# **JECRC ALUMNI ASSOCIATION**

Jaipur Engineering College & Research Centre

**ALUMNI PORTAL**

## **ABOUT JECRC ALUMNI ASSOCIATION**

---

“**Established** in 2007, The JECRC Alumni Association (JAA) maintains and enhances a highly engaged, vibrant community of over 8,000+ alumni currently working and serving the Industry across the country & worldwide...”

JECRC Alumni Association serves with a purpose to promote the welfare of JECRC College and to establish a mutually beneficial relationship between college and its alumni. The JAA helps alumni connect with the college and with fellow graduates & current students through a wealth of engagement activities, continuing educational & mentorship programs online, and alumni events throughout the year. JECRC’s graduates are its most valuable asset. As ambassadors in your communities, as advocates for post-secondary learning, as mentors to today’s students, as governance and policy advisors , alumni are integral to JECRC and vital to its success.

JECRC Alumni Association is the primary communications link between the college and our alumni. It is our goal to encourage and foster lifelong alumni participation, involvement, and commitment.

Over the next several years it will be our goal to strengthen the bond between the college and our alumni; to create programs which match the interests and needs of the alumni; to maintain and build upon the positive relationships we have with our more seasoned alumni; to increase the participation, involvement, and communication with our younger alumni; and to continue to serve as the primary communications link between the institution and it’s alumni.

## **Mission of Alumni Department**

---

- To collaborate in JECRC's commitment to become a leading technical education institution.
- To fulfill this mission by cultivating a diverse community of learning and discovery that produces leaders across the spectrum of human endeavour.
- JECRC Alumni Association aspires to provide meaningful engagement opportunities for all JECRC Alumni to be involved with the institution and connected to each other. Today, 20 years after the founding of JECRC, alumni remain as engaged and connected to the College as ever. JECRC Alumni Association represents a vibrant and diverse community – a family that is continuously growing and adding new members, whose spirit and determination are unrivalled.
- The JECRC Alumni Association aspires to represent, mobilize and serve this community on campus and around the world.

## **Vision of Alumni Department**

---

- JECRC Alumni Association aims at connecting the JECRC Alumni with their Alma-Mater and present students with a clear focus on mutual growth and development of the student community and Alumni Community simultaneously. The JAA strives to strengthen the Alumni - Alumni, Alumni-Student, & Alumni-Institute network all throughout the year by organizing activities and events that benefit all the community's activities at large at JECRC. It also strives to bring training, internship and placement opportunities for the present students through the Alumni Community which results in mutual growth of the community and institution at large.

## **Alumni Policy**

---

- The JECRC Alumni Association will strive to provide a platform for constructive engagement between alumni, students and the institution.
- The JECRC Alumni Association will regularly organize Alumni meets and Alumni reunion chapters in the different parts of the country and overseas.
- The JECRC Alumni Association will recognize and acknowledge its alumni for their achievements.
- The JECRC Alumni Association will provide opportunities to Alumni for participating in various online and offline activities being organized in the campus.
- The JECRC Alumni Association will offer an honorarium of 5,000 to the Alumni for delivering a talk to the present students.
- The JECRC Alumni Association will provide a channel to alumni for easy access to necessary documents that they may need for career growth, higher studies and government jobs.

## Online Alumni Platforms

---

### ALUMNI PORTAL

[www.jecrcalumni.com](http://www.jecrcalumni.com) Interface:

JECRC Alumni website is an online platform that is created with highly advanced features of integrated social channels and advanced communication platforms. It minimizes the distance between Alumni- Alumni, Alumni- Institute and Alumni- Students bringing them closer to each other in the digital world, where they can share their ideas, ask questions, stay updated about college happenings and upcoming events. It provides the members with the following:

- A platform to share the job and internship opportunities for the students with complete transparency of the recruitment and selection.
- Mentorship Model, where the experienced Alumni in their field of expertise agree to become mentors and impart training and mentoring to the peers and juniors.
- An open platform to put mindful discussions about topics completely moderated by the admins.

