JECRC : WHERE TALENT | 2 Decades of Nurturing Talent MEETS OPPORTUNITY

JECRC Foundation

JECRC, right from the outset, has fostered an unwavering desire to reach unrivaled levels of academic excellence, as evidenced by its visionary objectives and novel endeavours. Established in the year 2000 as grown in leaps and bounds over past 24 years and is presently one of the prestigious and most acclaimed university in North India.

24

for batch 2025

JECRC was established under the aegis of JECRC foundation group and was established by virtue of Rajasthan Act no. 1958 in the year 2000 and JU in 2012. JECRC has been committed to its objectives and goals from the very start, surpassing itself year after year as it treads the path of excellence.

Standing tall JECRC has earned prestigious reputation in the field of technology, education and research. Colossal campus premises, vigorous industry - driven curricula and exceptional research infrastructure have triumphed in placing the university as a distinguished one in class. We believe that education is the expression of excellence already present in human kind. We endeavor to create distinction by virtue of the excellent education imparted to the students, modern research infrastructure, modern technology, enabled teaching learning tools, vigorous industry driven curricula, outstanding laboratory facilities and other ample amenities.

- Comprehensive and industry-oriented education.
- Strong industry connect and proven track record of excellent campus placements.
- Hands-on learning experiences with 300 hours of recruitment training.
- Unmatched placement record with 167+ companies making 2008+ offers.
- Average and highest packages of INR 6.8 lacs and INR 52 lacs p.a., respectively, across various sectors.
- Companies from the Core Sector such as Pinnacle, TATA Power, RMC Switchgear, Ashiana housing, Asahi India Glass Ltd., BOSCH, Bridgestone, Era Group, Ericsson, FEV India, FLSmidth, Genus Power, GR Infra, HG Infra, JK Cement, etc. have visited our campus for recruitment.
- Well-rounded education that emphasizes academic excellence, personal growth, and professional success.
- Extensive participation in social service activities like live blood donation, teaching unprivileged children etc.
- Exposure to global industry trends and practices through tie-ups with international universities and industry associations through corporate collaborations

With a strong industry connect, hands-on learning experiences, and a proven track record of excellent campus placements, JECRC has become synonymous with placements. The institution's focus on academic excellence, personal growth, and professional success, along with its numerous career development programs, make it an ideal choice for students looking to build a successful career.

A LEAP IN CONVENTIONAL COURSES

Opportunities in Non IT Sectors

A Leap in Conventional Courses (**MBA, BBA, B.Com, Design, Law, Mass Communication & Journalism, Humanities, Allied Sciences & B.Sc**).

At JECRC, we always strive for the perfect placement record, helping our students get the perfect start for a rewarding career at the best corporate. Placements have always been critical in recognizing students' potential, and it is the goal of the entire JECRC community to raise the bar on placements year after year by instilling significant technical and nontechnical knowledge in students, preparing them to meet the ever-changing industry requirements and challenges.

The placement season in New Schools is putting its best foot forward this year in creating a legacy. And it has already begun with New School starting to chip in very well, by placing 260+ creative young minds and instilling within them the vision and values of excellence.

Alongside engineering students, 2024 has been a record-breaking phase for JECRC flourishing conventional Courses. With the **highest package of 15 LPA** offered on the campus this placement season 2024 witnessed the famous recruiters like **Nestle, Cognizant, Accenture and Wipro** cherry-picked our students from the Non IT Sectors.

This year JECRC University hosted a corporate covering all the verticals such as **Banking, Finance, Insurance, Information Technology, Consulting, Real Estate, Law Firms, Hospitality, Clinical Research, Hotel, Ed-Tech, Interior Design, FMCG, Product Design & Manufacturing and Architect Firms etc.**

CELL

Beyond Tech Placements

At JECRC, we pride ourselves on providing top-tier placement opportunities across a diverse range of non-engineering courses. Our dedicated placement cell works tirelessly to connect students from **Law, Hotel Management, Broadcast Journalism and Mass Communication (BJMC), Sciences, Design, Allied Health Sciences, and Humanities** with leading organizations in their respective fields. Whether it's global hospitality chains, major media outlets, innovative design studios, reputable healthcare institutions, renowned manufacturing firms, cultural organizations and reputed law firms, our graduates are well-equipped to make their mark.

From internships to full-time positions, our programs are designed to equip students with practical skills and industry insights. The success stories of our alumni, who are leading professionals in their respective fields, stand as a testament to the quality education and career guidance that we provide.

Whether it's advocating for justice, managing luxurious hospitality experiences, reporting groundbreaking news, or pioneering scientific innovations, our graduates are making a significant impact in their industries.

"Every Student Matters"

THE OUTSET PLACEMENT CELL

JECRC Foundation is committed to providing its students with the best opportunities for success, and we believe that a key aspect of this is ensuring 100% placement rates for our graduates. We understand that some students may face challenges in achieving high scores due to a variety of reasons, and we are dedicated to ensuring that they are not excluded from the opportunity to secure excellent placements.

