Date: 20 August, 2021

From : HOD Office	To : Faculty Members of CSE

Meeting Notice

Sub.: Meeting on 30/08/22 at 1:30 PM in AF-02 block A

There is a meeting on 30/08/22 at 1:30 PM in AF-02 block-A with the following members to discussed about the Add-on program "**Google Cloud Platform Fundamentals Core Infrastructure From: 1st September '21 to 30th September'21 "** through Google Cloud at Jaipur Engineering College and Research Centre for certification in the academic session 2021-2022 even semester.

1. Dr. Sanjay Gaur, HOD(CSE)
2. Dr. Vijeta Kumawat, Dy. HOD(CSE)
3. Mr. Abhishek Dixit, AP(CSE)
4. Mr. Abhishek Jain
5. Mr. Pradeep Kumar Sharma
6. Ms. Neha Solanki
7. Ms. Sweety Singhal
8. Ms. Tanya Shruti
9. Ms. Suniti Chouhan
10. Ms.Girija Lavania

All the faculty members who have completed this course please make it convenient to attend the meeting.

Jaipur Engineering College & Research Centre, Jaipur

Department of Computer Science & Engineering

Minutes of Meeting

Date: 31 August, 2021

A meeting was held on 30th August 2021 at 1:30 PM in AF-02 block A to discuss about the introduction of new Add-on program "**Google Career Readiness Program" (GCR)** through Google Cloud for V Semester students(CSE and IT Branch) in the academic session 2021-2022 even semester.

The certification program will help to enhance the employability of the students as well as it will bridge the industry-institute gap in the field of cloud.

The details of the new certification program to be introduced are as follows:

Name of Certificate Program	Duration	Course Mentors	In Collaboration with
Google Cloud Platform Fundamentals Core Infrastructure	**35 Hours**	Dr. Vijeta Kumawat-SPOC Mr. Abhishek Jain Mr. Pradeep Kumar Sharma Ms. Neha Solanki Ms. Sweety Singhal Ms. Tanya Shruti Ms. Suniti Chouhan Ms.Girija Lavania Ms. Preeti Sharma Ms. Deepika Bansal Ms. Shikha Srivastava	**Google Cloud**

Dr. Sanjay Gaur

HOD (CSE)

JECRC Mail

Add-on Program on "**Google Career Readiness Program**" (GCR)

Principal JECRC <principal@jecrc.ac.in>
To: director <director@jecrcmail.com>, Vice Chairman <vicechairman@jecrc.ac.in>, "CS Deptt. HOD" <hod.cse@jecrc.ac.in>, HoD IT <hod.it@jecrc.ac.in>, HoD ME <hod.me@jecrc.ac.in>, HoD EE <hod.ee@jecrc.ac.in>, HoD ECE <hod.ece@jecrc.ac.in>, HoD Civil <hod.ce@jecrc.ac.in>, HOD AI&DS <hod.ai@jecrc.ac.in>, IQAC JECRC <iqac@jecrc.ac.in>, "Dr. Vijeta Kumawat" <vijetakumawat.cse@jecrc.ac.in>, Manish Jain <dydirector.sp@jecrc.ac.in>

Dear all,

This is to inform you that after the successful completion of GCCF, the institute are going to start an Add-on Program on "**Google Career Readiness Program**" (GCR) through Google Cloud at Jaipur Engineering College and Research Centre from **1st September'22 to 10th January'22 for the students of V Semester CSE and IT branch.**
The aim of this course is to provide students with little to no background or experience in cloud computing, a detailed overview of concepts covering cloud basics, big data, and machine learning and where and how the Google Cloud Platform fits in. The approximate fee of this certification course is 2,000/- Rs. but it is free of cost for the students of JECRC.

Registration Form Link: - https://forms.gle/u7FDa1wbHRjuEncj7

All concerned program coordinators/HODs are requested to kindly circulate the same amongst all 3rd year (V semester) students of the department and ask them to register through the registration link **latest by 4th September 2021**.

For further clarification may contact Dr. Vijeta Kumawat, SPOC-GCR Program, JECRC Campus (9829176557).

