## Vice Chairperson Message

Dear HR Leaders ,

Greetings from the JECRC foundation

I send you my warmest congratulations as you have gone above and beyond the call of duty in serving the industries and economy during these unprecedented times. Amidst the pandemic gloom, you have been spreading some cheer, with plans to hire thousands of talents, to meet the requirements of the industry .Dealing with the unanticipated challenges caused by the COVID-19 pandemic has taken a significant toll on people and corporations all across the world. We have prepared our students to face these challenges, fight complacency, and set the stage for continued success.

To meet your expectations, JECRC Foundation is committed to ensuring the holistic development of our students who will be in positions of leadership in the coming years. JECRC foundation empowers knowledge from across disciplines namely Engineering, Management, Hospitality & Hotel Management, Law, Design, Journalism & Mass Communication, Humanities .Our curriculum is updated regularly to amplify the skills of our students. It is consistently monitored by industry experts who make recommendations for addressing the current needs of the market.

It gives me an immense sense of pride to share that JECRC has achieved a new height of an excellent track record of placements by getting 2000+ offers last year despite the Covid 19 Pandemic .Even in challenging situations, we have organized multiple virtual campus drives for leading corporations where they can test the mettle of the students of JECRC and made a smooth procedure for hiring.

I cordially invite you to hire some of the best talents in the country and look forward to engaging with you in multiple ways to serve our mutual interests

**Mr. Arpit Agarwal**  
Vice-Chairperson

## Director HR Message

With a Vision to be a leader amongst engineering institutions in India, constantly pursuing excellence, and offering world class education with values and a mission, to pursue excellence in all facets, JECRC Foundation has made more than its share of contribution to the State and the Nation. The achievements of our alumni, having made their mark in all walks of life the world over, are a testament of our commitment to the vision and mission of the Institute. The exposure provided at JECRC Foundation trains, not just for technological superiority, but also for overall understanding of the world, suitably shaping global careers for our students in the rapid changing arena. Despite the colossal situation with the COVID-19 pandemic, JECRC & faculty members took the challenge and we saw a great promise from our faculty leaders who did a commendable job & seized opportunities to make a difference when and where it was most needed and as the latest numbers tell the story, we have performed phenomenally well!

I am taking this opportunity to invite you for the recruitment of this year's batch. The past year's extraordinary disruptions have changed daily lives of all of us, and yet thanks to equally extraordinary efforts, by our Industry partners, our students have been able to begin their career & pursue their dreams. This year too we would like you to give chance to our students to show their talent with a wide range of specializations at all levels. For details please visit [www.jecrcfoundation.com](http://www.jecrcfoundation.com) Feel free to contact the undersigned at any time for clarifications.

**Prof. Mukt Bihari**  
Director HR

**JECRC Foundation**

"When education sees its course, a dream opens its eyes", is the belief of the foundation under the aegis of which top engineering colleges in India are set up. Education is just a spark for which it ignites the minds and inflames the intellect. Ignited minds change the world and bring us a better tomorrow.

The JECRC Foundation, which is in its 21st year of existence, is amongst the most reputed educational groups in Higher and Technical Education in North India which has 2 large campuses with 10,000 students enrolled as on date in various courses alongside engineering courses, the major chunk of the admissions being routed through JEE examinations. The engineering college is approved by the AICTE, New Delhi and is affiliated to the Rajasthan Technical University, Kota.

**JECRC**  
UNIVERSITY  
BUILD YOUR WORLD

**Batch Size:** As of now a total of 10,000 students are enrolled with the Foundation in various Engineering and Non-Engineering Courses. The final year batch size passing out in session 2021-2022 is 2500 across all the courses.

**Most Preferred Choice of Engineering Aspirants:** JECRC is amongst the most preferred destinations by student's community as every year our seats get filled up on priority. JECRC attracts the top 8% students every year through RPET & JEE admission quota. Out of these around 1000 students are throughout 60% with no backlog status, 800 + students are 65% throughout and 548 students are 70% throughout.

**Top Ranking:** JECRC has been consistently ranked in the top 100 colleges among 6,500 private colleges by various publications like "The Week" and "Outlook". It has recently been ranked as the 9th Best Institute in the entire North Region by "The Week" magazine and 53 rd among all private engineering institutes in India. RTU has also categorized colleges affiliated to it and JECRC has been placed in the A category (permanent affiliation for 5 years) as per QIV rating.

**Active Research and Development Cell:** JECRC faculty and students have been active in research, funded and supported by AICTE, MHRD & DST. JECRC Foundation has a portfolio of more than 10 Crores externally funded research projects. Outlook Magazine has placed JECRC 74 th amongst top 610 engineering institutions in the country including IITs and NITs. In the first hundred engineering institutes, BITS Pilani and JECRC Jaipur are the only Outlook recognized institutions from the whole Rajasthan.

**6 & 2 months Internship Programs:** Foundation sends students for Internship to get exposed to the industry conditions and gain experience in a real working environment. JECRC University offers a 6 month Internship program which starts from January onwards and JECRC College offers 2 months summer training in May-June.

**CRT Program:** JECRC Foundation believes in nurturing talent and serving excellence. Preparing the students for their high ambitions, JECRC provides them a complete Training Session of 200 hours, a month before the placements. Shaping the diamonds of society, training modules comprises all the crucial horizons such as Aptitude Test, Group Discussion, Personal and Technical interviews. Mock Drills etc.

## JAIPUR ENGINEERING COLLEGE AND RESEARCH CENTRE

JECRC Foundation ardently upholds the practice of self learning and intellectual growth which are integral to education. Its premier engineering institute, JECRC holds a commitment to offer the highest standards of education with state-of-the-art infrastructure. Set up in 2000, JECRC has evolved as one of the top-class engineering institutions of the State. JECRC is the 'Preferred Engineering College' amongst aspiring students and draws meritorious students from all parts of the country. This is evident from the fact that top performers in JEE have chosen JECRC during counselling.

