## Action Taken of Infrastructure Feedback 2024-25

S. No	Feedback Analysis	Action Taken
1	Renovation and upgradation of existing infrastructure.	NSERD approved: Repair of campus roads with an estimated budget of ₹2 Crore, Renovation of BH-1 and BH-2 with installation of air-conditioning units costing around ₹4 Crore, Renovation of the top floor of E-Block with an allocation of ₹67 Lakhs, Renovation of the top floor of D-Block with a budget of ₹3 Crore. These initiatives are aimed at improving the overall campus facilities and providing a better environment for students.
2	Venue allocation for academic and co-curricular events.	To ensure smooth conduct of academic and co-curricular activities, proper venues are being allocated for student events. The SDO allots the classrooms, seminar halls, and other facilities promptly. This initiative ensures that all events are conducted in a systematic manner without space-related difficulties. Auditoriums are also allocated on booking basis.
3	Extended library hours to support study and exam preparation.	Library timings have been revised. The library is now kept open until 8:00 PM on working days, enabling students to make effective use of resources. This action has enhanced the academic environment and supported self-study initiatives on campus.
4	Smart classrooms with modern teaching aids.	To strengthen ICT-enabled teaching-learning practices, Lecture Theatres LT-3 and LT-4 have been upgraded and converted into Smart Rooms. These rooms are now equipped with modern teaching aids including projectors, smart boards, speakers.
5	Students appreciated the efforts for maintaining a clean and eco-friendly campus for a positive learning atmosphere.	The college management has ensured continuous cleanliness and proper maintenance of the campus through regular monitoring and dedicated housekeeping staff. Students have expressed a high level of satisfaction with the efforts taken, and the institution has also been recognized with GREEN RANKINGS 2025 award under TITANIUM category.
