JAIPUR ENGINEERING COLLEGE
AND RESEARCH CENTRE

Meeting started at 11:00 AM; following items were discussed:

S. No.	Agenda	Response	Remark
1.	Review of teaching learning process. Planning of ICT tool in teaching.	Discussion about ICT tools for effective teaching. All ICT tools are visible to students and utilized through open access through www.jecrcfoundation.com and are also mapped with program outcomes as direct or indirect tool for assessment.	IQAC Chairperson with the discussion with members decided to continue with previous years academic planning.
2.	Analysis of the feedback from different stakeholders. a) Students b) Teacher c) Alumni d) Employer e) Parents	The feedback was taken from different stakeholders and this year around 41132 stakeholders actively participated in feedback.	The detail discussion was conducted and different points from all HOD'S were considered and IQAC asked program coordinators to have a detailed feedback analysis and action taken report to be submitted to IQAC
4.	Feedback on student curriculum	Number of responses 1731 received on student curriculum feedback. After the feedback analysis it is observed that additional knowledge required on advanced topics on latest technology according to the industry requirement.	IQAC conducted a meeting with all the HODs and discuss about to conduct workshops/seminars and Add on courses to fulfill the student requirement on the curriculum.
6.	Feedback on Teaching and Learning	Number of responses 1906 received on student Teaching and Learning feedback. After the feedback analysis it is observed that some extra efforts are required for the overall development of a student which includes experiential learning and participative learning.	IQAC conducted a meeting with all the HODs and discuss about that students have participated in different SIH, Final year projects & Internships.

JAIPUR ENGINEERING COLLEGE
AND RESEARCH CENTRE

7.	Feedback on Student Infrastructure	Number of responses 1664 received on student Infrastructure feedback. After the feedback analysis it is observed that students required new journals in the library.	IQAC conducted a meeting with all the HOD's and Chief librarian to create the requirement to purchase the new journals.
8.	Feedback on Alumni	Number of responses received 300 approx from the alumni. After the feedback analysis it is observed that there is a need for sessions that students gain practical knowledge of their respective fields.	IQAC conducted a meeting with all the HOD's and Head Alumni and discussed about to start a alumni session series to interact with our students where they will guiding them how to work in the industry.
9.	SSS	2560 students have filled SSS (Student Satisfaction Survey). In that majority students agreed that the institute takes active interest in theory and lab classes and their evaluation, promoting internship, student exchange, field visit and many other opportunities for students. More than 85% students feel that the teachers help in providing a holistic development through the mentoring system and proper guidance.	IQAC conducted a meeting with all the HOD's and discussed that students are satisfied.