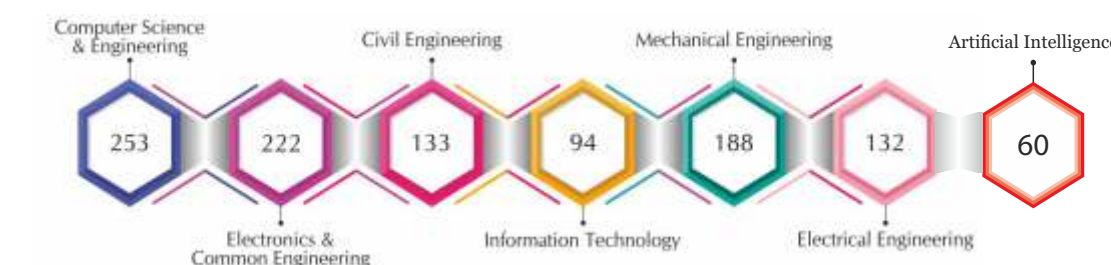

JECRC offers B.Tech programmes in the following disciplines:

- Civil Engineering
- Computer Science & Engineering
- Electrical Engineering
- Electronics & Communication Engineering
- Information Technology
- Mechanical Engineering
- Artificial Intelligence

### Intake Process-

The best minds are selected through Rajasthan Engineering Admission Process (REAP) on the basis of marks obtained in the prestigious Joint Engineering Entrance Examination (JEE).

Choice of The Best Foundation effects top rankers from the common admission pool of applicants for colleges coming under RTU throughout Rajasthan as well through JEE entrance

UNIVERSITY  
BUILD YOUR WORLD

JECRC University is one of the premier technical Universities of North India, Approved by UGC, New Delhi, under the Aegis of JECRC Foundation. JECRC University provides world class education to young ignited minds so that they could shoulder global responsibilities in the years to come. As a University, we see our role as a facilitator for our young students to realize their dreams and hence our motto "Build Your World" with us.

The 32-acre JU campus combines unique classical architecture and thoughtful layout and landscaping to create a perfect learning ecosystem. The campus is located around the prime industrial and institutional hub of Jaipur and is well connected with all parts of the city.

JU aims at creating valuable resources for industry and society through its interventions in creation of research and innovative culture, academic and professional enhancement and cultural enrichment.

**Admission Policy:** JU strictly believes in maintaining the quality of its students hence, follows a very firm and rigid admission policy, where a student must have a minimum score of 60% in 12th for seeking admission in JU. Thus, making the entire lot of the students of first division holders, consequently, offering the recruiters with best of the students.

#### OTHER COURSES AT JECRC

- o School of Engineering (B.Tech, M.Tech)
- o School of IT & CA (BCA, MCA)
- o School of Management (BBA, MBA)
- o School of Hospitality and Management (BHMCT, H&HM)
- o School of Journalism & mass communication (B.A., M.A.)
- o School of Science (B.Sc., M.Sc.)
- o School of Law (B.A. - LLB, B.Sc - LLB, B.com - LLB, BBA - LLB, LLM)
- o School of Design (BVA, B.Des Fashion, B.Des Interior design, B.Des Jewellery Design)
- o School of Humanities (B.A., M.A.)
- o School of Allied Health Science (BPT, BMLT, BRIT, BOTT)
- o Ph.D. (Doctoral Programme) (Ph.D. in Science, Engineering, Management, Law)

#### Admission Highlights

- o More than 72% students were having 70% and above results in their 12th standard examination.
- o More than 75% students admitted in session 2022-26 are from CBSE board and belong to 21 states of the country. And they have excellent verbal and written communication skills.

## The Force Behind Impeccable Placement Records

### Most Preferred Choice of Engineering Aspirants

JECRC Foundation is amongst the most preferred destination by student community as every year our seats get filled up on priority. Foundation attracts top 8% students every year through JEE admission quota.

### Research & Development

Research and Development Activities have always been the core of JECRC Foundation has a portfolio of more than 10 crores externally funded research projects., worth Rs. 60 lacs have been funded by various government agencies.

### Leadership Pipeline

JECRC strongly believes in creating true leaders in various fields and hence, understands the critical role of good leaders in an academic set up. JECRC thus, has a strong embedded panel of true leaders in its management set-up who provide able guidance to the students as well as the faculty of different departments. This endeavour of JECRC has been continuously helping the students to achieve their dream jobs from amongst renowned companies.

### Stellar Rating

Over the last few years, JECRC Foundation has made its mark on the global map through various awards and recognitions that have come our way. In the year 2016-17 as well, JECRC Foundation has been rewarded by the most reputed magazines, commerce chambers and government bodies. "Outlook" has ranked JECRC 79th among engineering colleges of India. "THE WEEK" has ranked JECRC 55th among the top 100 colleges in India and 8th among the top 10 in North Zone. JECRC was ranked 1st among the private engineering colleges in Rajasthan by Dialogue India Academic Awards 2016. ASSOCHAM has recognised JECRC as the best engineering college of 2017 at the Global Industry & Academic Excellence Awards.

### Industry Collaboration & Specialized Resources

It is of vital importance that a candidate should have the practical knowledge of the tools and techniques and hands on experience with the same. To back this thought, JECRC by all means ensures that the Engineers produced by JECRC are not only excelling in the academics but are also industry ready. This model incorporates training from reputed Companies like TCS, Accenture, Pinnacle Infotech, Infosys, Salesforce, Red Hat Linux, Forsk Technologies, CADD Software, Wipro etc.

## Campus Recruitment Training (CRT) - Nurturing JECRC Talent

JECRC Foundation believes in nurturing the talent and serving the excellence. Preparing the students for their high ambitions, JECRC provides them a complete Training Session of 200 hours, a month before the placements. Shaping the diamonds of society, training modules comprises of all the crucial horizons such as Aptitude Test, Group Discussion, Personal and Technical interviews, Mock Drills etc. Such guidance helps JECRCians to outshine and grab the opportunities irrespective of any obstacles.

### Learning Smart Technologies to become Industry Ready:

Learning Smart Technologies to become Industry Ready: We provide intensive training to our students on emerging technologies like Python with Machine learning, Cyber Security, Digital Marketing, Robotics Process Automation, Machine learning with Data Science, SALESFORCE, AI, IOT, Red Hat Linux Additionally, more than 500 students are certified in Robotics Process Automation by Automation Anywhere which is the largest number by any academic institution throughout the nation. Most of our Pre-final year students had undergone the training on live projects, online courses which leads to certification in these emerging technologies.

Group Discussions/ Personal Interview/ Personal Development/ Aptitude/ Behavioral Assessment

JECRC University has entered into an Agreement with this world's leading IT Company, which enables us to offer joint degree programs through our Department of Computer Engineering and Department of Computer Applications & IT in association with Microsoft. Through this one of its kind association, students enrolled in the joint degree programs get industry-relevant technical certifications from Microsoft along with their degrees. The students get the know-how of contemporary technologies like Cloud Computing, AI/ML.

