Jaipur Engineering College and Research Centre, Jaipur

Vision:

To become a renowned center of outcome-based learning, and work towards academic, professional, cultural and social enrichment of the lives of individuals and communities.

Mission:

- ❖ Focus on evaluation of learning outcomes and motivate students to inculcate research aptitude by project-based learning.
- ❖ Identify, based on informed perception of Indian, regional and global needs, areas of focus and provide platform to gain knowledge and solutions.
- ❖ Offer opportunities for interaction between academia and industry.
- ❖ Develop human potential to its fullest extent so that intellectually capable and imaginatively gifted leaders can emerge in a range of professions.

Program Outcomes (PO)

- PO1 **Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems in Engineering.
- PO2 **Problem analysis:** Identify, formulate, research literature, and analyse complex Engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
- PO3 **Design/development of solutions:** Design solutions for complex Engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.
- PO4 **Conduct investigations of complex problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions in Engineering.
- PO5 **Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex Engineering activities with an understanding of the limitations.
- PO6 **The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional Engineering practice.
- PO7 **Environment and sustainability:** Understand the impact of the professional Engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
- PO8 **Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the Engineering practice.
- PO9 **Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings in Engineering.
- PO10 **Communication:** Communicate effectively on complex Engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
- PO11 **Project management and finance:** Demonstrate knowledge and understanding of the Engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
- PO12 **Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change in Engineering.

Vishakha Singh
Jaipur Engineering College and Research Center

Dear Vishakha,

This is your letter for the proposed Internship ("Letter of Internship") between you and WM Global Technology Services India Pvt. Ltd. ("the Company") or its affiliate. The Company provides interns with a supportive environment and the Company hopes that you will find your internship rewarding and enjoyable.

We look forward to you joining our team and contributing to the Company's success. Should you have any questions or would like to discuss the terms and/or conditions of this offer, please feel free to contact your recruiter.

Internship

Your start date of internship will be 15-01-2025 and the duration of internship shall be 5 months at our IN KA BANGALORE Home Office PW II Baseline, General location.

The purpose of this internship is to inculcate a sense of teamwork, discipline, develop a sense of leadership and expose you to real-life problem-solving methods

Induction and Training

We will provide an induction explaining what the Company does and provide training to assist you to meet the standards we expect from interns.

Stipend

Your internship stipend is INR ₹1,00,000.00/-per month. The Company will deduct taxes at source as required under the Income Tax Act, 1961.

Supervision and Support

Director Software Engineering will be your main point of contact during the period of internship. The Intern Host will be your buddy during the course of your internship. You will have regular interactions with the Intern Host for discussing your learning objectives as well as any problems which you may face during the course of your internship.

Hours of Internship and Leave

WM Global Technology Services India Private Limited
Regd. Office: Building 11, 1st Floor, SEZ-CESSNA Business Park, Kadubeesanahalli Village, Varthur Hobli, Outer Ring Road, Bangalore East Taluk, Bangalore - 560 087. Phone 91.80.42484404
CIN-U72200KA2011PTC059719

Walmart Global Tech

You are required to come for your internship from 9 a.m. to 5.30 p.m. - Monday to Friday. In the event you are unable to attend to your internship, please inform the Intern Host in advance.

Further, you will be entitled to a paid leave of 1 day per month in addition to Saturdays and Sundays and the other public holidays on which the Company is closed for operations.

Relocation Assistance

You will be eligible for domestic relocation assistance to support your relocation from your current location to Walmart IDC's base office location assigned to you during your internship. The relocation benefits mentioned in Annexure A will apply.

Non-Disclosure of Confidential Information and Product Assignment

You will not at any time, without the consent of the Intern Host disclose or divulge or make public, except under legal obligation, any information regarding the Company's affairs or administration or service carried out, whether the same be confided to you or become known to you during the course of your internship or otherwise.

Your obligations not to disclose Company confidential information are described in more detail in the Non-Disclosure and Product Assignment Agreement ("Agreement"). You understand your internship is conditioned upon your understanding and accepting the terms of that Agreement. Further, you understand the terms of that Agreement continue throughout your internship and beyond, as described in the Agreement.

Code of Conduct

We expect you to perform the work plan and achieve the learning objectives set out in the work plan to the best of your ability. During the course of the internship we expect you to be enthusiastic, sincere and diligent. In case of any questions relating to work plan, you should approach your Intern Host who will guide you and address your questions.

Discontinuation of Internship

The Company can discontinue your internship by informing you 2 days in advance.

General

Upon the discontinuation of your internship or at the end of the Internship Period you will be required to return all memoranda, notes, records or other documents made or compiled by you or made available to you during the Internship Term concerning the business and/or operations of the Company as the same will be the Company's property and shall, if in your possession or under your control, be delivered to the Company at the end of your

Walmart Global Tech

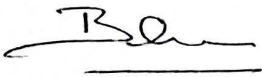

internship. You shall not use for yourself or others, or divulge to others, any proprietary or confidential information of the Company, obtained by you as a result of your internship, unless authorized by the Company. It is hereby clarified that the Company is not hiring you as an apprentice and therefore the provisions of the Apprentices Act, 1961 and the rules framed there under will not be applicable to your internship.

