ABOUT SUHASINI

Emerging with life's mantra -" A vision and mission to make a better place for girls to live in" , students of JECRC laid the foundation of SUHASINI on 24th January 2015 (National Girl Child Day).

Since its formation, the group is working actively and dedicatedly for the cause "BETI BACHAO, BETI PADHAO." To bring a change in the society for girls, Suhasini works in various domains and does survey and elimination of problems at villages through regular monitoring. The members make door-to-door visits to know the basic roots of the problem, in which sex ratio, information of school going children and their ratio, etc. are collected. Then a proper plan is devised for tackling the problem. This includes helping families complete their documentation, getting children admitted to schools and helping them develop various other skills. The team visits localities and schools of these areas on a daily basis. The members try and make the people understand the position of girls in society and that they are no less than boys and both should be provided with equal opportunities. The team also encourages women to come out of their walls of comfort and work instead. Suhasini counsels parents and tries to know their problems and to make them aware about various government schemes and policies for their growth. Awareness sessions at schools and Gram Panchayats are held regularly. The team works for the skill development of the people in villages too and provides them a proper stage to showcase their talents. Suhasini also organizes 'Story behind Red, an awareness campaign for menstrual health and hygiene wherein girls are educated about the importance of maintaining hygiene during menstruation. Conducted in various government schools and villages Team also organizes timely celebration on International Women's day, National Girl Child day , International day of Girl Child at college campus as well as in city areas and has performed

- NukkadNatak at various places like Shree Ram kiNangal, Janpath, Gaurav Tower, Jal Mahal, Amber Fort, City Palace and Albert Hall. More than 8000 people have been addressed so far by these urban area campaigns. The team is also very active on social media and organizes social media campaigns like Selfie with girl child, She My Strength, Dream I Can, She Will Achieve etc. In the journey so far, with the team efforts of 70 members, Suhasini has succeeded in connecting more than 8000 people from villages- Goner, Badika Baas, Shree Ram kiNangal,

Events:

1. Social Media Campaign Mum & Me 3:

About the event:

"Mother" - the purest form of love we will ever know, our biggest supporter and superhero but we usually don't tell them how special and appreciated they are.

Mother's day is that special time of year when we get to celebrate the person who brought us to this world and the person we always turn to when we need advice. This day is not only about the mother who gave you birth but for all the mother figures in your life who gave you selfless and unconditional love. Celebrate this day with your mothers and do your best you can by staying at your home and make her feel special.

On their special day, Team Suhasini wishes everyone a very Happy Mother's day.

3. Celebration of Women's Day (8th March 2021):

About the event:

To all the women who are the makers, the hustlers, the shakers and the movers,
To those who stand strong and when needed those who quietly move on
To those who bulid empires, move mountains, push boundaries, raise babies, make
memories and refuse to take no for an answer
You are the ladies paving the way for a new generation who are ready to play
Stand tall and Stand proud for all that you are
Because in this universe you are your own brightest star.
Team Suhasini wishes every women a very Happy Woman's Day.

In the offline mode, we celebrated the day with the female faculty members and the employees of our college, JECRC Foundation. They were awarded with the token of appreciation, showing our gratitude for their selfless contribution to society.

9. Impact on Society- Awareness session for women regarding the importance of good health, the roles played by Nutrition and Exercise and how to build up strong immunity

About the event:

Suhasini - 'An initiative to save the smile of girl child' organised a webinar on the topic "Futureproofing Your Health " on 12th June 2021 with an endeavour to provide health and food tips for future generation during these difficult times of Covid. The speaker for the session was Ms.Somya Gupta, Senior Nutritionist and TEDx speaker from the team RujutaDiwekar. It was attended by almost all the faculty members and students of JECRC Foundation. Ms. Somya Gupta talked about myths related to weight loss, fitness and health parameters like energy levels and much more. She cleared the doubts of attendees and myths we believe in. We thank Ms. Somyagupta for the wonderful session we had with her. And also, we are very grateful to Director ShArpit Agrawal sir for his constant support and motivation. Team Suhasini is indeed grateful to Principal, Prof. V K Chandana sir and all the attendees for coming and supporting us in our cause.

			students. IQAC advised to social coordinators to increase the number of such online activities and motivate each student to participate in at least one activity.
Overall, how is/was your experience in conducting the activity/social work?	0	100	The students showed enthusiasm and dedication while conducting the activities such as celebration of National Girl Child Day, International Girl Child Day, International Women's Day, Road shows etc. But due to pandemic this time offline activities were not possible. College encourages students to organize and participate in such activities and provide support in the form of online platforms where the students were able to realize the need and importance of social work in virtual mode. IQAC appreciated the management and advised the social coordinators to take care in every aspect while conducting these activities in online mode.
How much do you rate the outcomes of the activity/social work?	0	100	The social activities conducted at JECRC aims at developing human potential to its fullest extent by not only encouraging the students to take such social causes but also helping the deprived and needy sections of the society. IQAC advised the social coordinators to include more such activities in the near future.
Would the skills acquired during the social work help in placement?	0	100	The students appreciated the social activities at JECRC which has help them in developing their leadership skills, team building capacity. IQAC advised the social coordinators to involve more students in such activities online as well as offline and motivate each student to participate in at least one activity as a team leader or team member thereby offering opportunities for interaction between academia and industry.
How effectively does the social activity done by the group address the needs of the society?	0	100	Students appreciate the education campaigns and different online events through which they are able to give their message to the society thereby connecting more people with the cause. With this, students of JECRC not only involved in