JECRC University is the only University in the state of Rajasthan to offer a 4 Year B.Tech. Program in association with TCS in "Computer Science and Business Systems" (CSBS). This curriculum designed by TCS aims to ensure that the students graduating from the program not only know the core topics of Computer Science but also develop an equal appreciation of humanities, management sciences and human values.

Through this collaboration with IBM, which is the first of its kind in the country, our students have access to a wealth of resources on IBM's Learning Management System, which contains knowledgebase on recent technologies like Cloud Computing, Big Data and Full Stack Developer. We offer certification courses as well as integrated programs in association with IBM.

JECRC University offers India's only 'Pay After Placement' MBA program in association with Sunstone. Under this MoU signed in December 2019, Sunstone will not only provide lectures by prominent industry experts and 9 months industrial internship but also a proven assurance of 100% placements to the enrolled students.

## EC-Council

It is the world's largest Defense Grade certification body in the domain of Cybersecurity. Under this partnership, our students can choose to undergo certifications from a bouquet of courses in the domain of Cyber Security and even a complete 4 Year B.Tech program in Computer Science and Engineering with Specialisation in Cyber Security in association with EC-Council, USA. Instructors and official e-Courseware are provided by EC Council, USA. Bootcamps, Workshop and Cyber Competitions too come along as value additions.

It is a Netherlands based Agile Software Development and Digital Transformation Consulting and Services Company. Under the MoU with Xebia, JECRC University is offering B.Tech. Programs in industry relevant technologies like DevOps, Cloud Computing, Artificial Intelligence, Machine Learning, Big Data and Data Analytics in association with Xebia..

JECRC University becomes the 1st University in India to join hands with Tech Mahindra for providing certifications in the domain of Machine Learning to the students. Tech Mahindra is offering three Bootcamp Certification Courses: Data Analytics, Machine Learning and Industry Machine Learning. Students are trained by Industry experts and get certificates endorsed by Tech Mahindra on successful completion. In the field of upcoming technologies, we have signed an MoU with Tech Mahindra.

It is a global leader company in the domain of Robotics Process Automation (RPA) with a net valuation of 2.6 billion, headquarters in San Jose and a global presence in 35 countries. As a consequence of MoU with Automation Anywhere, we have become the first University in Rajasthan to set up a "Bot Lab" where our students can practise and develop running computer Bots. Talent pool of more than 500 certified RPA students has been created, who have attained the Automation Anywhere's Essential RPA Certificate.

UiPath, headquartered in New York, is a leading Robotic Process Automation vendor providing a complete software platform to automate business processes. As a technology partner, UiPath's experts have trained 10 teachers of JECRC University in an educator workshop. JECRC University has become the pioneer to offer Robotics Process Automation as an elective subject, to make the students industry ready with the knowhow of this latest technology.

It is an initiative of the Government of India in collaboration with the state Governments and Industries. ICT Academy is a not-for-profit society, the first of its kind pioneer venture under the Public-Private-Partnership (PPP) model that endeavors to train and develop the next generation of teachers and industry-ready students. Under the aegis of MoU, ICT Academy will organize Faculty Development Programs at JECRC University in association with industry leaders, corporates.

Under partnership with this IT Firm from Gurgaon headed by Mr. Vishal Jain (Alumni of IIT-Kharagpur and IIM-Ahmedabad), we are offering different specialization programs of B.Tech., BCA, MCA, BBA and MBA in the domains of Data Science, Data Analytics and Data Visualization. Senior and experienced experts from Samatrix, who hail from prestigious institutes like IITs and IIMs will come down to the University for taking classes of the specialized subjects and providing hands on to the students.

It is an American multinational computer software company which has historically focused upon the creation of multimedia and creativity software products, with a more recent foray towards digital marketing software. JECRC University has partnered with Adobe under its Digital Disha Program to provide the students with Artificial Intelligence platform ADOBE Sensei and free ADOBE Spark Licenses for everyone.

JECRC University is the only University in the state of Rajasthan to have a Center of Excellence by Salesforce. The Salesforce CRM is ranked number 1 in the World. Under this preposition, we will develop a Salesforce Lab in the University with 10 licensed installations of the Salesforce Foundation Enterprise Edition. Salesforce technology among the 2500+ students of the CS/IT ecosystem at JECRC University and will bring them together to benefit & increase their expertise in this booming technology.

JECRC University has entered into a distinguished collaboration with Google for its Cloud Technologies. The Cloud Computing Foundation Curriculum by Google introduces students to the breadth of Cloud Technology with concepts, hands-on labs, assessments and a capstone project. More than 27 faculty members have been trained by Google using their QwikLabs platform and have attained certifications and skill badges. More than 300+ students are undergoing this Cloud Course by Google.

JECRC University has become a "NF Silver Achiever" for the Networking Academy Program by CISCO. CISCO supports and facilitates helping the students for various opportunities like Women IT Rock, Find Yourself in the Future, Internship, Placements opportunities etc. Also a CCNA Lab will be set up at the University which will be a networking platform for preparing students for a successful and lucrative career in technology through Cisco Software and Programs.

JECRC University has joined hands with DXC Technology as part of their CSR initiative to train students on skills that will keep them in pace with the requirements of the industry to help them pursue a good career of their choice through e-learning and Live Online Training programs. DXC Technology is a Fortune 500 American Multinational Company having 1.38+ Lacs Employees and we are the only University in the state of Rajasthan to establish a "Center for Women Empowerment" by DXC Technology.

## Corporate Connections

JECRC realized the changing technology dynamics in the industry, which is influenced by different factors like need of solutions for unsolved technical problems, changing characteristics of the social environment etc.

As a next step, in order to empower our students with the latest & prevailing technological skills, we have collaborated with several industry leaders like Microsoft, Google, Tech Mahindra, TCS, IBM, EC Council, ASSOCHAM, Xebia, Samatrix, Automation Anywhere, UiPath, Salesforce, Adobe etc.

Through these collaborations, we could not only get the industry experts on board, which is otherwise difficult to deploy for the education ecosystems, but also attained enhanced innovation through knowledge exchange.

