Dear [REDACTED]

Greetings from JECRC Foundation!

Subject - Request for empanelment of JECRC Foundation and Invitation for Campus Recruitment program (2020-21 batch)

“The JECRC Foundation”, which has been in existence for more than 19 years now, is amongst the most sought after educational groups in Higher and Technical Education in North India.

Presently, the Foundation has around **10000 plus students** on its rolls in various courses alongside engineering courses which include MBA, MCA, M.Sc., BBA, B. Com, BCA & B.Sc., Design, Hospitality and Hotel Mgmt. etc. The major chunk of the admissions to engineering courses is being routed through JEE examinations. The engineering college is approved by the AICTE, New Delhi and is affiliated to the Rajasthan Technical University, Kota. The size of the final year batch passing out during 2020-21 is approximately 2345 students (1800+ in Engineering & MCA) in forthcoming academic sessions. For a detailed students' profile and status of JECRC Foundation, kindly refer to the attached document in pdf format.

JECRC Foundation believes in providing the organizations with not only mainstream engineers but also the engineers who are academically slightly behind but are as good as any other and have been groomed up and drilled along with all others for practical aspects, skill sets & professional corporate traits so as to make them employable. In 2015, JECRC Foundation added a new vertical “JECRC PLACEMENT CELL (OUTSET)” to the Placement cell of the Institute.

As we jointly combat COVID 19, we would like to hear from you on the mode of collaboration we can plan on during the prevailing pandemic dilution. The Institution would appreciate your hand holding in this travel and we firmly believe that your organization and work-culture would find our student hub fit to serve your organizational vision and business goals.

You are requested to please go through the formal letter of invitation as attached wherein every necessary detail has been mentioned for your kind perusal at a glance.

We look forward to developing a mutually beneficial relationship with you in this regard and await the opportunity to have a personal meeting.

Thanks and Regards

Dear Placement Head,

We are hiring for 2018 batch, let us know the feasible dates to conduct the drive at the earliest possible.

Selection Procedure for Software Trainees:

Step 1: Online Test (conduct by the company in the college campus) - Logical Reasoning & Aptitude / 30 mins; minimum passing marks 60%

Step 2: Group Discussion

Step 3: Face-to-Face Interview

As online test will be only basic shortlisting process. Students who will appear for the online test will be open to attend any other campus interviews, which will appear before InfoObjects Campus.

We are hiring for the following 10 vacancies:

Trainee - Software Developer (Java) - 02 Vacancies

Trainee - Software Developer (Big Data) - 02 Vacancies

Trainee - Software Developer (IOS) - 02 Vacancies

Trainee - Software Developer (DWH) - 02 Vacancies

Trainee - Software Testing / QA - 02 Vacancies

For software trainees, initially for 6 months (during training period) the stipend will be anything between Rs.7000/- to Rs.10,000/- depending on candidate's performance in the interview; & after confirmation the CTC would be around 2.2 LPA to 4.0 LPA based on performance.

Conformation will be purely based on performance during training period.

Must To Have:

- Branch: Computer Science candidates only .
- Communication: must be excellent (8 out of 10).
- Logical Reasoning & Aptitude: 7 out of 10.
- Academics: must have more than 65% throughout.
- No back logs.

Please find the attached excel, we require student data in the pre-define format, which is mentioned in the sheet.

Please do mention that for which vacancy they would like to apply for.

Dear Sh. Ramesh Rawat,

We are planning to confirm the drive on 22th October, Monday. Please confirm the feasibility & schedule if fine with you.

As discussed, Please find below the details of GET

GET & PURPOSE

* The GET (Graduate Engineering Trainee) program has been created strategically to meet Metacube's human resource requirements by nurturing talented fresh engineering graduates into high quality software professionals.

* GET program includes six-month intensive theoretical and practical training on one or more of technology platforms such as J2EE, .Net, SFDC, Angular etc. Subsequent to the training the candidates get the opportunity to work on real life challenging projects with global teams giving them exposure to latest engineering processes, tools, technologies and ideas.

ELIGIBILITY CRITERIA

* BE Computer Science/IT/Electronic students who are in the final year of their Engineering program.

* Students should have scored a minimum of 70% in Class Xth and XIIth, and 60% in B.E.

* The acknowledgment to eligible applicants will be sent by email at their email ids mentioned in the application form along with the schedule (date , time and venue) of the GET Exam.

EXAMINATION PATTERN

* Eligible candidates will appear for the online GET Programming Aptitude Test on www.tpohub.com The test consists of objective questions primarily based on program fragments, and tests the understanding of candidate with respect to programming concepts and logic.

* Candidates shortlisted on the basis of GET Programming Aptitude Test, will appear for the online Advanced Programming Test on the same day. In the Advanced Programming Test the candidate is asked to write programs/functions for 4-5 problems using one of the following programming languages- C, C++ or Java.

* Candidates shortlisted on the basis of The Advanced Programming Test will be invited for Personal interview at Metacube office premises. Personal Interview will be technical in nature.

DATE OF JOINING

* Offered candidate will join Metacube as Software Engineer Trainee on 10th January 2019.

COMPENSATION

* CTC of 3.5 lac per annum for the first year from the date of joining.

* CTC of 4.5 lac per annum for the second year from the date of joining.

* 10,000 stipend during first 6 months Internship.

All trainees will sign a bond of two years from the date of joining.

Please share student data in the attached format..

Thanks n Regards,

Hi JECRC Team,

Apropos our earlier discussions, we would like to go ahead with our campus recruitment drive at your institute for MTX.

MTX Group Inc. is a Salesforce Gold Consulting Partner working with the US Public Sector and niche Commercial Clients. MTX also has its own AI platform - Maverick.io AI - which enables clients to solve critical business problems with the aid of Cognitive Decision Engines and Purpose-Built Artificial Neural Networks. We have recently hired around 30 freshers who are already working on Salesforce and AI projects.

MTX is a fast-growing company with 9 offices across the USA and India. With an existing headcount of 240+, we are on the lookout for energetic fast-learners to join us as we expand our business across the globe.

We would like to visit your campus for our recruitment drive in the upcoming weeks. We are offering a package of 6.5 LPA for the selected candidates. Please find below the company overview and the job description. Please let us know when we could come to visit your campus.

Feel free to get in touch, in case you have further queries.
