## **1.0 About JECRC**

Jaipur Engineering College & Research Centre (JECRC), through their constant endeavour to deliver industry driven education have been successful in establishing a name for themselves in the education sector of the country. Engineering education provided in Jaipur engineering college & Research Centre (JECRC) is both theoretical and practical, preparing the students to match the expectations and requirements of the industry.

## **2.0 Gender Audit**

As the Institute constantly strives to improve and excel in gender mainstreaming a need was felt to carry out a gender audit to assess the level of integration of gender equity in all the programs and initiatives of JECRC.

### **Following were the key areas of enquiry:**

1. Gender sensitisation conducted for staff as well as students
2. Equal access to teaching and learning facilities by male, female and other students
3. College conducts awareness programs such as awareness on sexual harassment
4. College has adequate number of separate toilets for females both in teaching facility as well as in residential/ hostel campus.
5. Disposal bins are provided in female toilets
6. Adequate lighting is provided inside campus at all places (corridors, classrooms, common areas) during night
7. Adequate security arrangements with a special focus on the needs of female staff and students
8. Grievance redressal mechanism is established.
9. Provision of equitable platforms (sports, cultural, literary) for all students to exhibit their talents
10. Promotion of communication that represents gender equity
11. Balanced gender quota in hiring
12. Female/ Male ratio
13. Percentage of females in leadership positions
14. Availability of health facilities for girl students

## 5.0 Recommendations

Following the audit, no major recommendations were observed and made to the management.

## 6.0 Objectives and Scope

The purpose of this audit was to ensure gender equity in the campus, across all departments, administrative bodies and students.

## 7.0 Methodology

The audit looked at the key priorities identified in the action plan developed for gender sensitisation along with some additional parameters based on global best practices. A multipronged approach was adopted, and this audit combined physical inspection with a review of relevant documentation and interviews with Staff and students.

## 8.0 Declaration

I agree with all the recommendation and observation mentioned in this report.
