About the Event

The World Environment Day was celebrated on 5th of June, 2024 at JECRC Foundation was a significant event aimed at raising awareness about environmental conservation and fostering sustainable practices within the college community which was conducted by Fruit Full Jaipur and coordinated by Prof. Mukesh Agarwal Sir and Ms. Chitra Khandelwal ma'am. Graced by distinguished guests, including the Principal and Registrar of JECRC Foundation, the event featured speeches emphasizing the importance of addressing global environmental challenges such as climate change, pollution, and deforestation. The Principal and Registrar both highlighted the role of educational institutions in promoting sustainability and encouraged students and staff to adopt eco-friendly practices. The celebration included a variety of activities such as tree planting, waste segregation campaigns, and workshops on sustainability, alongside student presentations on innovative environmental solutions. The event concluded with a pledge to commit to personal and collective efforts in protecting the environment. This celebration served as an impactful reminder of the collective responsibility to create a greener, more sustainable future.

Session Summary

The celebration of World Environment Day on 5th of June, 2024 at JECRC Foundation was organized Fruit Full Jaipur coordinated by Prof. Mukesh Agarwal Sir and Ms. Chitra Khandelwal ma'am and it was a meaningful event that brought together the college community to raise awareness about the importance of environmental conservation. The event was graced by distinguished guests, the Principal Dr. V. K. Chandana Sir and the Registrar of the college Prof. R. K. Mangal Sir, who shared their thoughts on the significance of preserving our environment for future generations.

The celebration included speeches highlighting various environmental issues, initiatives for sustainability, and the role of educational institutions in promoting eco-friendly practices. The Principal emphasized the need for collective action to address global environmental challenges, while the Registrar encouraged students and staff to actively participate in green initiatives within and outside the campus.

The event also featured student-led activities such as tree planting, recycling campaigns, and informative presentations, all aimed at promoting environmental awareness. The day ended with a commitment to continue efforts in fostering a greener, more sustainable environment at JECRC Foundation.

The students also presented creative projects and presentations showcasing innovative ideas for tackling environmental issues, such as renewable energy solutions, sustainable agriculture, and eco-friendly technologies.

The event concluded with a pledge, where everyone in attendance promised to take actionable steps towards a more sustainable lifestyle, both within the college and in their personal lives. The day was a powerful reminder of the crucial role that individuals and institutions play in shaping a sustainable future for the planet.

The World Environment Day celebration at JECRC Foundation not only fostered a deeper understanding of environmental issues but also ignited a spirit of responsibility among the students and faculty, reinforcing the importance of working together for the well-being of our planet.
