	Placement	Yes	155 Out of 240 students (65%) got placed (105 Inset plus 50 Outset)	Need to improve on these numbers and kind of companies

Please comment on SWOT Analysis:

Strength:

- Motivated and Proactive faculty members who deliberately find ways to improve the students' performance and also works for self-updating too.
- Teaching-Learning environment through resource utilization is Good.
- Examinations, Evaluations and measures to improve on students' performance is commendable.

Weakness:

- Research part in terms of levelled paper publishing must be improved.
- Parents' involvement through regular meetings shall be there to improve facility-wise as well as performance-wise.

Opportunities:

- Students' outside participation can be improved which will give them a global platform.
- Students can be clubbed with faculties for funded-projects as well as for writing research papers.
- Opportunities for Internship/Job can be extracted out with industry interactions.

Challenges:

- Modern Equipment / Set-Ups / Software shall be added in labs.
- Communication skill/personality development classes for students shall start from 1st year so that it can help in placements.

Best Practice (s) / Innovations of the Department:

- Mentoring for students is a good initiative.
- Recording of experiments of various laboratories.

Future of the Department:

- The department is working in all dimensions e.g. in Students' continuous development through a well-defined syllabus, utilizing various delivery modes for teaching, proper evaluation and continuous improvement through various mechanisms and also in the field of Faculty development.
- There is a continuous improvement in the performance of department in terms of University Results, Student-Placements, Knowledge Impart, Industrial Interactions, Socio-cultural Involvement and Research in terms of papers and product development.
- As a mature department, there is a need now to inculcate some novel approaches that are a part of established institutions e.g. Student and Faculty-Exchange Programs, State of Art Lab development, Health-Club, regular Alumni Meets, etc. to keep the students/faculty updated with latest technological developments and to cater the needs of Industry.