Further, the Company does not intend to create any employment relationship with you pursuant to this Letter of Internship nor does this Letter of Internship create an obligation on the Company to offer you employment with the Company.

This Letter of Internship will be governed by and construed in accordance with the laws of India.
Please acknowledge receipt and acceptance of this letter by signing, dating and returning this Letter of Internship.

Yours Sincerely,

WM Global Technology Services India Private Limited.

Dear RIYA,

Thank you for investing your time during the internship period with us to pursue an opportunity with WatchGuard Technologies India Pvt. Ltd.

We are delighted in offering you (conditionally *) to join our India operation as its Associate Software Engineer and excitedly look forward to building and growing our success in India together.

We invite you to join WatchGuard India on July 1st, 2025.

Your Cost to company will be ₹ 10,05,004 per annum (Ten Lakh Five Thousand Four rupee only). Details of your compensation are attached in Annexure A. Your place of posting will be in Noida.

All terms and conditions of your employment, including the Appointment Letter detailing the Code of Conduct and Non-Disclosure Agreement, would be shared with you upon your joining.

We would appreciate you indicating acceptance of this offer by signing this letter. We are certain that you will find the opportunity to work at and build our strategic WatchGuard India operation to be both challenging and rewarding. We look forward to you becoming a member of our team. In case you have any questions, please feel free to get in touch with us.

Please note that this offer is valid for a period of one week from the date of this offer letter. The appointment shall lapse automatically unless you confirm your acceptance of it by signing the duplicate in the appropriate place and returning to us.

NOTE:

Conditionally *

This is a conditional offer, since one of the criteria of successful completion of Internship to be eligible for permanent placement is yet not fulfilled. We are not in receipt of your final year result and information regarding successful completion of your bachelor's degree (with percentage as agreed with your university, throughout graduation). Thus, your offer will be considered as conditional until December 2025 at the maximum, and upon receiving the final year result and subsequently the confirmation of your graduation as per our criteria we will confirm this current conditional offer. Failing to which this offer will stand terminated with immediate effect.

Dear Colleagues,

It is a matter of immense pleasure to inform you that the most prestigious Company Accenture has selected 245 students from our Institutions. As per the directions of Arpit Sir please make sure that these students are not allowed to appear for any placement drives unless a specific permission is obtained from him.

Please guide the students to keep their documents ready. As soon as they receive the LOI, they should give their acceptance of the offer and upload the documents as and when they are required.

Best wishes,

Prof. Mukht Bihari (B.I.T.S, Pilani Alumnus)

Important information following your successful completion of the interview process during the campus visit

Dear Manvi Vikash Kumar

This communication confirms that you have successfully completed the initial interview process. Congratulations! Your journey towards receiving an offer of employment from Accenture has now begun. Please review this information to familiarize yourself with the various steps and actions involved in your application process before Accenture issues an offer of employment.

Document Verification Process - After accepting this Letter of Intent, you will need to submit certain required documents. The issuance of your offer will depend on the successful verification of these documents. Once you receive the offer, please ensure that you accept it within 7 days of receiving the Offer Letter.

At all stages of the hiring process, you are expected to declare all facts honestly and act with utmost integrity while applying for any opportunity. In case of any misrepresentation of information/facts in your candidate registration process or at any stage of the hiring process, this Letter of Intent or any subsequent offer issued to you shall stand revoked.

Accenture Learning Program - Accenture offers an extensive pre-onboarding online learning program designed to provide new joiners with essential skills and tools for job readiness. We are sharing the details of this program in advance to help you understand its conditions and requirements. Please note that some parts of the learning program may continue post onboarding.

- **Assessments:** Assessments will be conducted at various points throughout the program.
- **Scoring and Attempts:** Assessment scores will contribute to the final score at the end of the training.
 - A minimum aggregate score of 60% is required to successfully complete the program.
 - If you do not achieve a 60% score on your first attempt, you will have up to three additional attempts.
 - While you will still be onboarded at Accenture as per the agreed schedule, please note that whilst assessment completion is not a precondition to onboard still you will need to complete the learnings/trainings within the attempts mentioned herein below, for a continued employment in Accenture.

- Do note that some of these attempts may occur after you have onboarded Accenture.
- **Learning completion:** You shall only get four attempts to complete the learning program (some attempts can be made pre-onboarding & balance post onboarding). If you do not successfully complete the learning program within the total four attempts (inclusive of pre onboarding & post onboarding attempts), your employment with the company will be terminated as per Clause 10 in the Terms of Employment.
- **Learning Bonus** - 100% completion of learning modules prior to onboarding and successful completion of the learning program assessments, as outlined above, will make you eligible for a learning bonus of INR 30,000, which will be paid post onboarding in addition to the salary as per Company pay cycle. The learning bonus as mentioned above is applicable only upon successful completion of assessments prior to onboarding.
- **please note:** Learning bonus amount, so paid to you, shall be considered as taxable income for all purposes. Applicable taxes will be deducted via payroll at the time of payment of learning bonus to you. The Company reserve the right to amend, suspend, modify & withdraw the learning program & its associated benefits.

