

JAIPUR ENGINEERING COLLEGE
AND RESEARCH CENTRE

Placement Cell: Annual Report 2016-2017

Vision of Placement department:

To become an Institution renowned for placements of its students and work towards providing them the employability skills desired by top global Companies. To place all the students desiring placements in globally reputed companies.

Mission of Placement department -

Foremost aim is to provide cent percent placement every year.

Focus on inviting best companies and aspirational recruiters to the campus. Motivate students to make their career in right direction by providing them roadmap.

Training and Placement Cell arranges and coordinates various training programmes that aim at enriching the students with special skills to meet the industry expectations in career building and in turn bring laurels to the parent institution.

As per the industrial scenario we identify, the regional and global needs and work upon the areas of improvements and provide platform for the students to gain knowledge so they can excel at their job. Also, to find opportunities for interaction between academia and industry.

Process: The Process followed in placement drives is starts from sharing invitation letter with the company till Joining of the students. We also provide company specific study materials with the students for preparation as received by the company.

1. Approaching Companies: Our outreach team identify the company then approach them for placements by various methods i.e. LinkedIn, personal contacts and other industrial liaisons.
2. Sharing Database: After the discussion with the company we share the database according to their eligibility criteria.
3. Selection Process: Throughout the selection process we always coordinate with the company officials for a smooth process and also ensure that students will get a fair chance.
4. Result Declaration: After the smooth selection process we declare the results after receiving it officially from the company.
5. Onboarding