--
Warm Regards
Dr. Vinay Kumar Chandna,
B.E., M.E. Ph.D. (Electrical)
SM IEEE, LM ISTE, LMCSI
Principal,
Jaipur Engineering College and Research Centre (Jaipur),
Tonk Road, Jaipur
Past Treasurer PES Delhi Chapter,
Chair IEEE Education Society,
0141-2770120, 2770232

Opportunity!!!Add-on Program on "**Google Cloud Platform Fundamentals Core Infrastructure"**

 Registration Form (2021-22)
The aim of this course is to provide students with a detailed overview of concepts covering

Cloud basics, bigdata and machine learning and hands on practice on Google Cloud Plat form.

 *Required

1.   Email*

Jaipur Engineering College and Research Centre, Shri Ram ki Nangal,via Sitapura RIICO Jaipur-302022.

Vision of Jaipur Engineering College and Research Centre

To become are renowned centre of outcome based learning , and work towards academic, professional, cultural and social enrichment of the live so find individuals and communities.

Mission of Jaipur Engineering College and Research Centre

M1. Focus one evaluation of learning outcomes and motivate students to inculcate research aptitude by project based learning.
M2. Identify, based on informed perception of Indian, regional and global needs, areas of focus and provide platform to gain knowledge and solutions.
M3. Offer opportunities for interaction between academia and industry.
M4. Develop human potential to its fullest extent so that intellectually capable and imaginatively gifted leaders can emerge in a range of professions.

2. Student's Name*

JAIPUR ENGINEERING COLLEGE AND RESEARCH CENTRE, JAIPUR
DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Date: 25/08/2021

From : HOD-CSE	To : All faculty members of CSE departmrnt

This is to inform you that Department of Computer Science & Engineering is going to organize 40 hours Add-on Program for V Semester (III Year) from **1st September '21 to 30th September'21**. The program will be conducted by Google Cloud. All interested students must actively participate in the same to enhance their knowledge in the field of Cloud. The details of the training are as follows:

Name of Certificate Program	Duration	Course Coordinator	In Collaboration with	Course Fees
Google Cloud Platform Fundamentals Core Infrastructure	35 Hours	Dr. Vijeta Kumawat	Google Cloud	NIL

Dr. Vijeta Kumawat   **Dr.Sanjay Gour**

Dy. HoD, Associate Professor   **HOD, CSE**

Coordinators, GCR

Some Feedbacks from the students

S.No	Name	Tell your experience of GCCF.(min 3 lines)
2	Aakarsh Thora	The GCCF journey was really knowledgeable and insightful. You have to choose your path of interest at the right time and google cloud and qwiklabs gave us the opportunity to discover it at the perfect time.
2	Aditi Sharma	It was an amazing experience. I had learnt a lot of things like backend framework creation. Got to know about rest API. And had completed a lot of things in gccf lab. So, I appreciate this program. And request to bring more programs like this .
3	Ronit Jain	My experience about GCCF is very good and the the programming skills I acquired using this are very high quality. GCCF very good for us for a person you would like to a good programmer in cloud.
4	Raghav Jhawar	It was a great program. I came to know a lot of things about cloud computing . The tutors nailed the way they taught us . Some modules were challenging and are full of knowledge. Overall it was a great experience.
5	Apeksh Agarwal	I am glad I was in this journey of Google Cloud where I learned a lot of new concepts in Cloud and helped to clarify a lot of fundamentals also. Looking forward to participate more in such kind of events. Thanks to Google and JECRC for providing such an amazing opportunity.
6	Aarushi Vashistha	I had a wonderful experience being a part of this GCCF program. We all got to learn about new technology. Looking forward for more such programs.
7	Aaftab khan	I had learnt so many things in GCCF lab. It was great experience. I learnt about frontend, backend things and API creations also. It was an excellent program. I request to bring more programs like this one.
8	Abhinav Sharma	This 1 month of GCCF program brings drastic changes to me. I explored many things, but the most important thing I learnt is, we should stick to the basics first to achieve big.
9	Shubham Choudhary	I have learnt many things form Google Cloud Computing Foundation Program . It helps me to learn various things of cloud computing like database design, MySQL, Kubernetes, Docker, and many Cloud Deployment stuff etc. Mu journey with this course was knowledgeable.
10	Sakshi Jaiswal	I got introduced to cloud computing by this gccf course before this i had no knowledge of it. The course was beginner friendly and hence helpful to me as i didn't had any previous experience regarding this. It was overall a good experience for me as i learned alot of new things by this.
11	Harkirat Singh	It was a great experience working through Qwiklab and learning about cloud.