## **Best practices adopted by the Alumni Department**

---

- **Alumni Meet** - Alumni Meet is a formal function which consists of inauguration, alumni interaction with students, cultural programs by the present batch of students followed by dinner.
- **The Distinguished Awards**-The Association each year is authorized to award the JECRC Alumni. The award is to be made to JECRC alumni and others in recognition of outstanding work in their chosen fields.
- **Alumni Interaction Series** - An online Series initiated by JECRC Alumni Cell to connect professional Alumni from all over the world with current students.
- **Placement Assistance** - Alumni association provides continuous support to students for summer internship, winter internship and placement assistance
- **Judging & Mentorship, Training** - Alumni shares their knowledge and competency with students. Alumni appear as guests at various National & International Events Such as Smart India Hackathon.
- **Alumni Startup Meet**- Alumni Startup Meet is an initiative to bring all startups by JECRC under one roof & reward the most exceptional startups.
- **Meet & Greet** - Alumni share their corporate experiences, guide current batch of students and assure the students to be in continuous communication with them.
- **Mentorship through Portal** - Alumni share their professional expertise with students.
- **Participation in annual tech fest** - Alumni participates in Annual Tech-Fest “Renaissance” as Judge, Mentor, Guest, Panelist, Alumni etc

## **Position of Alumni Department**

---

- JECRC Alumni Association is a well-established *and active alumni association*. The JECRC Alumni Association is creating a powerful positive impact as alumni relations have become a strategic asset for progressive institutions like JECRC.
- JECRC Alumni Association is a Registered Alumni Association under the **Rajasthan Institutional Registration Act, 1958 since 04 November 2008**.
- JECRC Alumni Association has its own dedicated department office with two full time employees.

## **In next 3 Years**

---

- JECRC Alumni Association is planning to increase its dependency on professional networking platforms and JECRC Alumni Portal for database and communication purposes.
- JECRC Alumni Association aims to make a spot in top 10 Alumni Association in North India.
- JECRC Alumni Association is committed to bring 100% alumni in network &
- JECRC Alumni Association aims to connect with all alumni since the very first batch.

# Events and Activities

# Alumni Chapter Meets

“Whether you live near the Farm or on the other side of the world, JECRC is always right in your backyard”. JECRC understands the importance of its Alumni and believes that a healthy organization grows 360 degree, and Alumni of any institute are an integral part of an all round mutual growth.

# NCR ALUMNI MEET

*Pune Alumni Chapter Meet*  
(11 June 2019)

**PUNE ALUMNI MEET**

**HYDERABAD ALUMNI MEET 2020**

**HYD ALUMNI MEET**

# ALUMNI INTERACTION SERIES

## ALUMNI - STUDENT INTERACTION

## First Year Interaction

---

Atul Anand (Co 2005, ECE)

Rajesh Garg (Co 2007, ECE)

Mohit Panwar, (Co 2009, CS)

Kavita Dalmia (Co 2013, CS)

Amit Rajagopalan,(Co 2013, ME)

Aditi Jain (Co 2014, ECE)

## **First-Year Student Interaction Program- November 2020**

Interaction welcomed the incoming first-year students to Jecrc College, providing them with an understanding of the values, legacy, and diligent spirit of the institution. JECRC Alumni showed that it's of paramount importance to stay connected and share what has been gained over time and show the way forward to juniors. This sense of giving back to the alma mater is what makes JECRC Alumni truly extraordinary.

## Meet and Greet Sessions

---

### **Meet and Greet Sessions**

Alumni session organized in the campus for the guidance of the students in higher education and to choose from various career options available out there. The mantra behind this activity is to provide the present students with the opportunity to learn from the experiences of their seniors and get the success codes from them. This also gives a chance for the students to get their questions answered from the ones they can most relate to

## Participation in Annual Fest

### **Startup Ecosystem in JECRC- the ones who refuse to fit in boxes!**

Entrepreneurship in India is yet to reveal its hidden potential. It will not only help India to frontier with the world leaders but also unlock the quality of brains that we are so proud of. With this idea JECRC wishes to inculcate and enrich the entrepreneurial environment in the campus and the country at large by creating an easily accessible and exhaustive set of resources for the entrepreneurs, which including the students, the budding professionals, mentors, the angel investors and the venture capitalists through various fun-filled yet educating sessions such as start-up meets, competitions, e-talks and so on and so forth

JECRC believes that entrepreneurship is not just about starting companies, but a pathway towards India's socio-economic development. Our vision is to make students and faculty 'entrepreneurial' in every work that they do. We hope to enable them to solve global challenges as we see students as the greatest capital and intend to nurture them, provide them with opportunities for excellence.

The Incubation centre by JECRC strives hard to make the student's entrepreneurial journey smooth and infuse the spirit of entrepreneurship among others. It aims to unlock students' latent inventive potential. Not only do we show the doors of opportunity but we also equip ourselves to walk through it. Through our conference, social events, lectures, speaker

engagements and workshops, we're hoping to bring together everyone interested in the startup world and to help students best utilize resources to find or join startups.