# Research Culture

JECRC Foundation is committed to high research excellence impact and innovation-led learning environment, addressing real-world problems and solving arduous challenges. The strong urge towards contributing to various solutions to persisting problems of the society and the comprehension & effort for filing patents pertaining to Intellectual Property rights are commendable. JECRC Foundation has a strong Research Ecosystem with a portfolio of more than 10 Crores externally funded research projects which include grants received from Department of Science and Technology, Ministry of Electronics and IT, Department of Biotechnology etc. Following are few important projects that JECRC Foundation is currently working upon: Government / Industry Funded Projects & Excellence Centers - Externally Funded Research Projects are another powerful means to strengthen the research eco system at JU. Faculties at JU are engaged in working on various prestigious Government/Industry sponsored projects and nurturing excellence centers in the research areas. The largest and most important of these agencies are the Department of Science and Technology (DST), which awards research grants in the broad area of natural sciences and technology through calls for proposals. The same applies to the Department of Biotechnology (DBT), which specifically promotes research and offers research funding in the field of life sciences. Other prestigious agencies are ICSSR, DRDO, ICHR, ICPR, DAAD, MeitY & many more. Here are the glimpses of externally funded research projects at JECRC University

**JU Women Technology Park sanctioned by DST, GOI :** Research Projects: 35 Million and 4 Million worth Government Funded Projects and Industry Funded Projects respectively have been credited to faculty and students. The Rural Women Technology Park (RWTP) established at JECRC University supports nine Self Help Groups of Goner and Saligrampura villages. Five faculties have been awarded with the country's most prestigious fellowship – Women Scientist A. JECRC University organized ten Subject Expert Committee Meetings of 'Women Scientists Scheme (WOS-A)' of the Department of Science and Technology (DST), Govt. of India, National Science and Technology Management Information System (NSTMIS). More than 9.5 million (INR 95 lakh) grant has been provided from DST for these meetings.

**ISRO Exhibition under auspices of DST, GOI :** Ms. Komal Joshi, Incubation Manager and Head, JU Alumni Association has been sanctioned with a project named “Exhibition cum Scientific Ecosystem for Rural Rajasthan” under the auspices of Science, Technology, Engineering, Mathematics, Medicine (STEMM)- India Initiative (Bharat VigyanDarshan) for the popularization of Science and Technology. In this project, JECRC University would provide a face to the ISRO Exhibition of satellites and space innovations to more than 15000 school students of Rajasthan.

**TIDE by MeitY, Gol :** JECRC University has received the sanction of a project "Technology Incubation and Development of Entrepreneurs (TIDE)" for a grant. of INR 3.1 Crores from Ministry of Electronics and Information Technology (MeitY), Govt. of India. This project was jointly submitted by Dr. Manish Jain and Ms. Komal Joshi

**Research Publication at JU :** JECRC University promotes the faculty to publish their researches in the Scopus/ Web of Science or PubMed/Indian Citation Index journals only. The below mentioned Scopus cite plot indicates the exponential growth of the research publications of the faculty members of JECRC University. The JECRC University encourages the faculty members so that their research oriented approach; the faculty members keep trying to publish their research articles. They have the aptitude to publish their researches in the form of articles, books or chapters in the books and also execute their research aptitude by attending the conferences thus publishing their articles in the conference proceedings as well.

## JECRC Incubation Center (JIC)

JIC, an integral part of JECRC University where we support entrepreneurs at an early stage and help them to create commercially viable and scalable businesses. JIC fosters an entrepreneurial culture around academics, research and innovation.

In three years of operation, JIC has incubated 20+ startups, across various sectors like EdTech, ICT, E-Commerce, AgriTech etc. These startups have raised ₹50 Lacs funding with a prime focus on Rajasthan and North India as geography.

- 20+ Incubated Startups
- ₹50 Lacs Funding Disbursed
- Dedicated Startup Policy
- Experienced Pool of Advisory Board, consisting of Corporate Leaders and Pioneers of entrepreneurship ecosystem

### Incubation Facilities:

- JIC trains the startups to build their Business Model.
- Supporting startups in Pilots and Customer Validations
- Access to Hardware and Software Labs, Co-working Space and other facilities.
- Provides Funding Support
- Product Development with the help of Experienced Domain Experts.
- Access to JIC Networks
- Conduct Promotional activities to showcase their products/achievements
- Provides Business Support - Legal, Finance, Compliance

**Recognition:** JIC is recognized by Ministry of Electronics and Information Technology, Government of India as one of the only 20 G2C centres in India.

JIC has been awarded as the 'Most Promising Academic Incubator in India' by the Asia Today Network.

### Partners of JIC

**TiE Rajasthan:** TiE Rajasthan under the aegis of TiE Global is working as a not for profit making organisation since year 2002 in Rajasthan. Over 200 members of TiE Rajasthan represent different sectors of the industry and are working towards a common goal of fostering entrepreneurship.

**Headstart:** Headstart is one of India's oldest and largest startup ecosystem development organizations. We have been chasing the vision 'changing the world with entrepreneurship' ever since.

**TCS DISQ:** Digital Impact Square (DISQ), A Tata Consultancy Services (TCS) Foundation Initiative, is an open social innovation center - in the city of Nashik, Maharashtra. DISQ encourages innovation using digital technologies to address social challenges prevalent in various sectors.

**AIC Pinnacle:** A globally-focused, industry-backed, Accelerator, Business incubator and government supported incubation and investment platform established as a Section 8 – Not-for-Profit entity created to support innovation, entrepreneurship, fundraising, business plan, virtual incubation program and employment generation.

# Coding Ecosystem at JECRC

## Hackathon

Smart India Hackathons provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcates a culture of product innovation and a mindset of problem solving. It is a matter of Pride to announce that JECRC foundation has hosted Smart India Hackathon consecutively 3 times as one of the Nodal Center in India.

JECRC was one of the only 28 colleges from all over the country and one of the only 2 in Rajasthan to have been shortlisted as the nodal centre for conducting the Grand Finale of Smart India Hackathon-2017, 2018 and 2019 .

JECRC is engrossed in promoting innovation and out - of -the-box thinking in young minds by conducting various innovative activities each year like JU HackQuest as an internal hackathon to promote coding culture in our campus .

JECRC Foundation has made a fantastic ecosystem of Hackathons at JECRC campuses where more than 15 Hackathons have been organized in the last 3 years. All the projects developed are solving social issues of the society . These Ideas and innovative solutions of the students are nurtured in JECRC Incubation Cell. All the events were mesmerizing and their memories and experiences are wonderful.

