There is nothing more expressive and pure as the art of dancing. Add some exercise to it and you get the popular dance form of 'Zumba'.

The second chapter of the 'Joy of Giving Week' was all about children expressing themselves through dance. A big thanks to Ms. Shefali Jain who took time to come and helped us in adding another pearl in the treasure chest of memories that we have made with our kids.

Beauty can be found even in discarded things and to bring out the beauty out of those is creativity.

With the same thought, the third chapter of the Joy of Giving Week was 'Best out of Waste' activity session in which the kids made paper bags using old newspapers. Thus, enhancing their creative skills as well as spreading awareness about environmental issues and at the same time, teaching them that plastic bags are obscene and harmful. Instead, we should use paper bags.

Another fascinating day of Joy Of Giving week, blended with blossoming waves of laughter, engulfed the cheerful and innocent faces of our little kids.

The fourth day of this event was dedicated to a 'Cultural Program', in which the children got the opportunity to perform various activities like dance, singing etc which went in a long way to help them overcome their stage fear.

The entire event was amazing & the wonderful performance by the kids added further icing on the cake.

Zarurat added 12 new photos to the album: **JOGW - Day 5 : Nahargarh Biological Park visit** — with Vidit Gupta.

October 7, 2018 · 🌐

The fifth day of the 'Joy Of Giving Week' was all about being congenial with the animals around. Today we visited 'Nahargarh Biological Park' to help the kids gain knowledge about the varieties of Fauna and give them an opportunity to connect with the environment.
