

Institution shows gender sensitivity in providing facilities such as:

1. Safety and Security

2. Counselling

3. Common Room

Jaipur Engineering College and Research centre gives the highest priority on ascertaining the safety and security of the female students, faculty and other employees. It also provides facilities like common room and counselling services as it believes supportive, safe and conducive environments are critical to one's growth.

Safety & Security:

The institute has taken the following safety & security measures -

Security Guards at the main gate allow the persons only if they have proper ID proof and reason. In addition, security guards around the campus keep a vigilant eye to ensure the safety and security of the students.

Constitutional committees like Anti-ragging committee, Grievance Redressal Committee and women cell committee are constituted as per the guidelines and there have been functioning actively to ensure the safety and security of the students.

In the campus, CCTV Cameras are installed at different locations to ensure the safety and security of the students.

Do's and Don'ts are displayed in each laboratory and students are briefed on safety precautions to.

Separate hostels for girls and boys with good security are provided.

Precautions are taken during transport, in the campus, canteen, and library, sports area to monitor the movement of students and ensure safety of the students. Security checkpoints at all campus entries and exits and round the clock security at Main gates.

Counselling:

Active counselling system followed in the institution provides effective counselling to the students, including gender sensitive issues.

The girls are encouraged through counselling to participate in various activities like Cultural events, Sports, training sessions, workshops etc. as per their comfort and interests.

The Institution has a well-defined student mentoring system for all the programs starting from the first semester. The main objective of mentoring is to help each student in taking right decisions for their academic and personal growth. In addition, mentoring will help to boost student's morale and improve their learning abilities. Each faculty who mentors the student tries to help the individual regarding their academic and personal issues.

No. JECRC/2018-19/CAO/09

02 Nov., 2018

**SAFETY AND SECURITY ARRANGEMENTS DURING
DIWALI VACATIONS (04 Nov., 2018 to 09 Nov., 2018)**

With a view to keep the College property safe and secure during the above Holidays, as outlined in Principal's circular No. JECRC/01/2018-19/122 dt.29-10-2018, it has been decided to take the usual precautions as under:-

a. College Main Buildings incl. all blocks :-

All Labs. / Workshops / Library etc.: The Lab Technicians / Librarians etc. will ensure that all the equipment / instruments / computers etc., not requiring re-charge, are de-plugged. All the fans and lights shall be switched off and windows and taps closed. Rooms shall be locked and sealed. This will be cross-checked and ensured by the concerned HoD's representative and confirmed by the HoDs/Librarian in writing to the Principal before leaving the College campus on 03 Nov., 2018 for proceeding on above Holidays.

All the remaining rooms in the above buildings, i.e. LTs/LIIs/Tutorial Rooms/Faculty Rooms/ Offices / Toilets etc.: The relevant supervisors shall ensure compliance, as indicated above.

Note: All concerned shall strictly ensure that no human being/live stock gets locked inadvertently in any place.

b. Sweeping of College campus: The whole campus shall need sweeping & cleaning/dusting of all rooms/library/ labs, etc. & furniture and cleaning of toilets particularly on 10 Nov., 2018 before the teaching resumes on that day. Accordingly, the complete support staff shall report early i.e. by 0730 hours to tackle this situation. Supervisors shall instruct and guide the maintenance staff accordingly.

c. Transportation: All the buses will be parked safely in JECRC Campus & keys sealed by Shri Ravi Bhatnagar. The keys shall be re-issued by him on 09 Nov., 2018 for cleaning of buses properly before plying on 10 Nov., 2018.

d. Since the Boys' Hostel No 2 shall be functioning partially and one Warden shall be staying back, by turn, this Warden shall take few rounds of the whole Campus, in a random manner, to check and ensure that everything is in order. He will be in constant touch with all the Security Guards and will report to the undersigned on a daily basis.

e. Security Guards: All the security guards will be on constant vigil and remain alert and watchful at all times, and shall report telephonically to the undersigned (Mob. No. 9982682475) & Shri Aaizz Khan (Mob. No. 9982682906) on a daily basis.

f. Hostels: All the Wardens shall ensure that all lights and fans are switched off, electrical equipment de-plugged, water taps are closed, all the windows are shut and closed & no person/live-stock is left inside the bathroom / room before the students lock the door of their rooms to proceed for the holidays. Electric equipments shall be de-plugged before closing the mess and all other rooms, wherever not in use. **The Wardens, Mess and maintenance staff shall avail vacations as decided and report back for duty on 10 Nov., 2018 (FN) to prepare for hostels' full fledged reopening with effect from Lunch that day.**