### Hackathons in JECRC Foundation in Last 3 Years

- Nodal Centre of SIH: 3 Times
- Total Teams /students selected for Grand Finale of SIH: 20teams 120students

- Ministry and AICTE officials visited: 100+
- Total Problems solved :300+
- Total Ideas Submitted: 1000+
- Students Participated in different Hackathons (internal/external): 4000+
- Students from Different Institutes Visited JECRC: 100+ Institutes
- Students participated in Internal Hackathon (JU HackQuest): 2000+

## CODE WARRIOR

The basic idea of this initiative is to develop a coding ecosystem in our campuses and to make every student passionate about competitive programming. This includes all-round development in technical and core subjects and boosts the overall performance of JECRCians in the upcoming competitions. The knack of programming not only drives one to the best Internship opportunities but also help one to grab the better placement opportunities in the product based companies like "FAANG" (Facebook, Apple, Amazon, Netflix and Google) and startups with packages ranging 10 LPA and more. We have conducted an internal test with the collaboration with Code Chef for 3000 students and selected 300 out of them and provide them special high quality training of 150 Hours by Industrial experts on Coding and Data structure in Collaboration with Hacker Rank.

## PLACEMENTS AT JECRC

A Strong Foundation for a Brighter Future With a strong industry connect; JECRC foundation has a proven track record of conferring excellent campus placements and industrial training to the students in many reputed industries. JECRC builds a solid foundation in terms of knowledge and personality for its students to perform consistently and excel at every stage in their career. At the end of the sixth semester, students are sent to industries for industrial training of 60 days to get them hands-on experience of what awaits them in a professional environment. Along with this, specialized coaching sessions are conducted for a month to prepare students for the aptitude tests, group discussions and personal interviews.

The past year's extraordinary disruptions have changed daily lives of all of us, and yet thanks to equally extraordinary efforts by our students faculty and Industry partners JECRC has achieved a new height in its excellent track record of placement. We could attract top notch IT companies viz., Accenture, HPE India, L&T Infotech, DXC Technology, TCS, MTX, etc. More than 85 companies have visited and made 2000+ offers out of which more than 12 companies have offered a package of more than INR 6 Lacs. Around 60 students got Pre placements offer with package range of INR 7 Lacs p.a. -10 lacs p.a. The average and highest package rolled out are INR 4.5 lacs and INR 10 lacs p.a. respectively, across the sectors like Research & Development, Software Development, IT, Education, Power & Energy, Real Estate, Finance, Management, Product Development, Automobile, Academia, Hospitality and many more.

