JAIPUR ENGINEERING COLLEGE AND RESEARCH CENTRE, JAIPUR DEPARTMENT ELECTRICAL ENGINEERING

INTRODUCTION – SARAS DAIRY (PVT) LTD.

We all assembled at the college at 10 o'clock in the morning and left the college by a Bus. We reached the SARAS at 10:30 AM. Saras Member in-charge of production received us at the entrance and gave a brief introduction of the dairy plant. The visit came to an end at 1PM.

We left the company premises around 01:30 PM after queries, and refreshment of the ice cream they served at the SARAS Dairy.

We enjoyed a lot. The visit was very informative and interesting one. As students of Electrical Engineering, we learned technical applications (example: maintain temperature of milk, different machines automation and the power on which they are working) and also about programming Applications.

JAIPUR ENGINEERING COLLEGE AND RESEARCH CENTRE, JAIPUR
DEPARTMENT ELECTRICAL ENGINEERING

We express our thanks to the Principal who permitted us for the visit, HOD Sir for his kind concern, the faculty members who accompanied us and the officials who explained the various departments in the company.

Saras dairy is located at Gandhi Nagar, Jaipur. It was established in the 1981. It is a leading dairy product producing company, which captures about 70% of market in Jaipur in dairy products.

- ❖ It was funded by NDDB with 365 crores rupees. This amount was issued for 21 plants all over Rajasthan. 17 cores rupee was budgeted to Jaipur Saras Dairy.
- ❖ It has 5327 booths to distribute the milk all over the city.
