Abstract

In celebration of World Environment Day on 5th June 2023, our offline event featured a Pot Painting Competition and Bird House Distribution, with the esteemed presence of Ms. Shivani Kaushik as the Chief Guest. Ms. Shivani Kaushik, currently serving as the Head of the Department of School of Design in JECRC University, brings her expertise and passion for environmental sustainability to inspire participants and attendees alike.

The event aims to promote environmental awareness and creativity through the Pot Painting Competition. Participants of all ages will be provided with terracotta pots to express their artistic talents while emphasizing the importance of sustainable living and conservation. Ms. Kaushik's expertise in design and education will undoubtedly add valuable insights to the competition, encouraging participants to think innovatively about their environmental message through art.

Additionally, the event will focus on ecological conservation by distributing Bird Houses to attendees. Ms. Kaushik's knowledge and commitment to environmental issues will enhance the educational aspect of the distribution, as participants learn about local bird species and the significance of providing suitable habitats for their well-being.

The chosen community park venue further underscores the importance of green spaces in urban settings. By holding the event in such a location, Ms. Kaushik will have an opportunity to highlight the significance of incorporating sustainable design and eco-friendly practices in urban planning.

With the presence of Ms. Shivani Kaushik as the Chief Guest, this event promises to be an enlightening and inspiring experience for all participants and attendees. Through her expertise and dedication, she will contribute to instilling a deeper sense of responsibility for environmental preservation among the audience, leaving a lasting impact on the community and promoting a greener and more sustainable future.

Guest's Profile

Ms. Shivani Kaushil

Currently serving as the Head of the Department, School of Design at the JECRC University. Ms. Shivani Kaushik has studied Jewellery and Textile Design and is an alumnus of the University of Rajasthan. With 20 years of teaching experience, she continues to serve as a Board of Study Member and Examiner for Design in various other Universities and Colleges. 22 years of teaching experience in design and worked as Academic Coordinator in Design institute for 8 years and worked for 5 years as HOD, School of Design in Jecrc University , Now working as Dean School of Design in Jecrc University ,Jaipur.

Session Summary

The event on World Environment Day commenced with a warm welcome extended to our esteemed chief guest, Ms. Shivani Kaushik, the Head of the Department of the School of Design at JECRC University. The participants, filled with enthusiasm, arrived at the venue punctually for the highly anticipated Pot Painting Competition.

The Pot Painting Competition began, and the atmosphere was abuzz with creativity and eco-consciousness. Each participant, armed with a plain terracotta pot and eco-friendly colors, poured their heart and soul into crafting beautiful artworks that reflected their dedication to environmental conservation.

To ensure fairness and impartiality, the pots were diligently inspected by both the Director Sir - Mr. Arpit Agarwal Sir and the Principal Sir - Dr. V. K. Chandana sir. Their presence added an element of encouragement and motivation for the participants. The competition concluded with the selection of the winners, whose exceptional artistic skills and dedication to promoting sustainability set them apart.

In a heartwarming ceremony, the winners were announced, and they were awarded prizes as a token of appreciation for their outstanding efforts. The prizes served not only as recognition of their artistic abilities but also as a reminder of the importance of their role in preserving and safeguarding the environment.

Following the Pot Painting Competition, the event transitioned to the distribution of Bird Houses. Participants and attendees were delighted to contribute to local wildlife conservation by providing safe nesting spaces for birds. The significance of promoting biodiversity and ecological balance through such initiatives was emphasized.

As the event drew to a close, the organizers extended a heartfelt vote of thanks to all the participants, guests, and attendees. They acknowledged the efforts of each individual in making the event a resounding success and spreading the message of environmental stewardship.

The day served as a catalyst for environmental awareness and creativity, bringing together like-minded individuals who share a passion for preserving our planet. With Ms. Shivani Kaushik's presence as the chief guest, the event not only celebrated World Environment Day but also inspired everyone present to take meaningful actions in harmonizing with nature for a sustainable future.

Glimpses of the Event

"The prize distribution ceremony to the winners of the pot painting competition was a moment of joy and appreciation, recognizing their outstanding efforts in promoting sustainability and environmental consciousness through their remarkable artwork."

"The Director and Principal meticulously identified the pots, evaluating each artwork with keen attention, during the pot painting competition."

"All the participants of the competition demonstrated their passion for environmental stewardship and creativity, making the event a resounding success."

"The Bird House Distribution initiative fostered a sense of community engagement and environmental responsibility, contributing to the preservation of local wildlife and ecological balance."