### CORE Industries

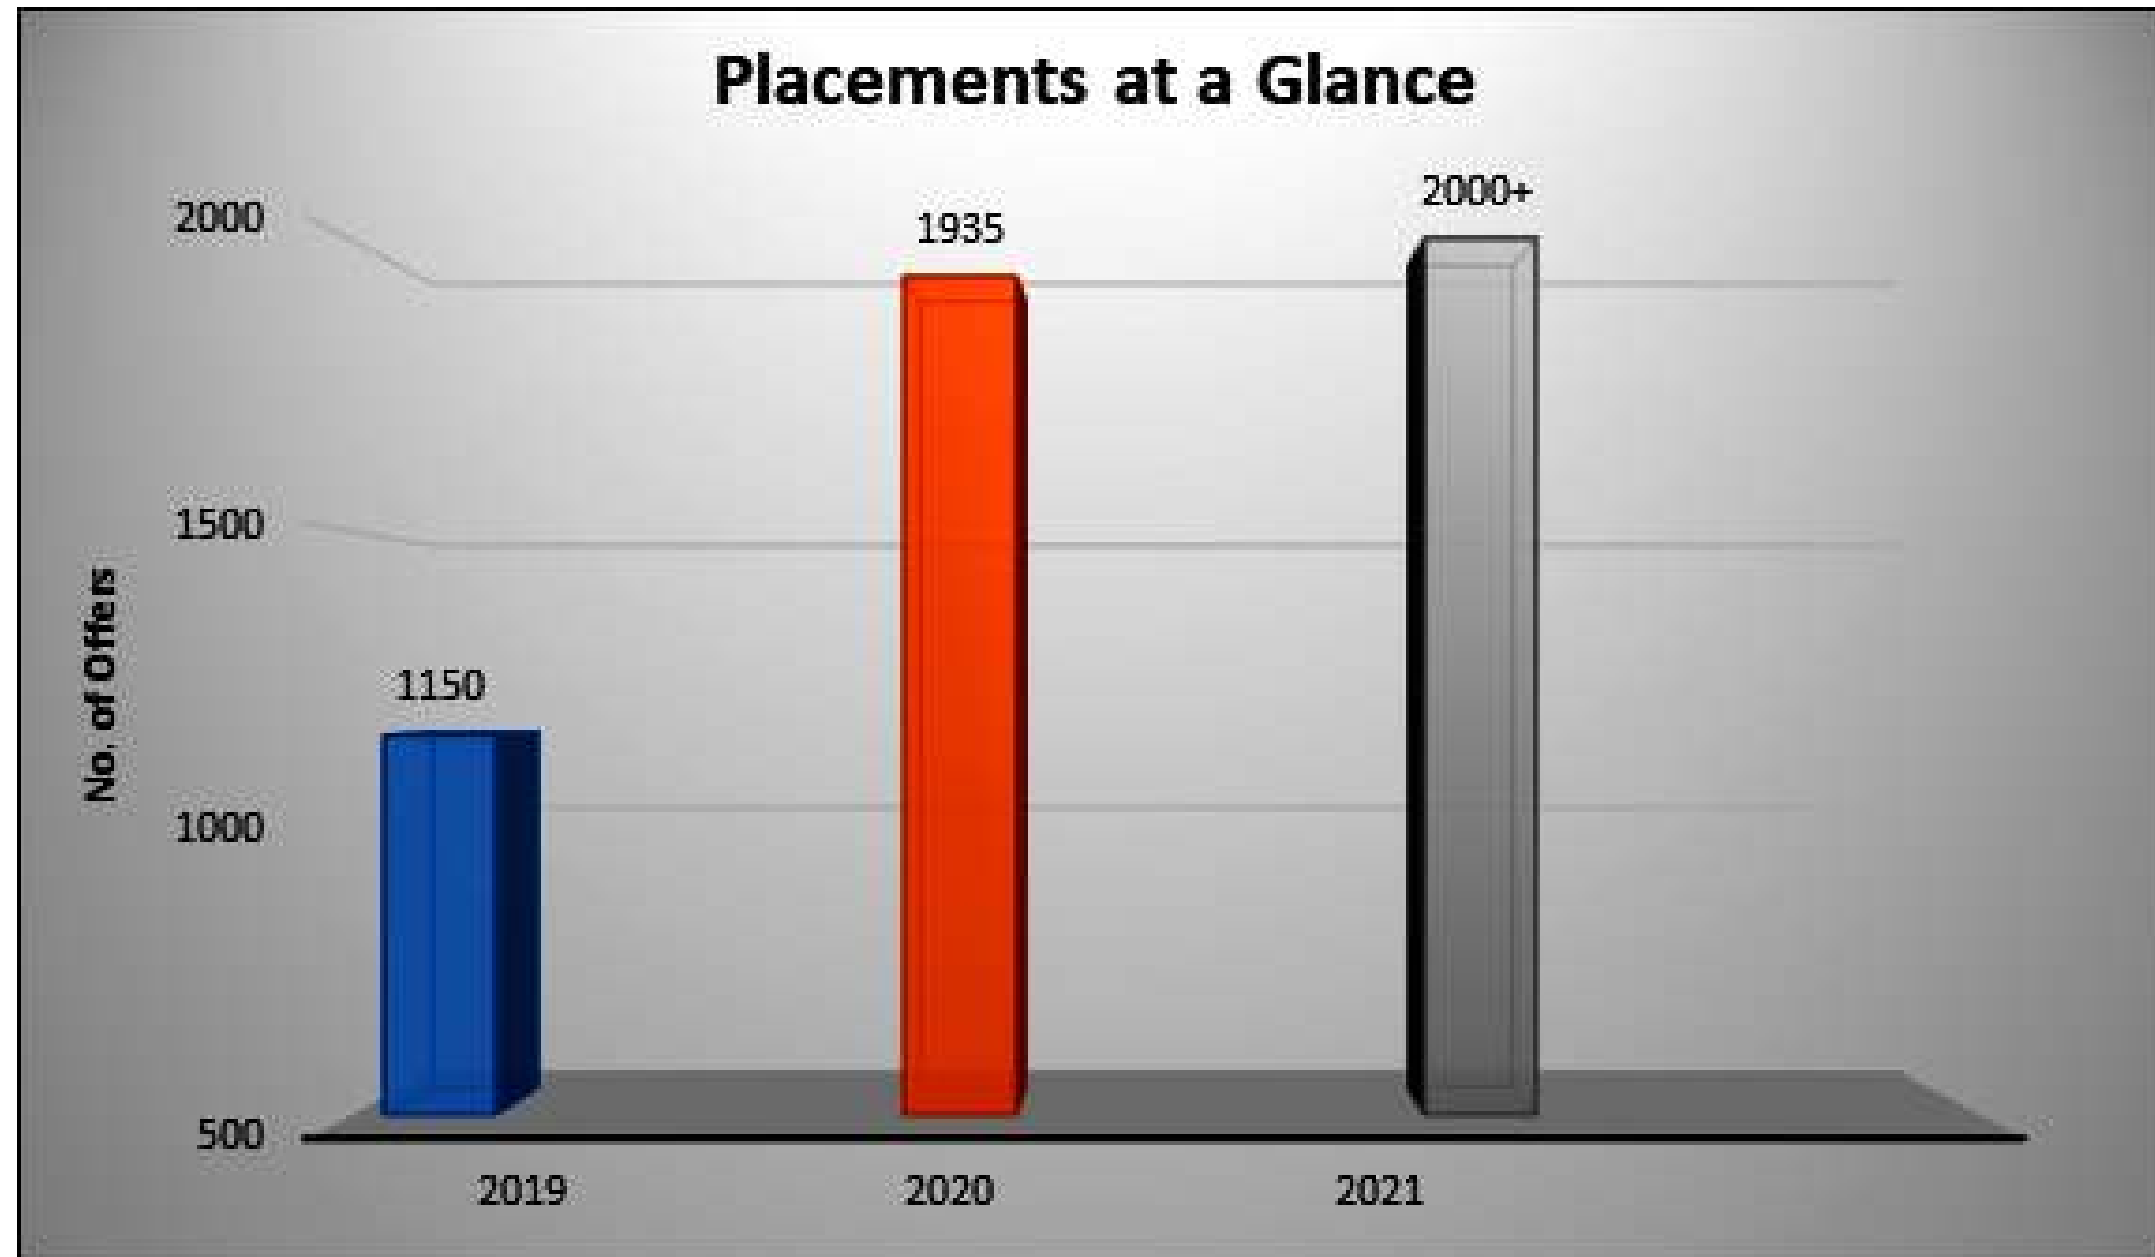

JECRC has been visited for recruitment by reputed Companies from the Core Sector for the past several years as per their requirement.

Core Companies like Pinnacle, TATA Power, RMC Switchgear, Ashiana housing, Asahi India Glass Ltd., BOSCH, Bridgestone, Era Group, Ericsson, FEV India, FLSmith, Genus Power, GR Infra, HG Infra, JK Cement, etc have given our students opportunity to shape their career.

**5000+** offers made in last 3 years with **250+** corporate visits

## Internship Program at JECRC

Internship programs develop students' overall maturity by strengthening resourcefulness, problem-solving skills, self confidence, self-discipline and sense of responsibility.

The JU fraternity undeniably believes that internship not only enhances students' training and allows them to gain skills but it also makes them a better employee by giving them self confidence that is often a prerequisite in the workplace. Also, Students who already have some work experience in the form of an internship stand out to potential employers.

At JECRC University, a meticulously planned road map for internship programs is curated under the supervision of the Directorate of Internship. Internship program at JECRC University is aimed to develop intentional learning objectives that are structured into experience and supervised by a professional with relevant and related background in the field. One Semester internship has been inculcated in curriculum for final year students to provide students exposure to industrial work environments and gain real world experiences. Internship practice at JU is unique and one of its kind experiences.

To get the best result out of internship program, Faculty Internship Guides (FIGs) are carefully handpicked and trained by the Directorate of Internship to guide students during their internship journey. Students are assigned Faculty Internship Guide who motivates them to grab the best opportunity.