And the best example of the support that JECRC provides by always being the cushion in the entrepreneurial journey of its students can be very well seen from the larger number of alumni who have gone out of the box and started their own start ups which deal with a variety of fields ranging from manufacturing of Jaipur Belt to being the producer of movies. With more than 150 alumni startups JECRC stands high to provide guidance to it's present students by organizing talks between present CEO's and the budding Founders, that quenches a lot of budding answers and gives birth to new ideas simultaneously. What can be better than hearing it from the ones who have been in the same boat and sailed it to nooks of the world yet to be explored by others.

## 75+ JECRC Start- Ups: JECRC Alumni Start- Up Meet

---

## Creating Leaders in various Fields:

---

If education were defined in true sense, it would be a system that not only roars with shining academic grades in a particular stream, but a system that respects and supports the uniqueness in every individual and nurtures it in a way that can help produce the best out of each individual, and JECRC lives by it. With a vintage of 18 years and 9000+ Alumni spread across the globe, JECRC stands tall with its Alumni influencing various walks and fields of life and career choices making a difference in the society. JECRC Alumni are working with diverse fields like Indian Airforce, Navy, Army, Corporate Houses, Start ups, and Government sector.

## Testimonials

---

Naman Goyal - JF  
(ECE 2008), Writer - Director

I consider myself lucky that I had the opportunity to work in close quarters with the JECRC college headed by Shri Amit Agrawal and Shri Arpit Agrawal, which really is the most inspiring and direction giving set of people I have ever come across in my life. Even though I opted for a very different career path of filmmaking, the JECRC college magically ENSURED that I had the launchpad to take the flight I always dreamt of. My gratitude for them is immense. And now, many years later, the JECRC college still cares the same way about their alumni, not to forget the meticulous work put in by Ms Priyanka Shukla and the JECRC Alumni Association.

I feel just wonderful that I have a support system other than my family and close friends in the form of a beautiful organization like JECRC. Love you JECRC...!

Saurabh Jain (2004-2008)

He joined Reliance Industries limited as a Maintenance Engineer in 2008 then went on for pursuing MBA from Delhi Technological University (Popularly known as Delhi College of Engineering). Since 2012, Currently he is working with Tata Hitachi Construction Machinery Company Private limited as Sr. Manager-Sales & Marketing in Jaipur.

Harish Yadav  
(CSE 2012 ), Envestnet Yodlee

I found that whatever I had learnt during those four years laid the college of my professional life. I had a huge amount of support from both, the staff and the faculty members who will go out of their way to help you. Right from the theoretical knowledge to writing my first code of C in a computer lab, I was guided by some of the most scholarly and erudite teachers like Mrs Richa Sharma who molded me as a programmer and on the basis of those teachings I can strive for success in my career. Finally, the Alumni relations cell to which I came in contact lately has played a key role for me to get linked with a lot of JECRCians. I found it extremely useful to get connected with a number of classmates.

**Jai Pandya - JECRC  
(CSE 2010), AVP - TalentPad**

More than anything else, this time spent here taught me the way of life. Other than regular studies I enthusiastically participated in co-curricular activities - acted as a journalist as a part of college's media league; tried my hands at real life coding for the first time while creating renaissance website; made sure with the team that our college once again made a record for maximum amount of blood donated in a day-long camp. All of it was so much fun! By the time I left the college, that shy boy had transformed into a confident one who knew what he wanted in his life.

I consider it the biggest gift this college gave me. I really love how our college is taking new initiatives forward with JECRC Alumni Association and making sure that all of us stay connected. I wish everyone from our college all the best.

**Kartika malpani (2006-2010)**

She has worked for many leading product design houses and corporations such as Bosch and Info edge. Also worked as a Lead Designer and Strategist at naukri.com. Her expertise lie in the field of User Experience Design, Brand Development, Trend forecasting, Product Innovation & Design Management.

Saurabh Bhatia - JECRC  
(CSE - 2012), NAGARRO

JECRC is a playground which trains as per the ability of an individual. I am very proud to say, I got an opportunity to get trained with such an institution which does not only focus on delivering education to students but plans it in a way to groom the skills and produce professionals out of them. With an absolutely right set of faculties and laudable senior management, this institution has always graced each student to success.

Right blend of academics, extra-curricular activities and professional training gave me an insight of my abilities and hence helped me in building my future to the best of my abilities.

VIPUL SAINI(2006-2010)

He got Campus placement in Surya Roshni Ltd in 2010. After two years of Job he started preparing for Civil Services & got selected through UPSC in 2013 Presently he is posted as Assistant Commandant (DySP) at Bangalore Airport and working for MHA. Before this he was posted at Vikram Sarabhai Space Centre, Trivandrum- Department of Space.
