I was not sure how much feedback to give for the duration of the FDP.

First FDP where I felt the duration was short and the duration should have been longer. 😊

Kudos to all the speakers, organisers and the participants too for such a fruitful and life changing FDP. 🙏🙏🙏

Very high quality FDP organized and conducted by the committee on a very highly required topic...Congrats to all the committee members

It was a great Initiative by ATAL Academy. I am thankful to AICTE for giving me this opportunity to conduct online FDP for faculty members of technical institute of India free of cost. I got huge response for registration as well as lots of compliment of arranging the online workshop, content and hands on.