		The hands on labs gave us a real time experience and was quite useful. It provided good knowledge and overall view about the cloud platform.
12	Subrata Pal	This was one of the best learning I had. Very simple and easy way to do the labs and understand the concepts. Even though the content is around fundamentals, it helps to remember the terminologies.
13	Vineet Aalwani	It is a great experience, learned too much from the GCCF ,faced too much difficulties during the GCCF but the mentors are very helpful and in the end i finished it on time.
14	Vishakha jajoo	GCCF training has too much enthusiasm, I had learn many things just like networking or we can say speeding to do a task in a short period of time, in short this was great.
15	Vikrant Tiwari	It was really a nice experience to learn some new things to put in my bucket.Google Cloud is really a great platform to deploy. Hoping for more such activities in future from Google.
16	Aishwarya Lodha	The overall experience of this program was so amazing and knowledgeable. I got to learn a lot about the networking of cloud computing by performing hands on lab.
17	Siddhi Rajoria	The overall experience was really nice. I got to learn about the latest technologies that are being used in the IT sector currently. I am glad that i had a bit of a practical experience because of GCCF program.
18	Mayank Sharma	It was a good course to learn, it taught us various concepts in Google Cloud as well as some linux commands. It is actually a very good course to begin in field of cloud. In future I am ready to learn these types of courses.
19	Rahul Tyagi	Really helpful in covering cloud basics, big data, and machine learning and where and how the Google Cloud Platform fits in by providing hands-on training to practice the learning.
20	Shalin Maloo	It actually awesome ,we learn alot of new things from it.I also thanked all the faculty members who always support us and available for any kind of help.
21	Kunal Mod	The experience was good. Although the course wasn't much beginners friendly, I got to learn at a few new things. It was good enough to give my cloud computing journey a start.
22	Tanishq khandelwal	Very helpful and informative. The videos guided me perfectly and quizzes helped to recollect what I learned.Very simple and easy way to do the labs and understand the concepts.
23	Ankit goyal	Many new things were known after the course completion. Came to know how cloud works and it's frameworks. Overall it was an amazing experience
24	Prisha Nama	It was an amazing course giving in-depth knowledge about cloud computing. The basics were cleared through videos and hands-on labs that were the best part. The quest and skill badges boost the confidence and motivate us to learn more.
25	Umesh soni	Very helpful and informative. The videos guided me perfectly and quizzes helped to recollect what I learned.Very simple and easy way to do the labs and understand the concepts.

26	Amit Sharma	Program is very good but students should have given the choice to choose subject of their choice of interest rather than just ml and cloud computing. And both the mentors are very cooperative.
27	Divyesh Gupta	The GCCF provided me with a completely new and vast experience. I haven't learnt so much from any any other course as I did from GCCF because it had perfect combo of theory and practical knowledge and It came as a complete package with so many sessions and labs to perform, the mentors were great and I got to learn so many new stuff. Thank you GCCF.
28	Pratham Kabra	Found a unique way of learning, platform was very interactive and we learned such an important topics in simple and easy way, also practiced them.
29	Mohan Chandak	It was very good experience in platform like GCCF. I just got the opportunity to learn so many advance things here which I want to learn in future. So simply I can say I get to learn easily free of cost .
30	Garvit Agarwal	GCCF provide great learning. which help to learn and build the basic skills in cloud computing and also have a interactive platform.
31	Shreya Kothiwal	Gccf course is a very informative course for every student. The teachers helped us to achieve our target in deadline. I will look up for more opportunities like this in future.
32	Lavkush Bansal	Google Cloud Computing Foundations course provided experience in cloud computing a detailed overview of concepts covering cloud basics, big data, and machine learning and where and how Google Cloud fits in.
33	Isha Goel	It was a wonderful experience and a lot of learning , from basics to advance every topic was covered and very excited to be part of certification program of GCCF.