Deployment - You will be assigned a base location that will be the basis & utilized for all official and administrative purposes including leaves etc. Considering the nature of our operations and basis business needs you may need to relocate anywhere in India for project deployment and work in 24/7 shifts based on business requirements.

We wish you the best of this journey and congratulate you on clearing the interviews. Your proposed compensation for the ease of information and subject to release of an offer of employment by Accenture is as mentioned in **Annexure A**. Specific details will be mentioned in your formal offer letter.

Please note, the above is informative and not exhaustive, specific details will be in the Offer Letter

Harness emerging tech,
ignite your career

Accenture Technology Internship Program

Hi **Dhruv Sharma**,

At Accenture, we take pride in helping talented students like you by offering a dynamic learning and project experience. Our goal is to help you build and refine essential skills, preparing you to thrive in the careers of the future.

We realize everyone does their best when they can collaborate effectively and feel connected, both virtually and physically. With this in mind, we are thrilled to welcome you to offices for an enriching internship experience.

Your 4-month internship will kick off with an engaging and intensive virtual learning program (inclusive of Accenture's Learning Program as mentioned below). Following this, you will transition to one of our office facilities, where you'll have the opportunity to immerse yourself in an in-person working environment.

We are pleased to confirm and offer you an internship with **Accenture** as per below terms.

1. Full name of the intern: **Dhruv Sharma**
2. Start of Internship: **21 - Feb - 2025**
3. Base location*: **Pune**
4. Internship Duration: **4 Months**

Feb - April - Learning Phase (Virtual)

April - June - Project Phase (In-person)

5. Stipend (including tax): **INR 16,100 per month for the two months during the project phase will be paid to you on a monthly basis** (Stipend will be calculated on pro-rata based on internship duration)

Please note that Accenture at its sole discretion may suspend the above internship duration. Accenture may after discussion with the Intern may also consider extending the internship duration.

*Base location implies the Accenture office location that an intern will be assigned for the project phase.

review the Terms & Conditions below:

1. **Non-Disclosure Agreement (NDA)** is required to be signed by all the Interns to ensure compliance of Accenture's data security and privacy policies. The condition of the NDA applies even while you are in a remote location (of your choice) and not in the base location. (Please keep us informed of your remote location at all times)
2. No code snippet or technical details would be provided for project, presentation, or documentation.
3. No Accenture in-house floor visit could be allowed to any college guide or external person for the purpose of Intern's/student's project preparation or analysis.
4. Other than the stipend for internship mentioned above, no further stipend for additional allowance(s), transportation or accommodation would be provided.
5. Commute to office and back should be managed by the intern.
6. Interns are expected to be punctual, disciplined, and professional in their approach to all their activities while dealing with Accenture work.
7. Ethical usage of Accenture resources is expected at all times and a breach may result in actions including but not limited to termination of internship.
8. This internship offer is subject to satisfactory completion of your verification and/or background or reference checks, which may occur at any time prior to or after the effective start date of your internship. If, at any time, Accenture believes, in its sole discretion, that there is a discrepancy or inaccuracy in or with respect to any information furnished by you or on your behalf, including any information, documents or certificates provided as a proof of your qualifications and experience, or if you fail to cooperate with Accenture and/or its agents in conducting such verification and/or background and/or reference checks, Accenture may, in its sole discretion shall, without prejudice to its other rights, shall have the right to forthwith terminate this internship and also initiate appropriate legal proceedings against you.
9. This internship opportunity is not an offer of employment and does not create any employee- employer relation as such between yourself and Accenture. Your employment will be subject to the offer letter issued to you, clearing our verifications and assessments as well as those mentioned in the Accenture Learning Program mentioned below.
10. You are only entitled to receive the amounts mentioned above as your monthly stipend and monthly allowance only and are not covered under any statutory contributions.

Internship Learning Program

General: As a unique learning experience, Accenture will provide an integrated learning program as part of your internship. The training modules are enabled across the internship duration with a reasonable time to learn and complete these trainings. For the completion of the internship and clearing the training assessments as mentioned below, you are required to complete the training provided during the internship and undergo a review and assessment as mentioned more in details below.

You are required to complete the training provided during the internship and clear the training assessments. The details of the training and assessment will be shared with you

Closer to your program completion, you will be assessed and reviewed based on your collective performance in our training and internship program.

Accenture Learning Program - As mentioned in our previous Letter of Intent & related communications, we are delighted to know that during this internship you will be provided trainings under the Accenture Learning Program. The key aspects of the program are being reiterated as under, which have been provided in detail in our other communications to you.

Accenture offers an extensive pre-onboarding online learning program designed to provide new joiners with essential skills and tools for job readiness. We are sharing the details and essential requirements of this program in advance to help you understand its conditions and requirements.