We established the "Outset Cell" in 2015, which is fully dedicated to helping students who may have struggled academically but possess exceptional technical and communication skills. Our philosophy is that every student deserves the chance to succeed, and we work tirelessly to sharpen their skills, provide counseling and facilitate their journey towards securing excellent employment opportunities.

Thanks to these efforts, we are proud to report that we have successfully placed over 1500 engineers who were previously struggling academically. Our Outset Cell has proven to be a tremendous success, and we will continue to expand and improve it to ensure that all our students are given the support they need to achieve their full potential.

CAMPUS RECRUITMENT TRAINING

Empowering Talent for the Future

JECRC Foundation believes in nurturing the talent and serving the excellence. Preparing the students for their high ambitions, JECRC provides them a complete Training Session of 200 hours, a month before the placements. Shaping the diamonds of society, training modules comprises of all the crucial horizons such as Aptitude Test, Group Discussion, Personal and Technical interviews, Mock Drills etc. Such guidance helps JECRCians to outshine and grab the opportunities irrespective of any obstacles.

Learning Smart Technologies to become Industry Ready:

Learning Smart Technologies to become Industry Ready: We provide intensive training to our students on emerging technologies like **Python with Machine learning, Cyber Security, Digital Marketing, Robotics Process Automation, Machine learning with Data Science, SALESFORCE, AI, IOT, Red Hat Linux** Additionally, more than 500 students are certified in Robotics Process Automation by Automation Anywhere which is the largest number by any academic institution throughout the nation. Most of our Pre-final year students had undergone the training on live projects, online courses which leads to certification in these emerging technologies.

BUILDING NEXT GEN OF CODERS

Coding Ecosystem

Hackathon:

Smart India Hackathon provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcates a culture of product innovation and a mindset of problem solving. It is a matter of Pride to announce that JECRC foundation has hosted Smart India Hackathon consecutively 3 times as one of the Nodal Center in India.

JECRC was one of the only 28 colleges from all over the country and one of the only 2 in Rajasthan to have been shortlisted as the nodal centre for conducting the Grand Finale of Smart India Hackathon-2017, 2018 and 2019.

JECRC is engrossed in promoting innovation and out - of -the-box thinking in young minds by conducting various innovative activities each year like JU HackQuest as an internal hackathon to promote coding culture in our campus.

JECRC Foundation has made a fantastic ecosystem of Hackathons at JECRC campuses where more than 15 Hackathons have been organized in the last 3 years. All the projects developed are solving social issues of the society . These Ideas and innovative solutions of the students are nurtured in JECRC Incubation Cell. All the events were mesmerizing and their memories and experiences are wonderful.

Code Warriors:

The basic idea of this initiative is to develop a coding ecosystem in our campuses and to make every student passionate about competitive programming. This includes all-round development in technical and core subjects and boosts the overall performance of JECRCians in the upcoming competitions. The knack of programming not only drives one to the best Internship opportunities but also help one to grab the better placement opportunities in the product based companies like "FAANG" (Facebook, Apple, Amazon, Netflix and Google) and startups with packages ranging 10 LPA and more. We have conducted an internal test with the collaboration with Code Chef for 3000 students and selected 300 out of them and provide them special high quality training of 150 Hours by Industrial experts on Coding and Data structure in Collaboration with Hacker Rank.

At JECRC University, a meticulously planned road map for internship program is curated by the team of faculty experts in the Directorate of Internship. Internship program at JECRC University is aimed to develop intentional learning objectives goals that are structured into experience and supervised by a professional with relevant and related background in the field. One Semester internship has been inculcated in curriculum for final year students to provide students exposure to industrial work environment and gain real world experiences. Internship practice at JU is unique and one of its kind experiences.

- Six months Internship is Mandatory as a part of curriculum in all Disciplines
- Faculty Internship Guides are handpicked by Directorate of Internship and trained to guide students during whole tenure of Internship journey
- Companies are invited in Campus for hiring Interns
- Focus on Stipend based Internships
- Most Stipend linked Internships are converted in to PPOs by employers
- Average Stipend amount Rs.15K per Month
- Rigorous and robust mechanisms for Continuous assessments of Interns
- Regular feedbacks from employer and monitoring through Faculty Internship Guides
- Mentorships by Industry Experts
- Final Evaluation by Industry Experts in relevant Areas of Specializations

“

Four years of my Engineering was nothing less than priceless moments, I vividly remember my first day of Engineering, my engineering friends are lifelong buddies. I always see life as full circle, being a student from JECRC almost 17 years back and being a mentor for students from JECRC as part of Cords season 1 is completely a humbling experience.

”

“

I enjoyed every single day of my time on campus. Thanks to our best faculty, I had a wonderful and helpful educational experience at JU. We had access to a range of educational and recreational opportunities. I want to thank all of my dear professors, classmates, and JU's helping hands for giving me the self-assurance I needed to succeed in my work.

“

Back when people used to mine for gold along riverbanks, they would yell 'Eureka' when they found gold. JECRC was that joy or the gold I panned along the banks of my learning journey. The rich network I built, and the wealth of knowledge are the real treasures that I have earned and will cherish forever.
