Department of Computer Science & Engineering

PROJECT ACTIVITY CALENDAR

Session: 2024-25

S.no	Activity	Date
1	Project Notice	19/08/2024
2	Project Group Formation	23/08/2024
3	Guide allotment	19/09/2024
4	Project Proposal and Brainstorming	20/09/2024
5	Finalization of project topic	07/10/2024
6	Continuous Project Evaluation Phase -1	20/10/2024
7	Continuous Project Evaluation Phase-2	04/11/2024
8	Continuous Project Evaluation Phase-3	29/03/2025
9	Continuous Project Evaluation Phase-4	05/04/2025
10	Final Project Presentations	25/4/2025
11	External Exam	25/4/2025

Project Coordinator

(HOD, CSE)

	<p>Jaipur Engineering College and Research Centre, Shri Ram ki Nangal, via Sitapura RIICO Jaipur- 302 022.</p>	<p>Academic year 2024-25</p>
---	--	---

PROJECT ALLOTMENT PROCESS

1. The total number of students are divided into four different sections (A, B, C, and D) and each section has an almost equal number of students. Each section is in response of Class Coordination (CC), which is one of the dedicated faculty members of the department.
2. In each section, four groups of students are formed based on the previous academic performance of the students i.e. based on the percentage of marks, as follows:
 - a) Group 1 Top 25%
 - b) Group 2 Next 25%
 - c) Group 3 Next 25%
 - d) Group 4 Next 25%
3. Project Coordinator distributes these names and groups information to all students through the CC of respective section for selection of project team members.
4. Project Coordinator will display faculty list with their specialization and disseminate this information between the groups of students so that smooth conduction of projects can be done based on the area interest of students.
5. A project team or group is allowed to form by selecting one member from each group. There can be minimum three and maximum four members in a project team but no student should be from same group.
6. Student can discuss about their area of interest with the available faculty members. Based on the work area of project, Project Guides will be allocated to each project team. A Project Guide is allowed to guide minimum three and maximum five project teams.
7. Project Guide will mentor the students on prospective projects through a brainstorming session. In this session, Guide will help students in selection of their project and open up new ideas.
8. Students will discuss their project with respective Project Guide and submit their project proposal to them. If student wish to change his project he/she is allowed to change once before third week of the project finalization.
9. Project Coordinator, after discussing with the other members of project committee, will share following formats to the students through CCs:
 - a) Project Proposal Format

	<p style="text-align: center;">Jaipur Engineering College and Research Centre, Shri Ram ki Nangal, via Sitapura RIICO Jaipur- 302 022.</p>	<p style="text-align: center;">Academic year 2024-25</p>
---	--	---

- b) Software Requirement Specifications
- c) Project Report
- d) Presentation guidelines

EVALUATION CRITERIA:

1. Project Coordinator finalizes the evaluation criteria in a meeting with other members of project committee and send following formats to all the Project Guides through the CC:

- a. Guide's Continuous Evaluation sheet (Internal Assessment)
- b. Final Evaluation Sheet (External Assessment)

2. Marks Distribution:

- | | |
|---------------------------------------|---|
| a) Continuous Evaluation (160) | Evaluated By: Project Guide |
| – Brainstorming & Project Proposal | : 5 Marks |
| – Progress Presentation & Viva | : 15 Marks |
| – Synopsis Submission | : 20 Marks |
| – Progress Presentations | : 100 Marks |
| – Project Report | : 20 Marks |
| b) External Evaluation (140) | Evaluated By: External Examiner |
| – Presentation | : 50 Marks |
| – External Viva | : 50 Marks |
| – Report | : 40 Marks |
| c) Conference Paper (50) | Evaluated By: Conference Technical Committee |

- 3. All Project Guides submit the signed list of marks (of their project team) to the respective CC.
- 4. All CCs will send the final data to the Project Coordinator. Project Coordinator will prepare the consolidated list of marks and get it signed by all the CCs.

Date: 19/08/2024

Notice

From: Project Coordinator, CSE	To: VII Semester Students
---------------------------------------	----------------------------------

This is to inform all the B.Tech VII semester students that the process of final year project and guide allotment has been started. Each of the sections is divided into four groups of students based on the previous academic record. It is mandatory to include team members from different groups in a project team within a section. Kindly go through the displayed list of students with assigned groups. In case of any query, you are directed to coordinate with your class coordinator or project coordinator.

