

KALAKRITI

Kalakriti provides a chance to students to show their creativity. It's a competition which test your ability to think and express your creativity and imagination. It is providing a platform to students to explore their creativity.

We will provide each team with some basic craft items and a suspense material (an absolute waste material) to make something creative based on the given theme.

In addition to proper use of materials, creativity and imagination, judgement would also be based on cleanliness.

RULES:

1. Time limit will be 2 hours.
2. Team should be of three members.
3. Use of at least 2 materials and 1 suspense material is compulsory.
4. Materials would be provided to each team in the starting of event in fixed amount, NO extra material will be provided.
5. Use of mobile phones is strictly prohibited.
6. Exchange of material from other teams is strictly not allowed.
7. Marks would be given on the basis of best use of materials provided, creativity and cleanliness.

GUIDELINES:

1. Teams have to bring their own colours, geometry box, scissors and fevicol etc.
2. Team need to keep the table clean. As points for cleanliness will be counted.
3. Students of any year can participate in this event.

JUDGEMENTAL CRITERIA:

1. Innovative idea
2. Creativity
3. Cleanliness

JUDGES:

1. Dr. Ritu Dak
(Social worker in Baroda for handicapped; Director of Vidhya ashram public school and Balbhvan University)
2. Mr. Manish Jain
(Deputy Director, J.E.C.R.C.)

REGISTRATION FEES: Rs.150 (Per Team)

PRIZES:

1. Cash prize
1st Prize: Rs2000
2nd Prize: Rs1000
2. Participation certificate will be given to all.

VENUE: CG and CF Floor C-Block

DATE: 25-03-2018

TIME: 12:30 PM – 3:30 PM

FACULTY COORDINATOR:

- 1 Dr. Rekha Mithal
- 2 Dr. Seema Joshi

STUDENT COORDINATOR:

1. Chesta Porwal
2. Chesta Singhal

KALAKRITI

Date: 25th March, 2018

Team Atrangi with collaboration with applied science proposed KALAKRITI which was based on the concept of Best out of Waste during the cultural fest of Jaipur Engineering College and Research Centre 'Renaissance'. It was recognized as flagship event. Participants here were provided with items like matchboxes, bottle caps, ice cream sticks, and many such items which were not related to each other. A suspense item was also given after 1 hour which added curiosity among everyone. A total count of 105 participants gave us the energy to make the event more successful. At the end they came up with great outputs. Many performances like singing, interaction with members, DJ, and exclusive coupons kept the audience engaged as the event progressed. Participants were given certificates and winners were awarded with cash prizes. The honoured judges were Mr. Manish Jain and Dr. Ritu Dak. The event ended with result declaration and total of Rs3000 cash prize awarded.