- A. **Assessments:** Assessments will be conducted at various points throughout the program and prior to onboarding.
- B. **Scoring and Attempts:** Assessment scores will contribute to the final score at the end of the training and qualifying score and other assessment criteria shall be shared closer to the assessment.
- C. **Learning & Assessments:** It is mandatory to complete the learning program and successfully pass the assessments, in order to be eligible for onboarding into Accenture as an employee. You will receive four attempts to pass the assessments prior to onboarding date. If you do not complete the learning program and pass the assessments prior to onboarding, the letter of intent shall be considered as revoked, any offers made to you shall be withdrawn, offers not yet made would not be issued. We will not be able to onboard you in such circumstances. The criteria to pass the assessments is subject to changes and shall be communicated prior to your assessments.
- D. **Learning bonus:** only on 100% completion of learning modules prior to onboarding and successful completion of the learning program assessments, (prior to onboarding as outlined above), will make you eligible for a **learning bonus of INR 30,000**, which will be paid post onboarding in addition to the salary as per Company pay cycle.

Please note: Learning bonus amount, so paid to you, shall be considered as taxable income for all purposes. Applicable taxes will be deducted via payroll at the time of payment of learning bonus to you. The Company reserves the right to suspend, modify & withdraw the learning program & its associated benefits.

We will encourage you to take the training and assessments as above, which are condition precedent for your onboarding (subject to clearing assessments).

Leave Policy

For the purpose of this effective learning and understanding the concepts that will be provided to you in this internship, your continuous presence (through remote or otherwise as provided for by Accenture) is essential for the internship program.

However, we do understand that in certain circumstances you may require a leave and accordingly the following leaves can be availed by you during the internship program.

1. **Exigency/Unplanned Leave:** Any emergency situation/unforeseen event that compels you to miss work where you are incapable of working due to unavoidable reasons. This can be availed post due approval by supervisor and necessary substantiation. Issues like accidents, bereavement, critical illness, or emergency medical reasons may fall in this category. However, these cannot be more than the period of Internship.
2. **Casual leaves:** Any other absence/leave should not exceed more than **06 days** across your internship duration, taken with prior approval from your reporting manager. In case this absence/leave extends to more than approved casual leaves, discontinuation of internship can occur at the discretion of the company. We expect these leaves to be taken only when essentially needed so as not to interrupt the internship program.

When embarking on either of these leaves, you are expected to inform your supervisor/ reporting manager and seek their approval. Do keep your Internship Program team informed as well. Please reach out to program owners to seek any clarification on the above.

End Process:

- In order to receive your stipend, you are requested to open an account with any one of these banks: HDFC, Axis, Deutsche, RBS, IndusInd, SBI & Kotak.
- During your induction, we will take you through MyTE (My Time and Expenses) which is to be submitted on a fortnightly basis for a timely stipend payout.
- Any delay or incorrect information provided will lead to a delay in the stipend payment which will then be carried forward for payment in the subsequent month.

Please review these details and confirm acceptance of the same within the next two days.

Looking forward to having you onboard.

Regards
Recruitment Team

Dear Placement Coordinator,

Greetings from Zydex!

I am Yashvi Oza and I represent the HR Department from Zydex Industries Private Limited. On behalf of Zydex, we would like to conduct a campus drive to hire students from your esteemed university for our firm. It is a pleasure to share that Zydex (Paints & Waterproofing Business) is currently expanding, and we are looking to hire and onboard individuals to assist our on-field demand generation & business development efforts. Please refer the attachment for your reference.

We request you to share these details with your students & let us know the number of footfalls in the attached format who wish to apply for the role. Following this we shall schedule an interview of interested students and selected student will be offered. **Kindly attach student's resume along with the mail thread.**

A brief about our company is mentioned below for your perusal:

ABOUT US:

Zydex® is a hi-tech research driven company striving for SUSTAINABILITY THROUGH INNOVATION. Founded in 1997, Zydex® has rapidly expanded its business portfolio in catering to Textiles, Waterproofing, Paints & Sealers, Roads, Agriculture and Industrial Chemicals. Moreover, we are deeply committed to becoming an organization to develop sustainable and eco-friendly chemical technologies for all our divisions.

Zydex® operates globally through its subsidiaries and distribution network, with sales in over 40 countries including Zydex Inc. in the USA. Zydex R&D labs are working on the anticipated needs of tomorrow with a focus on sustainability. **We are a SAP driven enterprise across all our facilities.**

Zydex® is committed to minimizing its carbon footprint with 90% of its electric power requirement met through our own windmills. Moreover, our offices and laboratories are being reengineered to become green facilities. Our emphasis on safety has resulted in continual reduction in releases, wastes, emissions & energy consumption. We operate a fully computerized plant, efficient MIS and CRM systems which help us deliver quality, supply consistency and achieve customer satisfaction.

Our "first to develop" technologies are:

- Next generation of paints based on mineral binder technology.
- Nanotechnology Waterproofing: Concrete, Stones, Bricks & all siliceous substrates
- Nanotechnology Waterproofing of Soil for Roads & Geotech applications
- Nanotechnology for Asphalt pavements in Hot, Cold & Warm mixes
- PVC-free water-based inks
- Anti-microbial Silanes (Methanol free)
- Emulsified Fuel (F.O.) efficiency improvement (8-10%)

We believe in "INNOVATE, SUSTAIN & REDEFINE constantly"

Hi Debashish,

We would like to express our gratitude for the excellent collaboration between your esteemed university and SLK Software.