Since 2016, an appreciable number of 4098 students across all streams were offered by university. The success story of this rigorous and well-planned practice is well stated by the statistics which clearly shows that 100% students got internship for consecutive 6 years. Sixty three percent students got stipend-based internship with stipend up to thirty-five thousand rupees (INR 35K). Around 79 % of the Paid internship got converted into full time job offers at the end of the internship based on students 'performance.

Glories of Internship cell at JU are heightened by students getting International Internships. JU aims at getting internship for its students at the top most organizations not only in India but also abroad. Adding few more feathers to the cap, few students of JU got international internship with stipend up to 70000 rupees (70K). JU leaves no stone unturned to give students wings, strength and opportunity to soar high in the sky.

## Outset Cell

At JECRC foundation, we strive to reach a step closer to our ultimate goal of 100% placements for our students. To achieve the same, we established a new vertical called “Outset Cell” in 2015, which is fully dedicated for the students who were not able to score very well due to some reasons. We believe that they should not be deprived from placement opportunities as maximum students from this category have unprecedented technical and communication skills. Here we sharpen their skills, counsel them and facilitate their journey to get placed in the organisation, where they can prove that they are not lesser. These efforts bore fruits and have resulted in more than **1100+** such engineers placed so far.

## New School Placement Cell

An initiative focused to internship cum placements for students of School of Design, Hotel & Hospitality, Journalism & Mass Communication, Law & Agriculture. The cell helps to create an ecosystem by organizing various workshops, events, floor activities, interaction with experts from industry, visit to various places, portfolio design etc leading to projects and internships cum placement offers.

## Faculty of Management (FOM):

The pillars of any business are four major functions –Finance, Human Resource, Marketing and Operations. Several Off shoots and specializations over time have developed like IT, Analytics, Retail, International Business, Entrepreneurship, and so on but the primary four are still the core ones without which a business cannot run. Hence at Faculty of Management we offer programs in the Undergraduate, Postgraduate and Ph.D. (Doctoral level) so that a management graduate over years gain skills like Analytical ability, Communication Skills, Data Interpretation, Problem Solving, Ability to think logically, Presentation Skills and a holistic perspective of the business world.

The Faculty of Management (FOM) offering the following mentioned below programmes:

- BBA
- BBA Tourism and Hospitality Management
- BBA Banking Financial Service and Insurance
- BBA Data Analytics and Data Visualization (Samatrix.io)
- B.Com
- BBA Business Intelligence (IBM)
- BBA Data Security (IBM)
- MBA (HR, Marketing, Finance, P&OM, ITM)
- MBA- IT and Operations (IBM)
- MBA- Data Analytics and Data Visualization (Samatrix.io)
- MBA- Sunstone Eduversity

## Faculty of Hospitality and Hotel Management:

Faculty of Hospitality and Hotel Management (FOHHM) enables students to get exposure to the vast and diverse hospitality industry. BHMCT/ B.Sc.in H&HM programmes are planned in the most efficient way to induce the students with intellectual and leadership capabilities enabling them to make a successful career towards managerial roles in the most prestigious and world class organizations both in India as well as around the globe.

The Faculty of Hospitality and Hotel Management offering the following mentioned below programmes:

- Bachelor of Hotel Management & Catering Tech. (BHMCT)
- B.Sc. Hospitality and Hotel Management (H&HM)

## Faculty of Design (FOD):

The Faculty of Design at JECRC University has undergraduate four-year degree programs in Bachelor of Design and Bachelor of Visual Arts, with different specializations. The Program is based on integrated contemporary design thinking, techniques and materials with traditional sensibilities. The Programs also aims to develop and foster links with different design industry and the international community at large.

Graduates from the Faculty of Design are recruited by many top designers and companies. And they take up careers as the Designers, Retailers, Entrepreneur, Sales/Marketing Consultants, Design Consultant and in Design Education etc . Some of our top undergraduates each year enter into the Master's Program in Design at leading universities around the country.

The Faculty of Design (FOD) offering the following mentioned below programmes:-

- Bachelor of Visual Arts (BVA)
- B.Des. Fashion (4 year)
- B.Des. Interior Design (4 year)
- B.Des. Jewellery Design and Manufacturing (4 year)

## Faculty of Journalism & Mass Communication:

The Faculty of Journalism and Mass Communication provides students opportunities to practice Journalism in the field of Print, Broadcast & Digital Media covering all dimensions of Journalism and Mass Communication. These program enable students to perform as Journalists with intellect and integrity. By publishing a daily newspaper, producing radio and television news bulletins, uploading interviews of celebrities on our YouTube channel and writing official blogs, writing for digital media platforms, the Department inculcates professional journalistic culture within the students.

The Faculty of Journalism & Mass Communication offering the following mentioned below programme:-

- B.A. Journalism & Mass Communication
- M.A.- Journalism & Mass Communication

## Life @ JECRC Foundation

### Cultural Fest- Renaissance

The national level techno cultural fest of JECRC, Renaissance has made a niche for itself among all colleges in the region. It's the second largest college fest of Rajasthan organized every year in March and witnesses a footfall of more than 8000 students from top colleges from across the country. It invites students from all around the globe to put their inventiveness, ingenuity and aptitude to test. This year the students got a chance to meet environmentalist & social activist, Sh. Chandi Prasad Bhatt and well known water conservationist, Sh. Rajendra Singh aka Waterman of India. In past we have witnessed notable celebrities visit our college during Renaissance. Lt. Jagjit Singh, Sh. bha Mudgal, Euphoria, Javed Ali, Grammy Award Winner Pt. Vishwa Mohan Bhatt, Nobel Laureate Mr. Kailash Satyarthi, Ranbir Kapoor, Abhishek Bachchan are a few of such esteemed names.

### Student Clubs

SOCH | Zarurat | Aashayein | Suhasini | Engima | Khalsa | Face & Foot | Lite Dreams | Parijaat | J-Mag | Fotogra Freaks | Model United Nations | The JECRC Rotaract Club | Moonriders | Xananooids

### Self Defense Classes for Women

An exclusive self-defense training program has been instituted at JECRC to arm our female students and staff with the skills of Karate so as to enable them to protect themselves in case of any untoward incident. These Classes are conducted thrice every week and the participants are trained by a black belt holder in Shotokan Karate. At present more than 60 students have enrolled for this program.