Notice

From: Project Coordinator, CSE	To: VII Semester Students/All Faculty Members of CSE
---------------------------------------	---

This is to inform all the B.Tech VII semester students that you have to select and discuss your project idea with the faculty members having specialization in similar area. List of all the faculty members with their specialization is displayed. As a result of meeting and discussion, you all have to finalize your project team members having similar interest from different groups and your project guides. In case of any query, you are directed to coordinate with your class coordinator or project coordinator.

Notice

From: Project Coordinator, CSE	To: VII Semester Students/ All Faculty Members of CSE Dept.
---------------------------------------	--

This is to inform all the B.Tech VII semester students that their project team members and project guides have been finalized. You have to contact with the assigned project guide for discussion over project proposal. In case of any discussion, you are directed to coordinate with your class coordinator or assigned project guide.

Final Year B.Tech Project Reports – Academic Year [2024-25] (Project Evaluation)

Dated: 12/04/2025

Subject: Submission of Final Year B.Tech Project Reports – Academic Year [2024-25].

All project guides are hereby informed that the **final year B.Tech students** are required to submit their **final project reports** as part of the academic curriculum.

The following guidelines are to be noted:

Last Date for Submission by Students: [25th April 2025]

1. **Format:** Students must follow the prescribed **project report format** as per norms (softcopy and hardcopy as applicable).
2. **Guide's Review:**
 - Kindly review and approve the report before the final submission.
 - Sign the **certificate page** after satisfactory review.
3. **Submission of Guide-Signed Reports:** Students should submit signed hard copy (2 Sets) as well as softcopy (CD/DVD).
4. **Project Viva & Evaluation Schedule: 25th April 2025 (After written examination).**

Guidelines for written exam of Project:

- 1) Class Coordinators (CCs) of final year(8th Semester) need to look after the written exam on the particular day (25 April, 2025)
- 2) No leave will be allowed for the student during the exam of project & evaluation on 25 April, 2025.
- 3) Students must be in time for written exam of project.

Guidelines for Project Presentation:

- 1) All students/teams will carry their laptop for the final presentation and project execution.
- 2) The CD of complete project will be attached at the last page of project report in envelope through cello tap of each project report.
- 3) The project report copies will be submitted to Project Coordinator after 25 April, 2025.

You are requested to inform your students accordingly and ensure timely submission and compliance with academic guidelines.

(Project Coordinator)

1. Title of Project: Smart Society Portal with Angular, Java and MySQL
2. Type of Project: App Development/ System Development/ Web Development/ Automation Software/ Analytic Software/ Case Study: Web Development.....
3. Date of Commencement: 20 Feb to 19 April
4. Planned Duration: 9 to 10 Months
5. Brief Summary of Project: The Smart Society Portal with Angular, Java and MySQL is proposed as a comprehensive digital platform designed to address these challenges by offering role based functionalities such as complaint mechanisms, visitor management, attendance tracking, service listing, feedback mechanism and real time alerts. It aims to enhance the quality of community living by promoting transparency, responsiveness and digital convenience.
6. Explained Benefits: By digitizing essential services, the application ensures a seamless and secure experience for residents, guards and administrators. Simplifies society management and helps build safe and smart communities.
7. Name of Supervisor/Guide: Chitra Sharma

I agree to be supervisor of the project.

- Title of Project: Conversational Restaurant Chatbot with Multilingual OCR & Sentiment Support
- Type of Project: Web Development / Automation Software
- Date of Commencement: 20 December, 2024
- Planned Duration: 3 Months
- Brief Summary of Project:
The project is a web-based intelligent restaurant chatbot that integrates Optical Character Recognition (OCR), multilingual translation, sentiment analysis, and fuzzy matching. The chatbot is capable of understanding user queries related to restaurant services (menu, timings, delivery, etc.), responding with predefined or AI-generated replies, processing images of menus in various languages, and offering translated outputs. It also adapts to casual conversations and detects sentiment to make responses more human-like and interactive.
- Explained Benefits:
This project provides an intelligent, user-friendly restaurant chatbot that automates customer interactions, saving time and reducing staff workload. It enhances user experience by understanding queries through fuzzy matching, sentiment analysis, and multilingual OCR with automatic translation. The chatbot can answer FAQs, detect user mood, process menu images in various languages, and deliver context-aware responses. Being web-based, it is accessible on any device, making it scalable for real-world restaurant deployments, improving efficiency and customer satisfaction.
- Name of Supervisor/Guide: Ms. Priyanka Mitra