As part of our ongoing recruitment process, we have shared conditional offer letters with the selected students on 12th March 2025. We kindly request your assistance in confirming the same by 19th March 2025.

We appreciate your continued support, and we look forward to welcoming the talented individuals from your institution into the SLK family.

Thank you for your cooperation.

PS: Request the team to also share the reason for the offer decline, if any.

Dear all,

TCS is conducting the campus recruitment drive for the ServiceNow certified students, find **attached** the TCS Eligibility Criteria and the ServiceNow Certified Student / Registration Template

All the eligible students are advised to take time to read both the attachments and important guidelines as shared by TCS.

TEST DATE : 9th February 2024 onwards, students will receive email confirmation from TCS

As regards to the compensation, TCS would like to consider based on test scores, individual Technical interviews and position against TCS Ninja, TCS Digital or TCS Premium categories .

Students certified in CSA & CAD or only either CSA or CAD as of date (students need to ensure they clear both cert exams CSA & CAD before TCS schedules technical interviews)

Detailed registration process is outlined below.

Important Points:

1. Students only from the **year of passing batch of 2024 may apply** and the same should reflect in their TCS Application Form
2. Students **MUST** register and complete the TCS Application Form in the TCS Next Step Portal in 'IT' section **ONLY** and the TCS Reference ID should be present in the excel sheet of ServiceNow Certified Student info template (**attached**)
3. All students must ensure that they use their **Personal Email ID** **ONLY** to register in the TCS NextStep Portal and **NOT** University / Institute Email ID.
4. Email ID **CANNOT** be changed once submitted.
5. The CT/DT Reference ID should be starting from CT/DT 2023 and 2024 only.
6. Old CT/DT Reference ID will not be accepted (CT2022, DT2021...etc.)
7. Students should fill up the application form correctly, verify the details before submitting it and make sure that their status in the TCS NextStep portal is "**Apply for Drive**". Students can check this by visiting the "**Track My Application**" tab in the NextStep portal.
8. Information retrieved from **TCS Application Form along with ServiceNow Certified Student Info template** will be considered for the test process.

9. TCS will not batch students if their 'TCS Application Form' is **incomplete**.
10. Please do **sanitize** the candidate data and eliminate any ineligible profiles.

Registration Process to be shared with Students:

Step 1. Logon to the TCS NextStep Portal

<https://nextstep.tcs.com/campus>

Step 2. Register and Complete the application Process – Kindly click on Register Now, choose category as "IT" **ONLY and NOT 'BPS'** and proceed to fill your details. Finally, submit your application form.

Step 3. Post Submitting Application Form click on '**Apply for Drive**'.

Step 4. To confirm your status, check "**Track Your Application**". The status should reflect as '**Apply for Drive**'. Should you have any queries or concerns in this regard, please do reach out to us.

Test Date - 9th February 2024 onwards.

Test Pattern:

cid144355*image001.png@01DA48BC.E58A0450

Kindly Note:

- TCS would be doing Eligibility Checks at various stages of the selection process. If a student is found to be ineligible and / or found to have misrepresented any information – it would lead to the disqualification of the candidature.
- TCS does not send job offers / any hiring related communication from unofficial email IDs like Gmail, Rediff mail, Yahoo Mail, Hotmail etc.
- TCS does not ask candidates to deposit any money at any stage of the recruitment process.
- TCS is not associated with any external agency / company to make offers of employment on its behalf
- If student have already applied to TCS as part of their college application process - same reference id to be used and just mention - *Already Applied...* TCS will check at their end and shall keep me posted on their selection process
- If students have a registered reference ID but have not applied to TCS yet - it should be starting with 2023 / 2024 (example DT2023X.. / DT2024X../ CT2023X...

Please complete the attached xl file (ServiceNow Certified Student Info template), do not leave any column blank, please fill in all the details

Please EmPM PM, FRIDAY 19th JANUARY .. DO NOT DELAY, NAME YOUR FILE WITH NAME OF THE UNIVERSITY/ COLLEGE NAME for easy identification.

@Tanmay - kindly co-ordinate with all the eligible / Servicenow certified students, first go through , read carefully all the important information specially the registration process part and guide all the students about the eligibility criteria, CT/DT Reference ID and all other important informations. We have to send the data as per the format before the deadline i.e day after tomorrow, 19th January 19, 2024 , 12 PM.

Dear TPO,

As discussed, please find attached the consolidated list of selected students.

Additionally, we have attached a list of a few students for whom we would like to schedule further rounds. Could you please let us know their availability for conducting the interviews, considering their college exam schedule?

The interviews will be conducted from our Jaipur office located in Mansarovar.

Looking forward to your response.

Job Description

Job Title Business Development Associate

Location: Gurugram, Haryana

Company: Wayspire Ed-Tech Private Limited

Industry: Education Technology.

Overview

Wayspire Ed-Tech Private Limited is a forward-thinking education technology company dedicated to revolutionizing the learning experience. Our mission is to leverage cutting-edge technology to provide high-quality, accessible, and personalized education solutions that empower students and educators alike. We are passionate about innovation, collaboration, and impact, and we are looking for individuals who share our vision to join our dynamic team.