### Social Face of JECRC Foundation

"Social interaction is a major aspect of the leisure lifestyle. This is particularly true of adult leisure involvement. In many situations the social interaction is more significant and important to the participants than the activity itself". At JECRC University lot of social activities are imbibed in the curriculum to give an exposure & to be part of society at large. This helps in developing a bond amongst students who would become future citizens of this country.

### Zarurat The Help Beyond...

Zarurat is a student's organisation, working in the direction to provide elementary education free of cost to the underprivileged children living in the nearby slum areas of JECRC, Jaipur. The motive of Zarurat is not just to impart elementary education to slum children but also to introduce them to the modern world of learning in a way that every child should have. Zarurat focuses on imparting a healthy all round development of those children who are deprived of the same. Zarurat started with 60 students from the slum areas and has now grown to more than 180 students. The team distributes clothes, stationery, food items and other essentials to the children at regular intervals to help them continue with their studies.

Zarurat has been organising an annual event "Zarurat celebrating innocence" for children of different NGOs of Jaipur, since the last 7 years. Around 300 children are a part of this gala event which gives them a day that is full of joy and happiness.

#### Live Blood Donation initiative-Aashayein

Youth are the rising sun of our country, awakening them and their participation in the making of a better society is of utmost value. A Blood Donation Camp was organized for students which was inaugurated by Colonel Nalin Chauhan in presence of Shri . Amit Agrawal, Vice Chairman, JECRC University, JECRC University. Seeingsuch enthusiastic participation of the youth, has proved to be a motivation for citizens of the country. This year JECRC Foundation has collected total of 12714 blood units and 1100 + SDP till date Units.

#### SOCH

SOCH is a social initiative that aims to work for the betterment of the society we are living in. It aim is to help the underprivileged sections of the society and to work at the grassroots level and serve the needy by providing them with the basic necessities of love and care. Apart from this, SOCH encourages students of the foundation to think out of the box and realise their social responsibility. To achieve its goals, SOCH conducts health checkups camps at regular intervals. The group also organises the VASTRA SAMMAN drive, where visits are made to old age homes and orphanages and blankets and other clothing items are distributed amongthe needy. SOCH is also actively involved in the cleanLiness and tree plantation drives at JECRC.

#### SUHASINI

SUHASINI is a social initiative taken by the students of JECRC to create awareness towards the education of girl child in the society. SUHASINI was formed three years ago, with a motive to eradicate the menace of female feticide. Students at SUHASINI visit various villages and other backward sections of the society and talk to people on a door to door basis. They also organize Nukkad Natak and Workshops on occasions like Women's Day and Girl Child Day to attract a larger audience towards the cause.

#### Parijaat

Parijaat was born on 8th September , 20 13 with a vision of creating a 'Global Civil Society'. Just like its name, Parijaat is a unique group with the aim to use technology for upliftment of marginalized groups of society . It has an entirely novel concept of Soul Building and aims to erase the ignorance breeding in the minds of the masses and mould them into sensitive and compassionate humans. Parijaat nourishes the soul with excellent literary and art works of classic writers and artists . The students are not only motivated to develop the taste for good music, literature and philosophy but they also organize meetings and discussions to provoke their thought process for social change .

## ABOUT JECRC ALUMNI ASSOCIATION

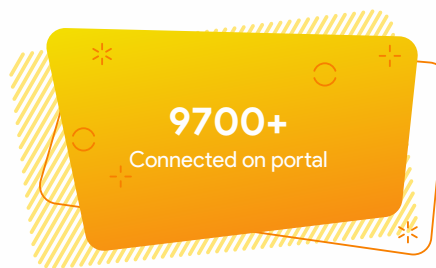

“Established in 2007, The JECRC Alumni Association (JAA) maintains and enhances a highly engaged, vibrant community of over 15,000+ alumni currently working and serving the Industry across the country & worldwide...”

“JECRC is moving ahead on the path of futuristic vision & in this journey, JECRC alumni are playing an important role in building the credibility of JECRC and have contributed immensely to the growth of the college.”

JECRC Alumni Association is a well-established and active alumni association. The JECRC Alumni Association is creating a powerful positive impact as alumni relations have become a strategic asset for progressive institutions like JECRC.

JECRC Alumni Association is a Registered Alumni Association under the Rajasthan Institutional Registration Act, 1958 since 04 November 2008.

JECRC Alumni Association has its own dedicated department office with three full time employees.

*“All JECRC Alumni nationwide & worldwide are connected and actively engaged with JECRC for life.”*

JECRC Alumni Association serves with a purpose to promote the welfare of JECRC College and to establish a mutually beneficial relationship between college and its alumni. The JAA helps alumni connect with the college and with fellow graduates & current students through a wealth of engagement activities, continuing educational & mentorship programs online, and alumni events throughout the year.

### CONTRIBUTION & REACH

1. **INR 1 Crore+ Alumni Contribution:** JECRC Alumni have contributed more than INR 10 Million in last 5 years to their alma mater.
2. **150 + Students enrolled for Higher Studies since 2015:** More than 150 students enrolled in various postgraduate courses both in India & overseas in the last 5 years.
3. **35+ Countries, 250+ Cities:** JECRC is proud of the fact that our alumni are located across the globe & earning laurels in their career.
4. **15000+ Alumni:** JECRC holds a strength of 15000+ dynamic alumni till date. JECRC Alumni can be found in every sector of work & holding influential positions in several MNCs.
5. **Startup Ecosystem 75+ Startups:** Alumni entrepreneurs encourage students. Some of our Alumni have established startups in diverse sectors, many of them established during their time at JECRC.

**Alumni Chapter Meets :** “Whether you live near the Farm or on the other side of the world, JECRC is always right in your backyard”. JECRC understands the importance of its Alumni and believes that a healthy organization grows 360 degree, and Alumni of any institute are an integral part of an all-round mutual growth.

JECRC's alumni base of 15000+ graduates serve as a catalyst for students to explore new and different places to work. This opens up a range of possibilities allowing students to work closely with potential employers, consider different industries, hear alumni career stories and observe real-world corporate developments efficiently enhancing our corporate outreach.

NCR Alumni Meet, Mumbai Alumni Meet, Bangalore Alumni Meet, Pune Alumni Meet, New York Alumni Meet, Hyderabad Alumni Meet, Distinguished Alumni Awards, Meet and Greet Sessions, Participation in Annual Fest
