VISION AND MISSION OF JECRC

VISION

- To become a renowned center of outcome based learning, and work towards academic, professional, cultural and social enrichment of the lives of individuals and communities.

MISSION

- Focus on evaluation of learning outcomes and motivate students to inculcate research aptitude by project based learning.
- Identify, based on informed perception of Indian, regional and global needs, areas of focus and provide platform to gain knowledge and solutions.
- Offer opportunities for interaction between academia and industry.
- Develop human potential to its fullest extent so that intellectually capable and imaginatively gifted leaders can emerge in a range of professions.

PARICHAY 2023

PARICHAY'23" – An introduction to the new opportunities ahead!

As the eagerly anticipated CLASS OF 2023 stepped into the unknown, know that orientation program was more than just a guide; it was a hand-crafted adventure into our vibrant traditions and culture, offering a sneak peek into the thrilling journey ahead.

Presence of various renowned personalities filled everyone with immense joy! Gracious dance performances, dose of laughter by Jaspreet Singh, words of wisdom Dr. Mohit Gupta, Mr, Vaibhai Jain brimmed everyone with happiness.

As students took their first steps on this exciting journey under the guiding stars of our elders, they were inspired to reach new heights and write a story of success, gratitude, and unity.

A heartwarming Teachers' Day Felicitation Ceremony to honor the incredible educators who have dedicated almost 15 years of their lives to shaping young minds with knowledge and wisdom took place. From the spiritually enriching journey at SRC to giving a helping hand at Abhyudaya to the invaluable connections through the Alumni Cell and the magic of PR & Media, this orientation was a treasure trove of knowledge and insight.

PARICHAY'23 concluded with a magical evening filled with music, dancing, and endless fun! Our very own JECRC band, Avyaan, took the stage and rocked the night for our freshers.

SMART INDIA HACKATHON

The Smart India Hackathon, a convergence of bright minds, unfolded with a multitude of joyful and radiant faces. It was an electrifying event pulsating with determination and optimism. It was the collective energy as teams immersed themselves in solving real-world challenges. It was the exhilaration of presenting ideas before esteemed judges and industry leaders. Most significantly, it was the deep-seated pride in contributing to the nation's advancement.

In essence, the Smart India Hackathon transcends competition; it was the celebration of innovation, a testament to the power of teamwork, and a reaffirmation that radiant faces and boundless potential herald India's technological future.

The stage was cheered up by the welcome of our HON'BLE guests Mr. Sanjay Bhattacharya, he is a global consulting leader at Wipro.

Also HON'BLE guest Mr. Prof M.M. Sharma, he is Registrar of MNIT, Jaipur. Their presence added a special significance to our event.

In a grand felicitation ceremony, we honored these brilliant minds who have showcased exceptional idea. Cash prizes were awarded to uplift their innovations and transform them into reality.

Participants were too cheered up by the motivational words of Shree Arpit Agrawal Sir

SOCIAL EVENTS

JOY OF GIVING WEEK

Team Zarurat banded with the joyful week of giving with some impressive events prioritising generosity and humanity.

Under the blazing sun the kids showed their true spirit, made unforgettable memories and felt like champions of the field. They added another incredible Sports Day in the books.

VASTRA SAMAN

A successful Vastra Samaan Drive; To encourage students of JECRC Foundation campus to donate clothes and thus help someone with their actions, through the channel of this drive

After the given time, once had come and gone, all the members of Zarurat club came together to bring the cartons — now brimming with clothes, boasting the sincerity of people's pledge to be helpful when possible.

However, this time these cartons were not a collection hub, but a vessel of pride, filled with clothes, ready to be delivered to kids.

The smiling face of those kids sensed a feeling of happiness amongst all the JECRCians. It was indeed a matter of proud!

It also witnessed some engaging dance performances from the little ones followed by an open mic competition. The event marks all the seven activities per day beginning from Sunday, 29/10/2023.

in all, it was a worthwhile event with everyone brimmed with emotions of humanity.