Job Profile

We are seeking a highly motivated and results-driven Business Development Associate to join our team. The ideal candidate will play a critical role in driving the growth of Wayspire Ed Tech by identifying new business opportunities, building relationships with potential clients, and contributing to the overall business strategy. This role requires excellent communication skills, strategic thinking, and a proactive approach to problem-solving.

Work and Responsibility

- **Lead Generation:** Identify and qualify new business opportunities through various channels, including online research, networking, and attending industry events.
- **Calling and Cold Calling:** Conduct regular calls and cold calls to pitch to customers, effectively communicating the value of our products and services.
- **Client Relationship Management:** Build and maintain strong relationships with potential and existing clients to understand their needs and provide tailored solutions.
- **Sales Strategy:** Develop and implement effective sales strategies to achieve revenue targets and expand the company's market presence.

contact@wayspire.in

www.wayspire.in

Ground Floor, Landmark Tower, Plot No. - 2, South City-1, Sector-41 Gurugram, Haryana 12200

- **Proposal Development:** Prepare and present compelling business proposals, presentations, and sales pitches to potential clients.
- **Collaboration:** Work closely with the marketing, product development, and customer success teams to align business development efforts with overall company goals.
- **Reporting:** Maintain accurate records of business development activities and provide regular reports on progress and results to senior management.
- **Database Management:** Maintain a database of prospective client information using CRM tools or Excel, ensuring accurate and up-to-date records.
- **Quota Achievement:** Meet all quotas for cold, active, and inactive calls, appointments, and interviews, ensuring consistent performance in sales activities.
- **Career Counselling and Product Offering:** Provide career counselling to prospective students, understanding their learning objectives, and offering relevant products to meet their needs.

Qualifications

Candidates with any graduation or post-graduation degree are welcome to apply. We also consider applicants who have backlogs, as we value potential and willingness to learn over formal academic records.

Required Skills

- Strong analytical and research skills.
- Excellent verbal and written communication skills.
- Proven ability to build and maintain relationships with clients.
- Strategic thinker with strong problem-solving skills.
- Self-motivated, proactive, and able to work independently as well as part of a team.
- Proficiency in Microsoft Office Suite and CRM software.

Working Hours

This position requires a commitment to a six-day work week, with mandatory working hours on both Saturdays and Sundays. Each workday shall comprise eight (8) hours of work, exclusive of a one (1) hour break period. This schedule is designed to ensure sufficient time for collaboration, client engagement, and the attainment of sales targets.

Probation Period/Internship

During the 6-month probation period/Internship, the salary will be set at a rate of Rs. 15,000/- (Rupees Fifteen Thousand only) per month¹. The salary will be reviewed upon successful completion of the probation period, with potential adjustments based on performance and contributions.

Salary Post-Probation/Internship period

Upon successful completion of the probationary or internship period, the remuneration package shall be upto Cost To Company (CTC) 7 Lakh Per Annum (LPA) (3 LPA + 4LPA Based on Performance).

Target

You are required to meet specific sales targets, which will be set on a monthly/weekly basis and communicated to you in writing. Meeting these targets is crucial for both your success and the success of the company. Failure to achieve the established sales targets may result in performance reviews and could impact your remuneration. Persistent underperformance may lead to further disciplinary actions, including termination of employment/Internship.

Benefits and Perks

At Wayspire Ed Tech Private Limited, we take care of our team. We provide a competitive salary and a comprehensive benefits package which includes daily incentives, Monthly incentives, monthly recognition certificates, and awards. On completion of 6 months probation employee will be getting Probation completion Bonus of Rs 15000/- (Rupees Fifteen Thousand only). We value work-life balance and provide flexible working arrangements. We also offer continuous learning and development opportunities to help you excel in your role.

Training:

The Company will conduct a mandatory training program for a period of ten (10) days at its own expense. Please note that no remuneration shall be provided to the trainees during this training period. Your employment/internship will formally commence upon the successful completion of this training program.

¹ In accordance with the company's remuneration policy.

Application Process:

Interested candidates are invited to submit their resumes and a cover letter outlining their relevant experience and why they are a good fit for this role to hr@wayspire.in.

December 16, 2024

Dear Lakshya Gupta,

We are pleased to inform that your candidature has been shortlisted for the position of **Analyst/A4** with **Capgemini Technology Services India Limited** (hereinafter referred to as "Capgemini" or Company). You will be required to participate and complete the pre-onboarding training program assigned and applicable to you as may be communicated by the Company later. Please note that it is essential for you to participate, effectively leverage and successfully complete this program as a prerequisite prior to being onboarded as an employee with Capgemini.

We request you to carefully read and understand the Terms and Conditions of this Letter of Intent with Annexures hereto (hereinafter referred to as LOI).

