sessions to a broader level internationally.
- The overwhelmed participants are sharing a huge wave of awareness to enhance this globally.

THREATS

- The online sessions are accustomed to experience digital threats.
- There is a chance of misuse of technology.

Recommended Actions

A measure of concern and handling threats digitally has to be maintained properly.

The sessions are to be held on a globally renowned and secure platform to avoid mishaps.

The issue of language as a barrier for a diverse audience worldwide needs to be considered on priority.

Follow-up Event

On the last day of FDP on Stress and Anger Management a 10-days Meditation Course was announced by Spiritual Research Cell, JECRC. The course started on December 21, 2020 and ended on December 30, 2020 with the objective to help people learn how to meditate and inculcate peace and happiness in their life. Total 518 participants registered in both the courses. Feedback of FDP shows that, to solve the language discomfort due to audience from varied regions of the country the event was organized separately in the English and Hindi language. The event successfully ended with over 100 active participants for 10 days

constituting 30+ members in meditation course in English and 70+ members in meditation course in Hindi. Everyone was grateful for the beautiful ending with lifelong learnings and practical applications through meditation course.