NSS CHECKUP CAMP

Embraced the cause of well-being and health promotion! With immense pride and dedication, NSS-JECRC orchestrated a meticulously executed Eye and Cancer Checkup Camp at the esteemed premises of JECRC College on the auspicious date of October 17, 2023

The event aimed not only to provide health checkups but also to educate attendees about preventive measures and promote a culture of proactive health management.

The Cancer and Eye Checkup Camp organized by NSS JECRC stands as a testament to the university's dedication to social responsibility. It served as a reminder that collective efforts can indeed bring about positive change in the world around us.

BLOOD DONATION CAMP

Ashayein's Blood Donation Camp with JECRC Foundation - a heartwarming event of giving life and hope to those in need.

Amidst the kaleidoscope of festive colors, the act of donating blood became a sacred ritual, a selfless offering to those in need.

Every drop of blood is a lifeline, and the mission is to save and serve.

BRIGHT NIGHTS OF JECRC

FRESHER'S PARTY

In the vibrant tapestry of college life, the Freshers Party 2023 emerged as a dazzling constellation, casting its spell on the eager minds of our newest recruits. Hosted with exuberance and finesse, this annual gala was a splendid testament to the spirit of camaraderie and celebration that defines our college community.

The theme for the night, 'Bollywood' brought a vivid splash of color to the affair, setting the stage.

The Freshers Party 2023 proved to be not just an event but an experience—a collective memory etched into the hearts of all who attended.

Sound Echoed: "DAL - BATI CHOORMA, JECRC SOORMA"

NAVRANG

The vibrant celebration of 'Navrang,' a garba event that transformed our gathering space into a kaleidoscope of colors and rhythmic beats.

The venue was adorned with bright hues, twinkling lights, and traditional decorations that transported attendees to a festive realm. Dressed in their resplendent traditional attire, students engaged in spirited dandiya and garba, embracing the cultural heritage that defines the festival.

The highlight of the evening was the announcement of the "Navrang" Dandiya Event winners. The title of Dandiya Maestro and Garba Queen was bestowed upon the most captivating performers of the night.

As the night concluded, "Navrang" left an indelible mark on our college's cultural calendar, symbolizing the beauty of diversity and the joy that comes from celebrating our rich heritage. The winners, along with all participants, contributed to the event's success, creating memories that will be cherished for years to come.

ZERO HOUR SUMMIT

In the hallowed halls of intellectual exchange, where ideas clash and convictions find their voice, the Zero Hour Summit 2023 emerged as a beacon of rigorous debate and passionate discourse.

As the debate sessions unfolded, the audience witnessed the transformation of ordinary discussions into intellectual battlegrounds where ideas clashed, merged, and evolved. The heated debates were not just a display of verbal acrobatics but a testament to the profound impact discourse can have on shaping our perspectives and fostering a culture of dialogue.

The atmosphere was charged with anticipation as participants from diverse backgrounds and disciplines gathered to engage in the art of argumentation. U M M I T

Beyond the glitz and glamour of the event, the formalities inherent in the debate process served as a powerful vehicle for fostering critical thinking, honing communication skills, and instilling a sense of civic responsibility.

Beyond the winners and losers, it left an indelible mark on the minds of participants and spectators

