ABOUT SUHASINI

Emerging with life's mantra -" A vision and mission to make a better place for girls to live in" , students of JECRC laid the foundation of SUHASINI on 24th January 2015 (National Girl Child Day).

Since its formation, the group is working actively and dedicatedly for the cause "BETI BACHAO, BETI PADHAO." To bring a change in the society for girls, Suhasini works in various domains and does survey and elimination of problems at villages through regular monitoring. The members make door-to-door visits to know the basic roots of the problem, in which sex ratio, information of school going children and their ratio, etc. are collected. Then a proper plan is devised for tackling the problem. This includes helping families complete their documentation, getting children admitted to schools and helping them develop various other skills. The team visits localities and schools of these areas on a daily basis. The members try and make the people understand the position of girls in society and that they are no less than boys and both should be provided with equal opportunities. The team also encourages women to come out of their walls of comfort and work instead. Suhasini counsels parents and tries to know their problems and to make them aware about various government schemes and policies for their growth. Awareness sessions at schools and Gram Panchayats are held regularly. The team works for the skill development of the people in villages too and provides them a proper stage to showcase their talents. Suhasini also organizes 'Story behind Red, an awareness campaign for menstrual health and hygiene wherein girls are educated about the importance of maintaining hygiene during menstruation. Conducted in various government schools and villages Team also organizes timely celebration on International Women's day, National Girl Child day , International day of Girl Child at college campus as well as in city areas and has performed

- NukkadNatak at various places like Shree Ram kiNangal, Janpath, Gaurav Tower, Jal Mahal, Amber Fort, City Palace and Albert Hall. More than 8000 people have been addressed so far by these urban area campaigns. The team is also very active on social media and organizes social media campaigns like Selfie with girl child, She My Strength, Dream I Can, She Will Achieve etc. In the journey so far, with the team efforts of 70 members, Suhasini has succeeded in connecting more than 8000 people from villages- Goner, Badika Baas, Shree Ram kiNangal,

Events:

1. Social Media Campaign Mum & Me 3:

About the event:

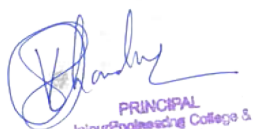

"Mother" - the purest form of love we will ever know, our biggest supporter and superhero but we usually don't tell them how special and appreciated they are.

Mother's day is that special time of year when we get to celebrate the person who brought us to this world and the person we always turn to when we need advice. This day is not only about the mother who gave you birth but for all the mother figures in your life who gave you selfless and unconditional love. Celebrate this day with your mothers and do your best you can by staying at your home and make her feel special.

On their special day, Team Suhasini wishes everyone a very Happy Mother's day.

2. WEBINAR ON THE OCCASION of Women's Day

1. Name of the activity- **"Women in leadership: Achieving an Equal Future in a Covid-19 World"**
2. Date: on 7th March, 2021 from 11:30 am to 12:30 pm.
3. Number of beneficiaries' registered- 450+
4. Number of Beneficiaries participated during session- 250+
5. People participated from- Different universities and college of Rajasthan
6. Venue- Online Zoom Platform
7. Resource person- **Ms. Swati Meena Naik, IAS (Director, Department of Women and Child Development, Madhya Pradesh)**
8. Impact on Society- Awareness about women empowerment and message of Gender equality

About the event:

Suhasini is a social initiative of the JECRC foundation which works to save the smile of the girl child. We work in 8+ villages and 10+ government schools connecting more children to mainstream education. One of the main events of our group is international women's day, which is celebrated on, 8th March every year.

This year it was celebrated through two modes one is online, and another is offline. We organized a webinar on the theme "Women in leadership: Achieving an Equal Future in a Covid-19 World" on 7th March 2021. Ms. Swati Meena Naik, IAS (Director, Department of Women and Child Development, Madhya Pradesh) was the guest speaker for the webinar. The speaker deliberated on awareness about women empowerment and message of Gender equality.

3. Celebration of Women's Day (8th March 2021):

About the event:

To all the women who are the makers, the hustlers, the shakers and the movers,
To those who stand strong and when needed those who quietly move on
To those who bulid empires, move mountains, push boundaries, raise babies, make
memories and refuse to take no for an answer
You are the ladies paving the way for a new generation who are ready to play
Stand tall and Stand proud for all that you are
Because in this universe you are your own brightest star.
Team Suhasini wishes every women a very Happy Woman's Day.

