

Periodical plans and strategies for administrative and academic activities are framed at various level such as Governing Body , Director , Heads of Departments etc. and the same are implemented effectively .

All the mandatory academic and administrative bodies are constituted as per rule and functioning effectively and efficiently for smooth running of institute. Administrative and academic set up is well defined . Service conditions and rules for teachers and other technical staff are well defined and notified by management.

Employees benefit like leaves, maternity leaves , provident fund, appraisal based increments etc. are being provided. For teaching and non-teaching staff members, a performance-based appraisal system as prescribed by the management and head of the institution is in place. Students feedback is being regularly taken and necessary corrective measures are being taken.

An external financial audit is carried out by the Chartered Accountant (CA) for transparent and proper utilization of funds. Institute is mobilizing funds from various type of fee , donations and loans etc. and utilizing the resources for physical and academic development of the institute as per rules and prescribed procedures . IQAC is well established and actively running .It has contributed significantly to institutionalizing the quality assurance strategies and processes periodically through practices of framing of Course Outcomes (COs) , Program Outcomes (POs) , evaluation of Course Outcomes and attainment matrix etc. and other procedural training and monitoring .

The periodical review of teaching learning process, structures and methodologies of operations and learning outcomes etc. is being done through IQAC of the institute. Faculty Appraisal is also useful for the same .