ENGLISH PROFICIENCY TEST

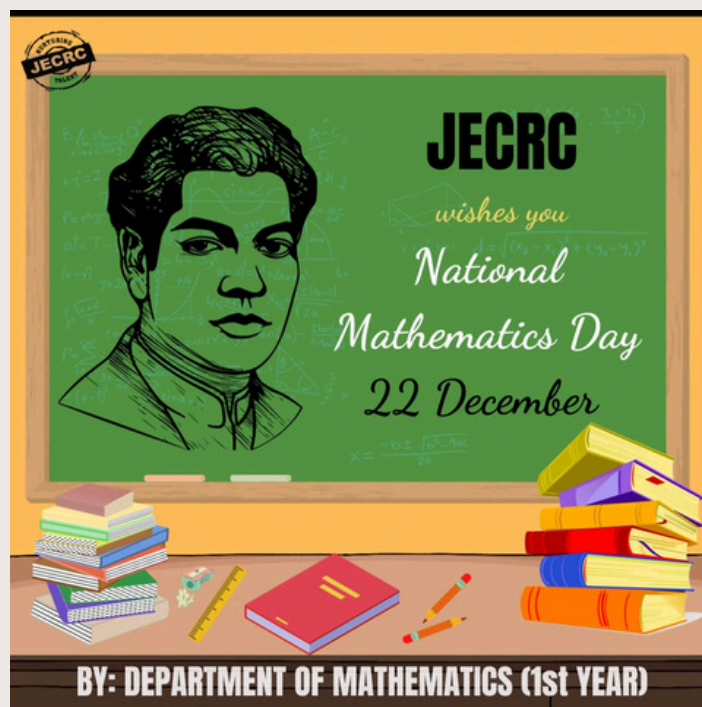

The Department of English and Humanities took the initiative to organize an English Proficiency Test for first-year students on February 6, 2023. This test was meticulously designed to assess students' grammatical acumen and evaluate the depth of their vocabulary. This endeavor aimed to enhance students' communication skills by providing them with valuable feedback and insights into their linguistic strengths and weaknesses. Ultimately, the test served as a catalyst for boosting students' confidence in their language proficiency, empowering them to excel in both academic and professional spheres where effective communication is paramount.

QUIZ ON MATHEMATICS

In honor of the legendary mathematician Srinivasa Ramanujan's birthday, the Department of Mathematics celebrated National Mathematics Day on December 22.

To make this day even more special, they organized an exciting mathematics quiz. The quiz promised to be both fun and intellectually stimulating! Participants immersed themselves in the world of numbers, equations, and geometric concepts, testing their problem-solving skills and mathematical intuition. Each question served as a gateway to exploration, fostering a spirit of curiosity and discovery among the participants.

FACULTY ACHIEVEMENTS

- Dr. Sonia Khubchandani, Associate Professor (English), Department of Applied Sciences represented as keynote speaker, on the topic 'Role of Soft Skills' at IHMS institute of Hotel Management in the orientation programme where she interacted with large number of students.
- Dr. Kashish Parwani, Associate Professor, Department of Mathematics represented as keynote speaker in Technical Session **Nanotechnology and its application** of the two days National Multidisciplinary Conference on Academic Research, NMCAR 2024..
- Dr. Sonia Khubchandani, Associate Professor (English), Department of Applied Science presented her valuable knowledge as a speaker in Six days skill development program on "Personality Development and Communication Skills" from 7th - 12th August 2023, organized at Poornima Institute of Engineering & Technology, Jaipur.

STUDENT'S ACHIEVEMENTS

- Tushar Dhaker secured first position in the Inter College Badminton Tournament organised from 06 November 2023 to 08 November 2023.
- Face 'n' Footlights, drama club secured third position in the Techno - cultural Fest Event of IIT Bombay, Mood Indigo 2023, organised from 17 Decmeber 2023 to 21 December 2023.
- Nisheet Saini demonstrated his exceptional coding skills and won second prize in Clash Of Coders Competition.
- Pushpendra Singh (1st year, Electrical Brach) secured third position in English Proficiency Test conducted on 23 December 2023.
- Sanya Khanam won third prize in Clash of Coders competition.
- Priyansh Porwal (1st Year, CSE Branch), secured first position in Zero Hour Summit 2023.

LITERARY CORNER

THE HUNTER OR THE PREY

DANCING IN THE WOODS
I SEE SPARROWS FILLED WITH LIFE
IN THE DARKNESS YOU CAN SEE
THE EAGLE WAITING TO TAKE FLIGHT...

