"SYMPOSIUM 2021" A Virtual Alumni Meet

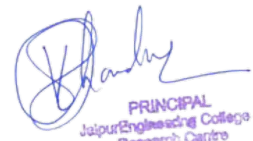

The months of May-June was a roller coaster ride of emotions and happiness, as we embarked on our Global Virtual Alumni Meet 'SYMPOSIUM 2021'. A delightful journey of four Chapters, that started with Chapter 1 on 2 May 2021, with the senior-most batches and ended on 6 June 2021, with recent batches came together to share their experiences and stories. This one was special for yet another reason as JECRC Foundations marked its 21st Anniversary. Alumni from the different time zones and demography came to celebrate the 21 years of excellence.

Our alumni dived into the pool of memories along with their friends and faculties and cherished the days of utter happiness and joy. We were pleased to take a trip down memory lane with our alumni and exchange memories.

CORDS - Mentorship Program

An all new initiative designed with the intention to help the upcoming generations of JECRC. Duration of this program would last for three months.

In the program, students from 3rd year would learn from the ones who have been in the same boat and have now positioned themselves in the topline leadership at various organizations.

The banner features a dark background with a yellow border. At the top right is the JECRC Foundation logo. The main text 'CORDS' is in large yellow letters, followed by 'JECRC Alumni Association' and 'A VIRTUAL MENTORSHIP PROGRAM' in a yellow box. Below this is the JECRC Alumni logo, which is a shield divided into four quadrants: top-left (book), top-right (graduation cap), bottom-left (globe), and bottom-right (network of people). The text 'JECRC ALUMNI' is written across the shield. At the bottom, the text '...and the legacy continues' is displayed in white, with 'legacy' in yellow. The background of the banner shows a large, modern building with a central entrance and multiple windows.

Re-Mind

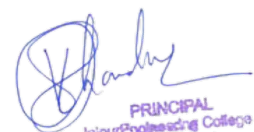

Words are like leaders, they act distinctly in different situations. Words lead to definitions, create ideologies and shape a cluster of thoughts and that is why *wordsworth*. In our new series **Re-Mind**, we'll be bringing some words of illusions with different conclusions.