In the offline mode, we celebrated the day with the female faculty members and the employees of our college, JECRC Foundation. They were awarded with the token of appreciation, showing our gratitude for their selfless contribution to society.

Respected all
Greetings of the day

Covid-19 pandemic has affected women more profoundly than men in several areas, both at the workplace (especially in the health workload due to lockdown and quarantine measures).

Abhyudaya Team Suhasini is organizing a webinar on "Women Health amid Covid 19" on 22nd May, 21 from 3:30 pm onwards. I am a Dietitian, Nutritionist, Fitness enthusiast and Wellness Coach with several years of experience. She is the founder of Power Fitness In and helps them in achieving their fitness goals.

As a team member, I kindly request all to motivate the female staff and students to be a part of the webinar and grace us by their esteemed presence in the healthy discussion.

Team Suhasini is inviting you to a scheduled Zoom meeting.

Topic: Women Health amid Covid 19

Time: May 22, 2021 03:30 PM India

5. Recruitment Drive (Online): (31st May & 1st June)

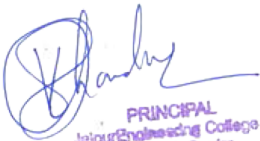

Everything is still on halt. The only way which is connecting all of us is the virtual way, the online medium. And this online medium has given us the way to expand our team, to have more hands working for our cause - the welfare of girl child, from education to creating awareness in society.

Finally, the time has come that we have been waiting for so long.

Team Suhasini- an initiative to save the smile of girl child is thrilled to announce that " we are recruiting ". Yes! you read it right. It's finally the time when you can be a part of our family, serve society with your pious role and nurture the talent you have. So, the door of opportunity is open to you all, just push the door, grab the opportunity and register yourself in the recruitment process.

9. Impact on Society- Awareness session for women regarding the importance of good health, the roles played by Nutrition and Exercise and how to build up strong immunity

About the event:

Suhasini - 'An initiative to save the smile of girl child' organised a webinar on the topic "Futureproofing Your Health " on 12th June 2021 with an endeavour to provide health and food tips for future generation during these difficult times of Covid. The speaker for the session was Ms.Somya Gupta, Senior Nutritionist and TEDx speaker from the team RujutaDiwekar. It was attended by almost all the faculty members and students of JECRC Foundation. Ms. Somya Gupta talked about myths related to weight loss, fitness and health parameters like energy levels and much more. She cleared the doubts of attendees and myths we believe in. We thank Ms. Somyagupta for the wonderful session we had with her. And also, we are very grateful to Director ShArpit Agrawal sir for his constant support and motivation. Team Suhasini is indeed grateful to Principal, Prof. V K Chandana sir and all the attendees for coming and supporting us in our cause.

E-backdrop:

The backdrop is a dark-themed poster for a webinar. At the top left is the JECRC Foundation logo. At the top right is the 'SUHASINI' logo with the tagline 'An initiative to save the smile of girl child'. The main text in the center reads: 'Jaipur Engineering College and Research Centre, Jaipur presents WEBINAR on Futureproofing your Health'. Below this, on the left, it says 'ESTEEMED SPEAKER Ms. Somya Gupta Senior nutritionist and TEDx speaker from the team Rujuta Diwekar'. On the right is a circular photo of Ms. Somya Gupta. At the bottom, there is a row of icons and text: a calendar icon for '12 June, 2021', a clock icon for '4:00PM to 5:00PM', a location pin icon for 'Zoom', a QR code, and the text 'SCAN HERE TO REGISTER'.