BE THE HUNTER BE THE PREY
IT'S A CHOICE YOU HAVE TO MAKE
THE WRONG RESULTS IN DEATH
THE RIGHT ONE MAKES YOUR WAY

IT IS THE CYCLE OF LIFE
FOR NOBODY WILL IT STOP
BE THE SINNER OR THE SAINT
MAY YOU BE LOW OR ON THE TOP

THE ALL MIGHTY IS UNFAIR
HE MAKES YOU BEAR ALL THIS PAIN
AND THEN ONE DAY YOU JUST VANISH
LEAVING YOUR STRUGGLES IN VAIN.

O WORLD HAVE MERCY
FOR THIS IS MY LAST PRAYER
THE AMOUNT OF INJUSTICE IN THIS UNIVERSE
MAKES DEATH SEEM TO BE FAIR.

"LOVE THY NEIGHBOUR AS THYSELF",
IS WHAT THE ELDERS SAY
BUT THEY STILL LAUGH AT THE TELEVISION,
WHILE WITNESSING THE HUNTER BECOME THE PREY.

IT-Q

बदलाव – द चेंजेस

आ गया कलयुग
जी हां आ गया कलयुग चला गया सतयुग
पाप अधर्म का आ गया है ये युग,

निर्भया केस
निर्भया केस जैसे पाप होने लगे है
लोग राक्षसों में तब्दील होने लगे है,

अब नहीं रुके की अब नहीं रुके तो करना पड़ेगा
अफसोस
क्यूकी ये दुनिया अब हो चुकी है राक्षसों की फौज,

तो बदलाव की कहानी अब करनी है शुरू
राक्षसों का अंत तभी होगा शुरू,

करना है अपने मन को साफ
नहीं तो भरी पड़ेगा इसका हिसाब,

बदलाव की शुरुआत करनी है इस मन से
खत्म करना है ये पाप जो हो रहा है इस तन से,

तो हो जाते हैं शुरू इस बदलाव की तैयारी में
बढ़ाते हैं एक एक कदम पूरी होशियारी में,

दिखा देंगे बदलाव से की क्या है हम
इस संसार को बदल देने वाले युवा है हम
इस कलयुग के कल्याणी है हम
इस धरती के उत्तम प्राणी है हम ॥

J-GAZETTE

From the EDITORS'S DESK

Dear Esteemed Colleagues and Friends,

To witness the culmination of our collective wisdom, experience, and passion embodied in this publication is nothing short of breathtaking. Each word, each sentence, meticulously crafted to capture the essence of our department's journey, reflects the unparalleled dedication and expertise of our esteemed faculty members.

With overflowing gratitude and a heart brimming with pride, I extend my deepest appreciation to each and every one of you for your unwavering dedication and tireless efforts in shaping the masterpiece that is our 2024 edition of the First Semester department newsletter.

In the spirit of continuous improvement, I eagerly invite your feedback and suggestions, knowing full well that it is through collaboration and collective wisdom that we shall soar to even greater heights.

Warmest regards,

Dr. Sonia Khubchandani

Associate Professor

From the

EDITORS'S DESK

Dear Engineering Students,

I am filled with a myriad of emotions—excitement, gratitude, and an overwhelming sense of growth. Serving as the editor for our college semester magazine has been an enlightening experience, allowing me to not only witness but actively participate in the diverse tapestry that is our college life.

One of the most valuable lessons this role has imparted is the importance of effective communication. Crafting articles, interviewing peers, and collaborating with contributors has been a constant reminder that every voice matters.

Moreover, being the editor has instilled in me a profound sense of responsibility. It is a responsibility to accurately represent the diverse experiences and talents within our college, to celebrate achievements big and small, and to foster a sense of unity among the student body

As I wrap up my first semester, I am grateful for the support of my fellow students, faculty mentors, and the incredible editorial team. Together, we have not only created a magazine but also a platform for self-expression, creativity, and the celebration of our shared journey..

We encourage you to contribute to the newsletter by submitting your own articles, photos, and ideas. We will feature achievements about our students, faculty, and staff, as well as highlight some of the exciting research and projects happening within our department.

Finally, I would like to thank all of the students, faculty, and staff who contributed to this newsletter.

Sincerely,

Priyansh Porwal