- A Please note that your name mentioned in this LOI will be used to create your records in Capgemini & the same will be continued for all the communication & Company documentation purpose. In case you need a change in the name; please notify before commencement of training. Please note that no changes to the record can be made later in time. The name provided by you should match with the identification documents submitted to the Company, such as Aadhar Card, PAN card, Passport, etc.
- B We are proposing compensation package and benefits post-onboarding, the details of which are set forth in **Annexure 1** to this LOI.
- C Upon accepting this LOI, you will be required to submit a set of documents as mentioned in the **Annexure- 2**. Thereafter, you will be provided access to our pre-onboarding training program, as applicable. This will enable you to learn and master the concepts and skills required to be industry ready. The pre-onboarding training program can include physical classroom training/ self-paced e-learning/ hybrid model of training. The learning journey will be inclusive of assignments, assessments, hackathons/ competitions, and webinars as deemed appropriate by Capgemini.
- D The progress made by you in this learning journey would not only help you in getting onboarded but also help you to be trained for advanced skills relevant to your career at Capgemini. We also encourage you to learn beyond the prescribed course curriculum and acquire industry recognized certifications to accelerate your career in this competitive industry.
- E Pre-onboarding training Program and Terms & Conditions of the LOI
 - 1. Pre-onboarding Document Verification: Capgemini adheres to a strong document verification process. As a part of this process all the personal, educational and professional (if

applicable) information provided by you is verified, therefore you are subject to a detailed document verification as per the Company process of the document set submitted by you as per Annexure 2

Note: Based on certain business requirement and statutory rules Capgemini may initiate certain additional checks before and during your tenure in Capgemini and by accepting this LOI you agree to undergo such additional checks when required. Your remuneration is strictly confidential between you and the Company and should not be discussed with anyone nor divulged to anyone in any manner whatsoever, except with the prior consent of the Company.
3. You will also be issued a detailed Letter of Appointment as Graduate Engineer Trainee subject to you meeting the eligibility criteria as mentioned in 'Annexure-1'. Your appointment is in accordance with the Apprentices Act, 1961.
4. **Documents** - Your offer is subject to you submitting all the mandatory documents at the time of joining. (Refer 'Annexure-2')
5. **Background Verification** - As a part of background verification, we need your acknowledgement and authorization to undertake necessary background verification through internal or external agencies. These are including but not limited to your educational / professional credentials and other background checks. If any discrepancy is discovered after you have joined the Company or during background verification, this offer shall stand withdrawn, apart from other legal action being initiated against you.
6. If the above stated terms and conditions are acceptable to you, kindly sign and acknowledge this **Graduate Engineer Trainee Offer Letter** in the **CampBuzz Portal** (<https://campbuzz.ltimindtree.com>) and register your credentials therein within 15 working days from the date of this letter.

If you do not register your credentials within the above period on the Company portal and accept the offer on the portal within 15 working days, the aforesaid offer automatically stands cancelled.
Post registration in the portal, if you do not join on the date intimated to you, this offer will be cancelled at the discretion of the Company.
7. You are required to register yourself as an apprentice on the apprenticeship portal <http://www.mhrdnats.gov.in> after completion of your education and before your onboarding date. Please refer to the manuals attached to this email for the NATS registration process and Aadhaar Seeding for direct debit process.

You may be confirmed in 3 months from the effective start date of your employment with the Company. During this period, a prior notice of 7 days shall be applicable, in case of voluntary resignation by the employee. Your employment with LTIMindtree will be terminated without any notice or stipend or compensation in lieu of notice in the below circumstances, which you agree are reasonable and acceptable:

- Failing to meet the qualification criteria during the Training Program assessments
- Unauthorized absence during the Training Program
- Integrity and other disciplinary expectations

All Annexures appended herewith shall form an integral part of this letter.

9. Your engagement with the Company will be governed by the rules, regulations and policies of the Company in effect.

10. The terms and conditions mentioned above are subject to change at any time at sole discretion of the Company and as per business demands without prior notice.

11. According to the standard practice of our Company, you will treat the above terms of this letter as strictly confidential.

12. Post successful completion of 3 months and subject to joining the Company, your annual CTC including all benefits will be as per the details mentioned in 'Annexure-3'.

13. As a part of your transition from campus to corporate world, you may be engaged in various learning and development programs prior to your joining the Company. You are therefore requested to complete the Company training which will be communicated to you separately. Company has made significant investments into these learning and development programs for your professional development and therefore would urge you to actively participate in the trainings and complete them with at least the minimum score required. The evaluations of your performance in these trainings are critical and the outcomes would have a direct impact on your onboarding.

14. We welcome you to the LTIMindtree family and look forward to a long and fruitful association with you.

Yours faithfully,

For LTIMindtree Ltd.

Dear Parth,

I hope this message finds you well!

I wanted to take a moment to express my heartfelt thanks for the successful completion of our recent drive. Your support and dedication were crucial in making it a success. Additionally, I must commend you on the exceptional hospitality and the coordination of volunteers at JECRC extended throughout the event. The attention to detail and warmth made everyone feel welcome and appreciated. It truly enhanced the experience for all involved.

We have selected some excellent students to join our team. Here is the list of selected applicants. Kindly provide us the joining date of the below students:

Dear Sir's/Ma'am,

We would like to collaborate with us on our **Campus Recruitment Programme (ConWergence GET/MT/CA* Programme)** for the academic year 2025-26. This initiative is a key component of our strategy to build a talented, future-ready workforce equipped to meet the evolving demands of our industry.

