Dear All,

As we all know that essay writing is a very important component for Capgemini Recruitment Drive.

I am sharing some topics for students preparations, Kindly suggest them to practice these topics as homework -

1. Social media has made it easier to misuse one's right to freedom of expression.
2. Violent video games affect children negatively.
3. Success comes to those who take risks.
4. People today are more materialistic and less satisfied as compared to previous generations.
5. Do you think progress is always good? Cite examples to support your view.
6. At least one form of physical training should be mandatory across education institutes
7. Social media has made us less social.
8. The winner stands alone.
9. Do ethics or moral principles campus Interview Experience
10. My Best Friend
11. Are we too dependent on Computers
12. Digitization and its benefits
13. My last vacation with Parents

Student should write at least 150 to 300 words on each topic in MS Word, furthermore, you all are requested to check & analyse their progress accordingly.

Regards,

Dear All,

As you all are aware that Pinnacle Infotech company offers Building Information Modeling (BIM) solutions to Architecture, Engineering & Construction (AEC) firms worldwide. Clients use BIM services for construction projects to facilitate project coordination, collaboration, asset management, risk mitigation, logistic planning and cost optimization.

To get our students well versed in the said technology, we are providing the BIM Syllabus as sent by the company. This will help us to prepare all our students for the proposed interview process to ensure better result.

Last year, the company HR called a meeting of all the department head and said that the basic subject knowledge of many students are not good and suggested that the students need to pay attention to it.

Thank You,  
Ramesh Rawat

Training and Placement Cell

24 September, 2019

Respected Principal Sir,

A two days training on C, C++ and Python was held on 21-22<sup>nd</sup> September, 2019 for the final year students of Computer Science Engineering Students.

This was doubt clearing session. Mr. Lalit Jangir from Matrix computers resolved all the doubts of the students on the subject. Total 60 students participated in this training. Overall feedback of the program was found satisfactory.

Regards,

  
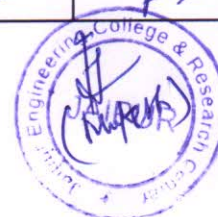

Mukesh Agarwal
