Action Taken of Student Facility Feedback 2024-25

S. No.	Feedback Analysis	Action Taken
1.	Additional Drinking water facilities should be available in each block of the college campus.	Based on the feedback regarding the need for additional drinking water facilities, RO systems have been installed in every block of the college campus. This ensures safe and easily accessible drinking water for all students.
2.	The majority of students suggested the usage of Smart Identity Card for Library Access.	Library has appreciated the feedback and requested to carry their Smart Identity Card at all times when visiting the library. This measure is essential to ensure secure and efficient library operations.
3.	Majority of Hostel students suggested that the Air Conditioner required in the top floor of the Hostel.	Apart from ACs, energy-efficient cooling systems have been added. Annual maintenance contracts (AMC) are in place to ensure uninterrupted usage.
4.	The Hostellers have suggested to increase the existing speed of the internet facility.	In response to the suggestion for improving internet speed, Wi-Fi facility has been made available in the hostel after college hours. This enables students to access online resources conveniently beyond class time.
5.	Sports Facility should be increased with Indoor Sports Facility.	Indoor Sports Facilities with Table Tennis, Chessboard, Spiritual Cell, and Carom board facilities have been provided. Inter-college tournaments are now organized annually.
6.	Some students suggested to improve the Class rooms ambience.	Based on the feedback regarding classroom ambience, necessary improvements have been carried out to create a more comfortable and conducive learning environment. Renovation is done in A-Block and C-Block. Smart Seminar Halls have been created in A-Block. Efforts will continue to maintain and further enhance the facilities.
7.	Students are appreciated the Cleanliness of the college campus and hostel.	A Green Campus Initiative has been launched including plantation drives, and monthly cleanliness surveys and the college have received various Green awards.
8.	Majority of the hostel students appreciated Mess Food of the hostel.	As most hostel students appreciated the mess food, the weekly menu is now displayed in the hostel, and food quality standards are being consistently maintained to ensure continued student satisfaction.