How much do you rate the importance of social work?	0	100	Every year JECRC organizes several social activities but due to pandemic the activities were organized online. Students appreciate the social activities taken up by the college. The social activities have helped them to work towards social enrichment of the lives of individuals and communities. This also helps in the holistic development of the

PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302022

			students. IQAC advised to social coordinators to increase the number of such online activities and motivate each student to participate in at least one activity.
Overall, how is/was your experience in conducting the activity/social work?	0	100	The students showed enthusiasm and dedication while conducting the activities such as celebration of National Girl Child Day, International Girl Child Day, International Women's Day, Road shows etc. But due to pandemic this time offline activities were not possible. College encourages students to organize and participate in such activities and provide support in the form of online platforms where the students were able to realize the need and importance of social work in virtual mode. IQAC appreciated the management and advised the social coordinators to take care in every aspect while conducting these activities in online mode.
How much do you rate the outcomes of the activity/social work?	0	100	The social activities conducted at JECRC aims at developing human potential to its fullest extent by not only encouraging the students to take such social causes but also helping the deprived and needy sections of the society. IQAC advised the social coordinators to include more such activities in the near future.
Would the skills acquired during the social work help in placement?	0	100	The students appreciated the social activities at JECRC which has help them in developing their leadership skills, team building capacity. IQAC advised the social coordinators to involve more students in such activities online as well as offline and motivate each student to participate in at least one activity as a team leader or team member thereby offering opportunities for interaction between academia and industry.
How effectively does the social activity done by the group address the needs of the society?	0	100	Students appreciate the education campaigns and different online events through which they are able to give their message to the society thereby connecting more people with the cause. With this, students of JECRC not only involved in

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302002

			technical activities but also have ethical orientation. Students are motivated to propose activities so that they develop their creativity and innovations. IQAC advised to social coordinators to plan more such type of activities in their respective groups.

1.0 About JECRC

Jaipur Engineering College & Research Centre (JECRC) University, through their constant endeavour to deliver industry driven education have been successful in establishing a name for themselves in the education sector of the country. Engineering education provided in Jaipur engineering college & Research Centre (JECRC) is both theoretical and practical, preparing the students to match the expectations and requirements of the industry.

2.0 Gender Audit

As the Institute constantly strives to improve and excel in gender mainstreaming a need was felt to carry out a gender audit to assess the level of integration of gender equity in all the programs and initiatives of JECRC.

Following were the key areas of enquiry:

1. Gender sensitisation conducted for staff as well as students
2. Equal access to teaching and learning facilities by male, female and other students
3. College conducts awareness programs such as awareness on sexual harassment
4. College has adequate number of separate toilets for females both in teaching facility as well as in residential/ hostel campus.
5. Disposal bins are provided in female toilets
6. Adequate lighting is provided inside campus at all places (corridors, classrooms, common areas) during night
7. Adequate security arrangements with a special focus on the needs of female staff and students
8. Grievance redressal mechanism is established.
9. Provision of equitable platforms (sports, cultural, literary) for all students to exhibit their talents
10. Promotion of communication that represents gender equity
11. Balanced gender quota in hiring
12. Female/ Male ratio
13. Percentage of females in leadership positions
14. Availability of health facilities for girl students

3.0 Student's Gender Equality audit feedback Analysis:

1) Tables of Gender Balance 2019-2020 to 2020-2021:

Gender Equity Audit of Faculties

Year	Male Faculty	Female Faculty	Total Strength	Sanctional Strength
2020-21	135	80	215	214
2019-20	143	85	228	256

The table shows year wise gender comparison of male and female Faculty members in the college.

Gender Equity Audit of Students

Batch	Male Students	Female Students	Total Strength
2020-21	785	227	1012
2019-20	724	177	901

The table shows year wise gender comparison of male and female percentage of students and total admissions in the college.

This gender audit is a part of our commitment to promote and mainstream gender equity in curricular as well as co-curricular activities of JECRC. In our professional judgement, sufficient and appropriate audit procedures were completed and evidence gathered to support the accuracy of the conclusions reached and contained in this report.

As we took surveys and interviews from Female faculty members and girl students from our college, the following analysis has been drawn, a total of 294 Responses have been recorded:

Q.No.\ level	1	2	3	4	5
1	4	11	41	105	133
2	4	10	25	112	143
3	7	11	29	111	136

4	4	8	24	64	194
5	6	4	11	73	200
6	7	9	30	99	149
7	3	6	28	93	164
8	12	13	32	92	145
9	21	19	48	86	120
10	22	23	48	79	122
11	4	13	27	93	157
12	11	16	42	102	123

This table shows the number of questions which were asked during the survey and their responses have been recorded and shown by the graphs given below.