Overview:

Wonder Cement Limited is a part of the renowned RK Group, one of India's leading industrial houses with a diversified presence in cement, marble, and hospitality. Since inception, Wonder Cement has carved a reputation for delivering superior quality cement that meets global standards. The company's integrated cement plant in Nimbamera, Rajasthan, has an installed capacity of over 11 million tons per annum and continues to set benchmarks in production efficiency, sustainability, and innovation.

Beyond its business operations, Wonder Cement remains deeply committed to corporate social responsibility. Its CSR initiatives reflect the company's dedication to uplifting the communities in which it operates. Through its "WeCare" program, Wonder Cement has launched numerous projects focused on education, healthcare, and sanitation. These initiatives, along with community development programs, have made a lasting impact on society, particularly in the areas surrounding its plant operations. By integrating corporate success with social responsibility, Wonder Cement aims to contribute to the nation's progress while enhancing the quality of life for countless individuals.

Wonder Cement is more than just a cement manufacturer; it is a forward-thinking company that prioritizes innovation. The organization is at the forefront of adopting cutting-edge technologies to stay competitive in a rapidly evolving market. By integrating artificial intelligence, machine learning, and automation in its operations, Wonder Cement has optimized its production processes, ensuring the highest standards of precision, quality, and efficiency. This commitment to innovation makes it a prime destination for individuals seeking to be part of a dynamic, technology-driven environment.

Opportunities for Students:

Wonder Cement offers a vibrant and dynamic career environment for young talent to learn, grow, and thrive. The company's structured talent management programs ensure holistic development through hands-on experience, technical training, and leadership opportunities.

Key Program:

GET/MT/CA ConWergence Program: Wonder Cement's flagship initiative to attract Graduate Engineers, Management Trainees and Financial trainees. This program provides comprehensive exposure across functional areas, equipping young professionals with the necessary skills to become future leaders. We have completed around 3 batches under this program. Over the past three years, Wonder Cement Ltd has successfully completed 3 batches of this programme that offers young professionals comprehensive **Technical, Behavioural, and Cross-Functional Training.**

For the recruitment drive, we are seeking to engage with students from the following disciplines:

As part of our commitment to diversity and inclusion, we have set a target of 90% female representation in all respective discipline. We believe that your institution can play a pivotal role in helping us meet this target by presenting highly qualified candidates.

Recruitment Process:

Wonder Cement follows a systematic recruitment process to identify and onboard the best talent. The recruitment process includes:

Pre-Placement Talks (PPT): Information sessions to provide insights into Wonder Cement's culture, values, and career prospects.

Aptitude Test: Assessments based on technical expertise and problem-solving skills.

Personal Interviews (PI): Final interviews to assess fit with the company's values and job role.

Offer Letters: Selection and offer roll-out for successful candidates.

Wonder Cement stands at the intersection of tradition and innovation, offering a career that combines the stability of working with an industry leader with the excitement of shaping the future of construction. By joining Wonder Cement, individuals are not only stepping into a role in one of India's fastest-growing industries but also becoming part of a company that is committed to making a meaningful difference – for its employees, its community, and the environment.

Greetings from KPIT!

We hope this email finds you well. We would like to extend our sincere gratitude for your active participation and support that you have shown in the past 1 year of our collaboration. The enthusiasm and involvement shown by you, the faculties, the Campus Ambassadors played a pivotal role in shaping future engineers.

We are excited to move forward in the recruitment process by hosting a physical pre-placement talk at your esteemed engineering college followed by physical assessment on the same day and AI proctored interviews.

In preparation for the upcoming session, we would like to share the eligibility criteria and eligible streams for participation:

Eligibility Criteria:

1. Degree Program: Engineering students (B. Tech/B.E.)
2. Academic Performance: Minimum 70% or above in 10th, 12th, Diploma, and the current semester of Graduation.
3. Year of Passing: 2025

Eligible Streams:

1. Electronics and related branches

We kindly request confirmation of your availability for the pre-placement talk and assessment, which we propose to conduct on:

Proposed Date:
15-NOV-24

This session will provide us with the opportunity to interact directly with students, share comprehensive information about KPIT, and discuss the promising career opportunities we offer. We look forward to your prompt response and the opportunity to engage with the talented engineering students at your institution.

Best regards,

Abinash Mohapatra

Dear Mr. Rahul,

Greetings from TechMatrix!

This was indeed our pleasure to visit your campus and conduct campus placement drive on Saturday- December 14, 2024. We are happy to meet your faculty members and your students who had enrolled and participated in this event.

This is to inform you that the following students have qualified for the final interview held at our office on Tuesday December 17, 2024 and shortlisted for our training program tentatively starting from January 2, 2025 at Jaipur. Kindly block them for TechMatrix and please don't engage them on any other campus drive.

Name	College
Harsh Dhamani	JECRC
Poorvi Mittal	JECRC
Somil Jain	JECRC

These students will be receiving formal offer letters by next week. You can intimate shortlisted students as mentioned above.

Once again thanks for all the support extended to us during our visit and we are looking forward to a long association with your esteemed education institute.

Thanks & Regards,

Sushmita Pal