4.0 Audit Framework and detailed findings:

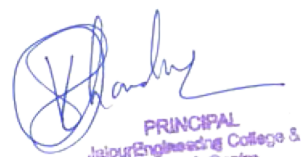

The following audit framework is used for conducting Gender Audit. The framework also lists the findings and observations for every criterion.

Control Objective	Option				
	1	2	3	4	5
How would you rate the level of gender awareness programs organized in college?					
How would you rate the level of adequate security arrangements made in the campus and common areas during day and night?					
How would you rate the benefits of women cell and grievance cell in the college?					
How would you rate the level of equality offered by a classroom and laboratory to all genders?					
How would you rate the level of equality offered by library to all genders?					
How would you rate the level of Gender sensitization program conducted for security personnel deployed at the campus?					
How would you rate the level of adequate and safe transport options available for girl students and female staff?					
How would you rate the level of care taken by the office for separate

queues for girls during various administrative procedures such as fee deposition, office work etc.					
How would you rate the facility of toilets available in the campus for girls and female staff?					
How would you rate the level of adequate facilities available inside the toilet keeping in mind the need of the female ?					
How would you rate the level of lighting available inside the campus including like adequate light in corridor, class rooms, common areas, toilets etc?					
How would you rate the level of Healthcare facilities available to female at the campus?					

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302022

The graph shows that 95% of the survey was in the favour of the gender awareness program. Majority of students satisfy with the level of gender awareness programs organized in college. IQAC advised to enhance the level and frequency of the gender awareness programs in the campus.

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302002

The graph shows that 95% of the surveys are satisfied with the adequate security arrangements made in the campus and common areas during day and night. Students appreciate the security arrangements made in the campus. IQAC advised to security incharge/campus incharge to increase the security arrangement and proper lightning in the campus.

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302002

The graph shows that the 94% of the surveys conducted get the benefits of women cell and grievance cell in the college. Mostly students are aware with the benefits of women cell and grievance cell. IQAC advised to arrange guest lectures, seminar awareness programs, life-skills training programs and welfare activities to let students know that cell is meant to facilitate women empowerment.

 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302002

The graph shows that 97% of the surveys are satisfied with the equality offered by library to all genders. Majority of students appreciate the genders equality offered by library to all genders. IQAC advised to library staff to pay equal attention and use gender-neutral language.

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302022

The graph shows that the 95% of the surveys are in favour of Gender sensitization program conducted for security personnel deployed at the campus. Students appreciate the gender sensitization program conducted for security personnel deployed at the campus. IQAC advised to enhance the frequency of such programmes.

 PRINCIPAL
 Jalpur Engineering College &
 Research Centre
 Tonik Road, Jalpur-807002

The graph shows that 97% of the surveys are in favour of adequate and safe transport options available for girl students. Safety of students / employees is a major concern of the college. Most students appreciated the adequate and safe transportation options available at the college. In addition, the transport in-charge has been instructed to optimize vehicle scheduling and ensure availability of some vehicles on campus at any time. Also, talk with the drivers and give instructions for safe driving.

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302002

The graph shows that 91% of surveys are in favour of the care taken by the office for separate queues for girls during various administrative procedures such as fee deposition, office work etc. Mostly students satisfied the care taken by the office for separate queues for girls during various administrative procedures. IQAC advised to administrative office to maintain separate queues for girls for various administrative procedures and promote online system for administrative procedures such as fee deposition, office work etc.

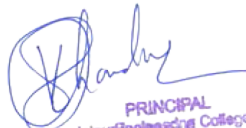

PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302022

The graph shows that 86% of the females are satisfied with the facility of toilets available in the campus for girl's. IQAC instructed to Estate engineer to look into this matter and take necessary action.

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302022

The graph shows that 85% of the females are satisfied with the adequate facilities available inside the toilet keeping in mind the need of the girl students. IQAC instructed to block incharges and girls hostel warden to maintain girl-friendly sanitation and menstrual hygiene management in girl's toilet.

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonk Road, Jaipur-302022

The graph shows that 94% of the surveys are in favour of the lighting available inside the campus including like adequate light in corridor, class rooms, common areas, toilets etc. Students appreciate the lighting available inside the campus. IQAC instructed to campus incharge to maintain adequate lighting facility in entire campus.

 PRINCIPAL
 Jaipur Engineering College &
 Research Centre
 Tonik Road, Jaipur-302002

The graph shows that 91% of the surveys are satisfied with the healthcare facilities available to girl students at the campus. Mostly students satisfied with the first aid facilities in the campus. Campus in-charge was asked to maintain the first aid facility in the college.

Parameters	<60	≥ 60	Action Taken
How would you rate the level of gender awareness programs organized in college?	5.10	94.90	Majority of students satisfy with the level of gender awareness programs organized in college. IQAC advised to enhance the level and frequency of the gender awareness programs in the campus.
How would you rate the level of adequate security arrangements made in the campus and common areas during day and night?	4.76	95.24	Students appreciate the security arrangements made in the campus. IQAC advised to security incharge/campus incharge to increase the security arrangement and proper lightning in the campus.
How would you rate the benefits of women cell and grievance cell in the college?	6.12	93.88	Mostly students aware with the benefits of women cell and grievance cell. IQAC advised to arrange guest lectures, seminar awareness programs, life-skills training programs and welfare activities to let students know that cell is meant to facilitate women empowerment.

 Research Centre
 Tord Road, Jaipur-302002

How would you rate the level of equality offered by a classroom and laboratory to all genders?	4.08	95.92	Majority of students appreciate the genders equality offered in classroom and laboratory. IQAC made some suggestion to all faculty members to enhance the gender equality 1. Do your best to offer more gender-neutral responses to students. 2. Consider getting feedback from colleagues on any differences they may notice that you don't. 3. By mix seating arrangement in the classroom, you can encourage both groups (girls and boys) to engage with each other. 4. By intentionally creating groups of boys and girls within projects/ lab experiments.
How would you rate the level of equality offered by library to all genders?	3.40	96.60	Majority of students appreciate the genders equality offered by library to all genders. IQAC advised to library staff to pay equal attention and use gender-neutral language.
How would you rate the level of Gender sensitization program conducted for security personnel deployed at the campus?	5.44	94.56	Students appreciate the gender sensitization program conducted for security personnel deployed at the campus. IQAC advised to enhance the frequency of such programmes.
How would you rate the level of adequate and safe transport options available for girl students and female staff?	3.06	96.94	Safety of students / employees is a major concern of the college. Most students appreciated the adequate and safe transportation options available at the college. In addition, the transport in-charge has been instructed to optimize vehicle scheduling and ensure availability of some vehicles on campus at any time. Also, talk with the drivers and give instructions for safe driving.
How would you rate the level of care taken by the office for separate queues for girls during various administrative procedures such as fee deposition, office work etc.	8.50	91.50	Mostly students satisfied the care taken by the office for separate queues for girls during various administrative procedures. IQAC advised to administrative office to maintain separate queues for girls for various administrative procedures and promote online system for administrative procedures such as fee deposition, office

			work etc.
How would you rate the facility of toilets available in the campus for girls and female staff?	13.61	86.39	IQAC instructed to Estate engineer to look into this matter and take necessary action.
How would you rate the level of adequate facilities available inside the toilet keeping in mind the need of the female ?	15.31	84.69	IQAC instructed to block incharges and girls hostel warden to maintain girl-friendly sanitation and menstrual hygiene management in girlstoilet.
How would you rate the level of lighting available inside the campus including like adequate light in corridor, class rooms, common areas, toilets etc?	5.78	94.22	Students appreciate the lighting available inside the campus. IQAC instructed to campus incharge to maintain adequate lighting facility in entire campus.
How would you rate the level of Healthcare facilities available to female at the campus?	9.18	90.82	Mostly students satisfied with the first aid facilities in the campus. Campus in-charge was asked to maintain the first aid facility in the college.

5.0 Recommendations

Following the audit, no major recommendations were observed and made to the management.

6.0 Objectives and Scope

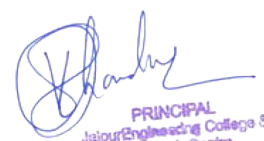

The purpose of this audit was to ensure gender equity in the campus, across all departments, administrative bodies and students.

7.0 Methodology

The audit looked at the key priorities identified in the action plan developed for gender sensitisation along with some additional parameters based on global best practices. A multipronged approach was adopted, and this audit combined physical inspection with a review of relevant documentation and interviews with Staff and students.

8.0 Declaration

I agree with all the recommendation and observation mentioned in this report.
